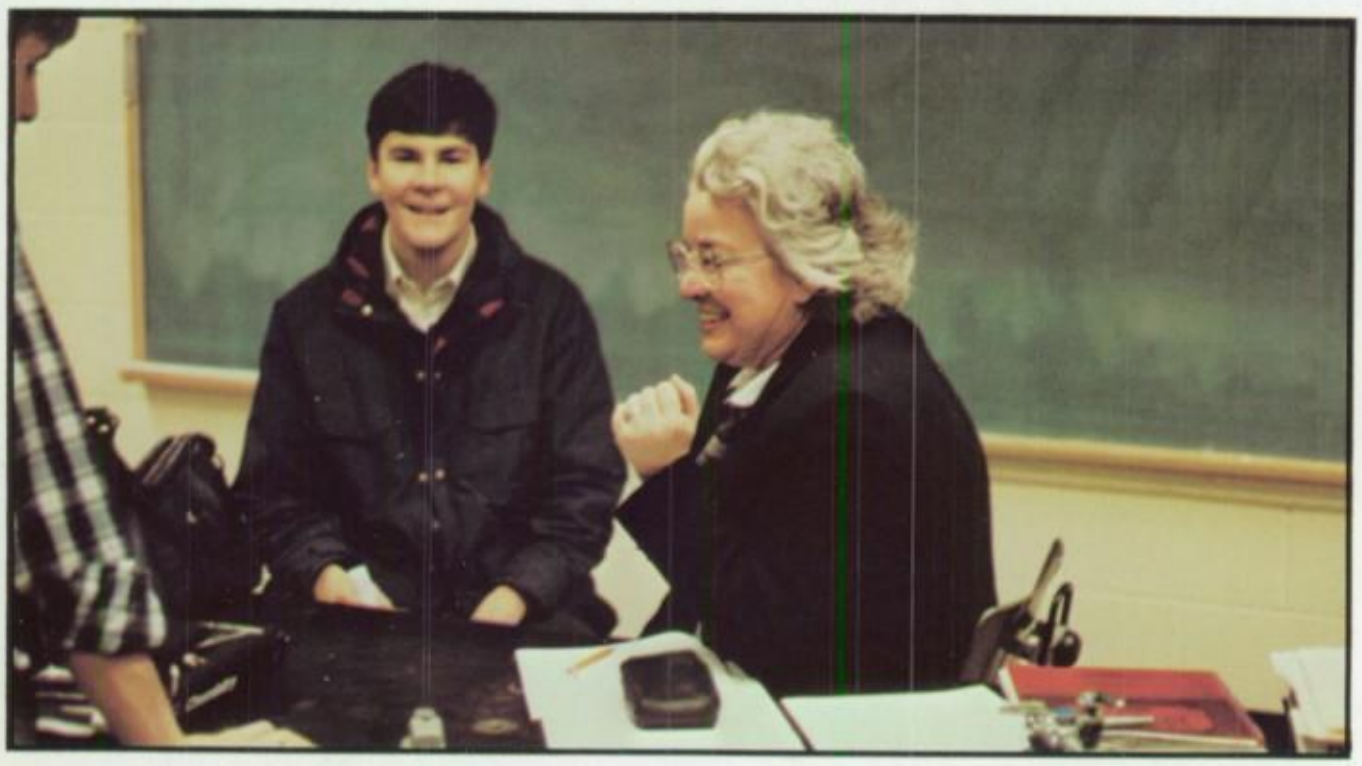
Montgomery Bell Academy
Nashville, Tennessee 37205

DEDICATION

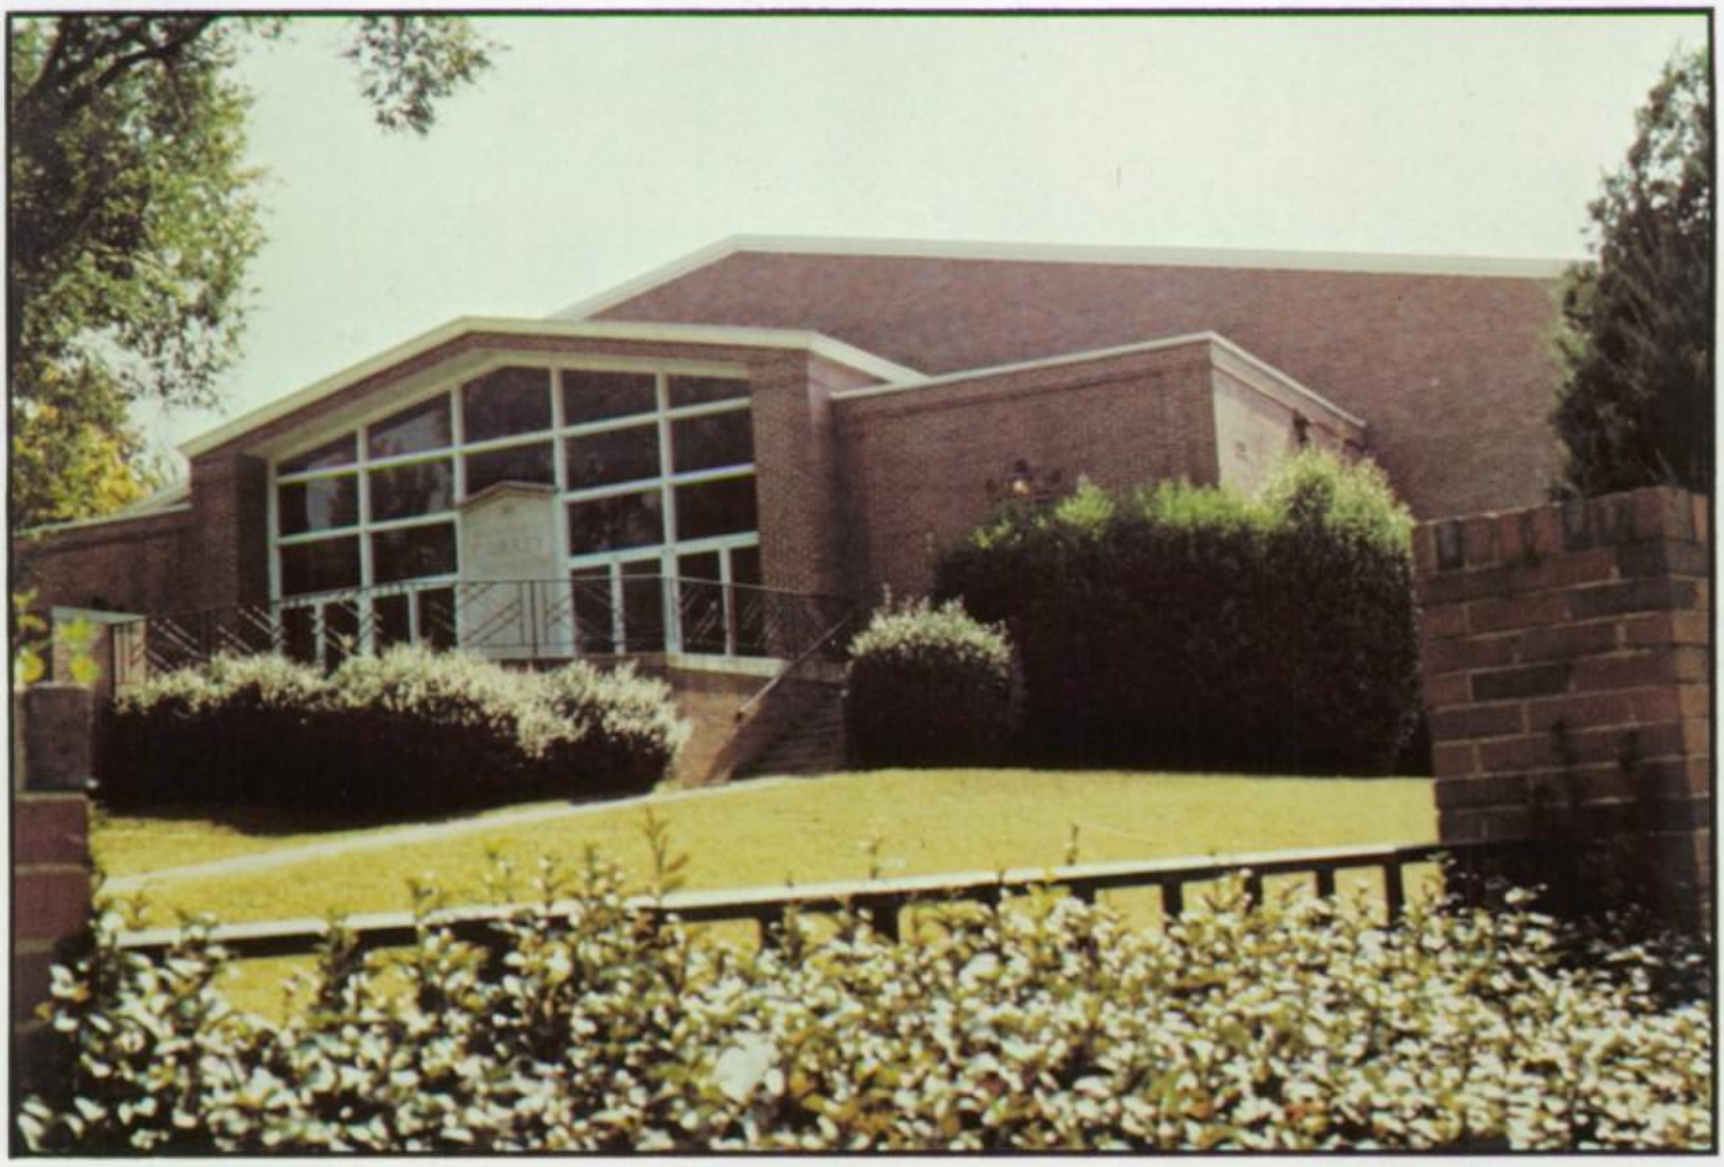
Dr. Nancye Thomas

Rarely in probing the field of education will one find a teacher who takes enough interest and cares enough to be a true friend to the students. Dr. Nancye Thomas is just such a teacher. Her work both in and outside of the classroom demonstrates a genuine concern for the individual needs of those around her. Since her arrival in 1980, she has been active in almost every area of MBA life. In addition to teaching the chemistry and advanced chemistry classes, she is sponsor of the Big Red Club. She spends endless hours working with the cheerleaders and cheering on the Big Red in athletics. It is for this constant dedication not only to the school but also to the individual student that the 1985 Bell is dedicated to Dr. Nancye Thomas.

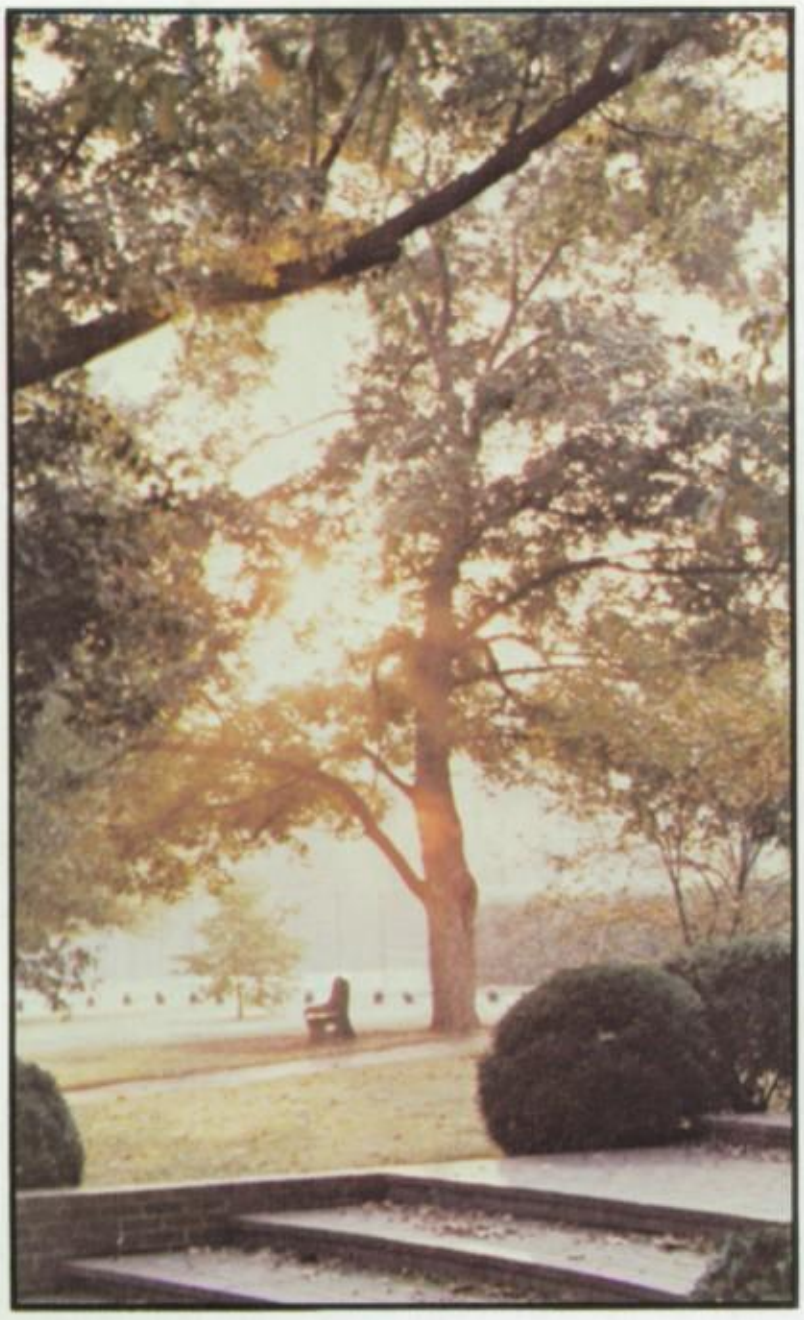


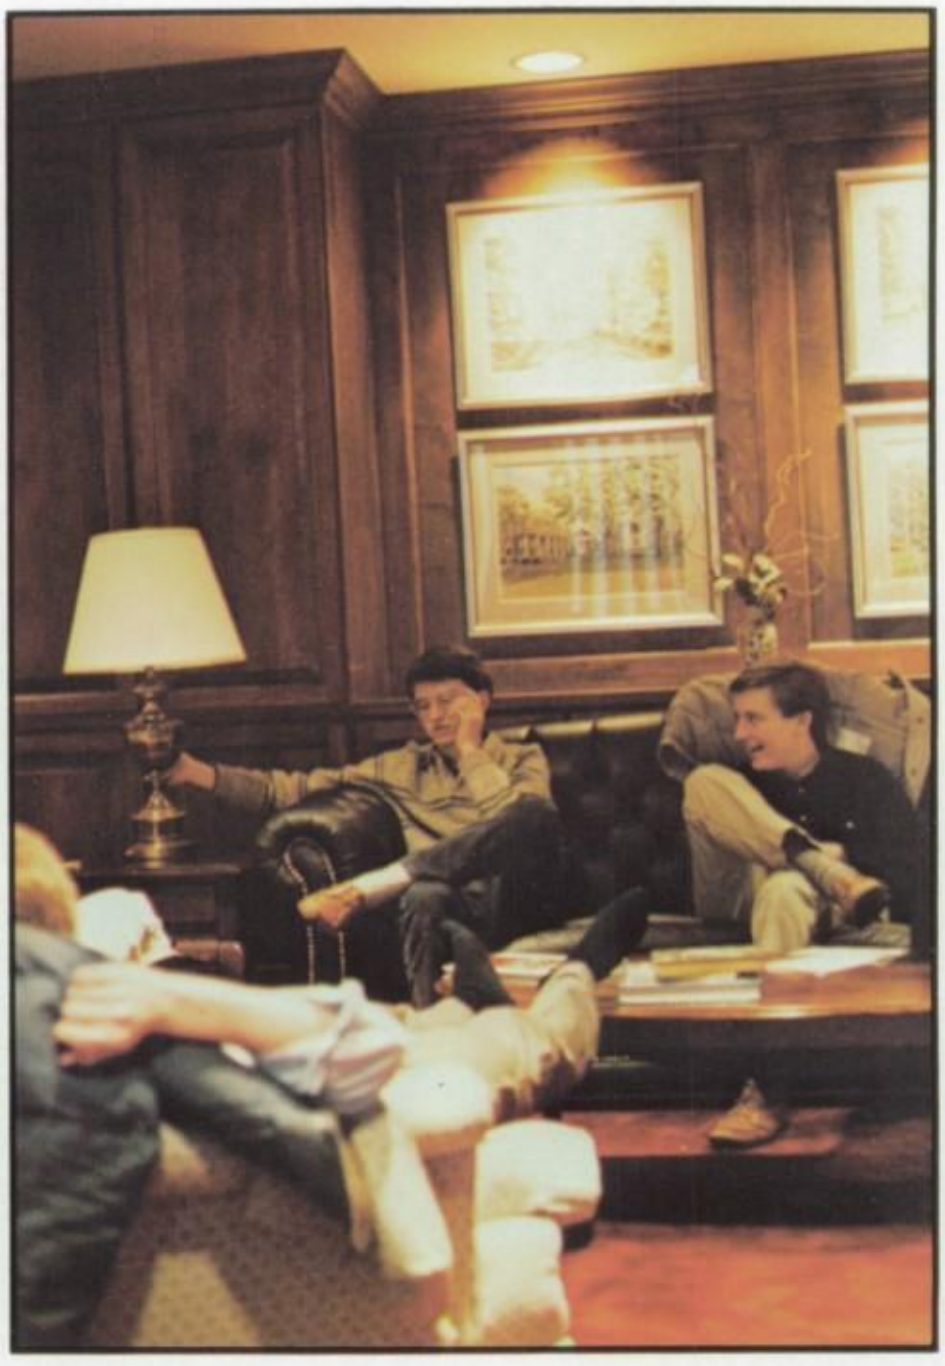
PREFACE

When one pauses to look back over the events of a year of his school, a flood of images come to mind: the big game, an all-night theme, the long Mondays and the even longer Fridays, assemblies, the classes, the work, but most of all, the people. A school is no more than the sum of the people who attend it; and, therefore, Montgomery Bell Academy is, indeed, its students. We came afraid, but curiously expectant, and we leave bold and with resolve. Such is the process by which the school molds the youth into a man.



This annual represents the collected images of the 1984-85 school year at Montgomery Bell Academy. It is your annual, because you made it, and will remember it long after you have left. Think of this not as a guide to the memories of this year, but rather as a key to unlocking your own mental images. There will never be another year like this one, and so it is our pleasure to present this unique overview of it, the 1985 BELL.



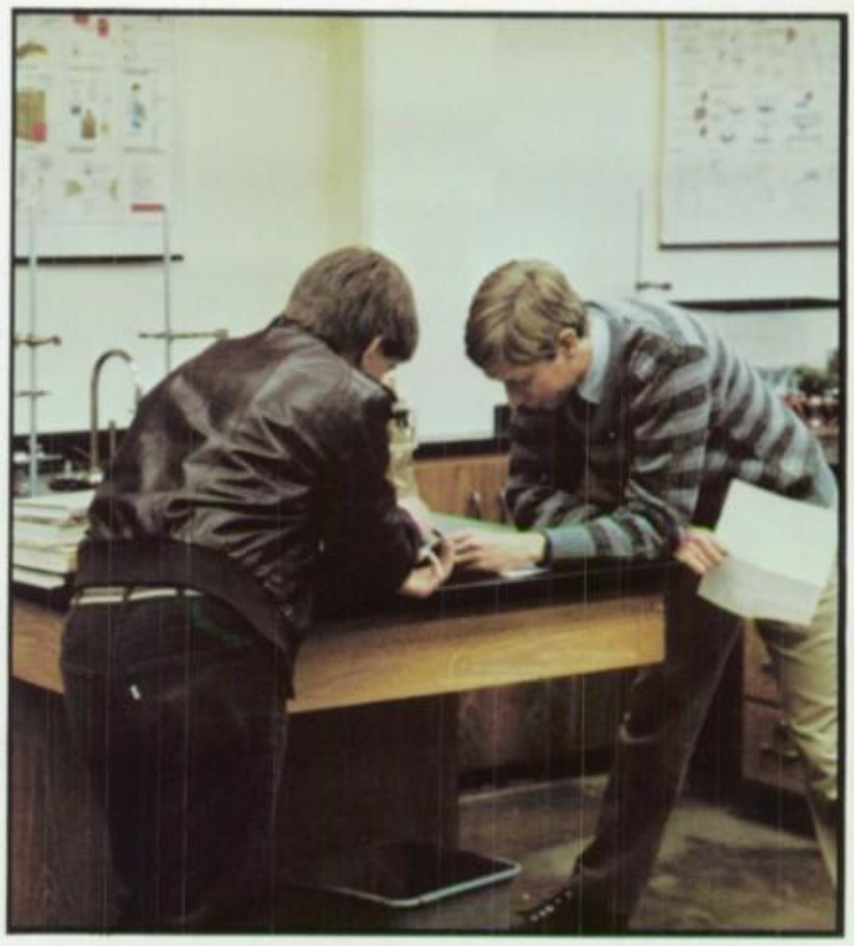


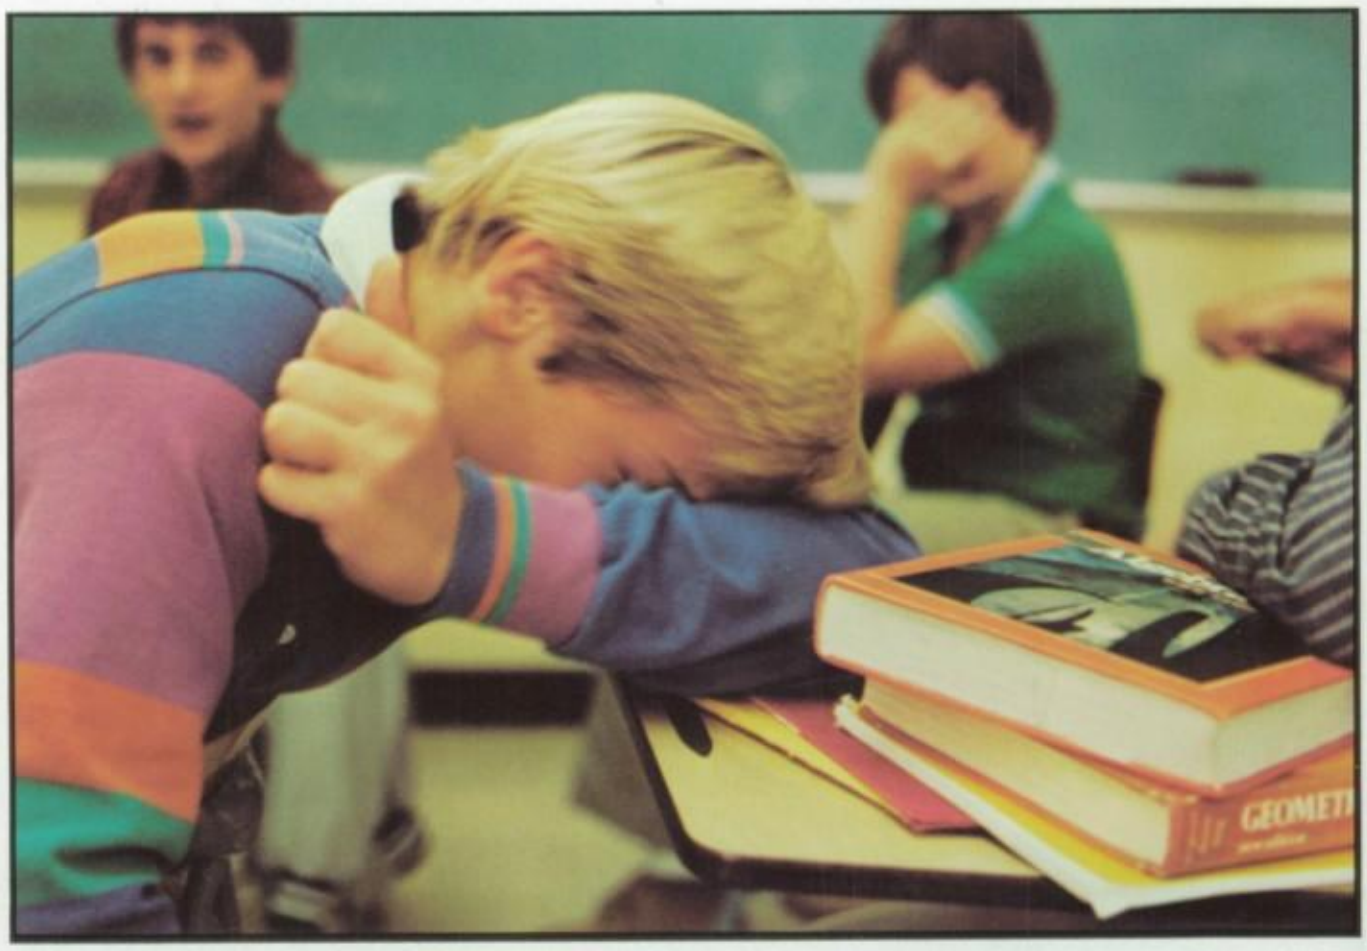
"The unique thing about the MBA campus is that it provides a place for recreation and relaxation."

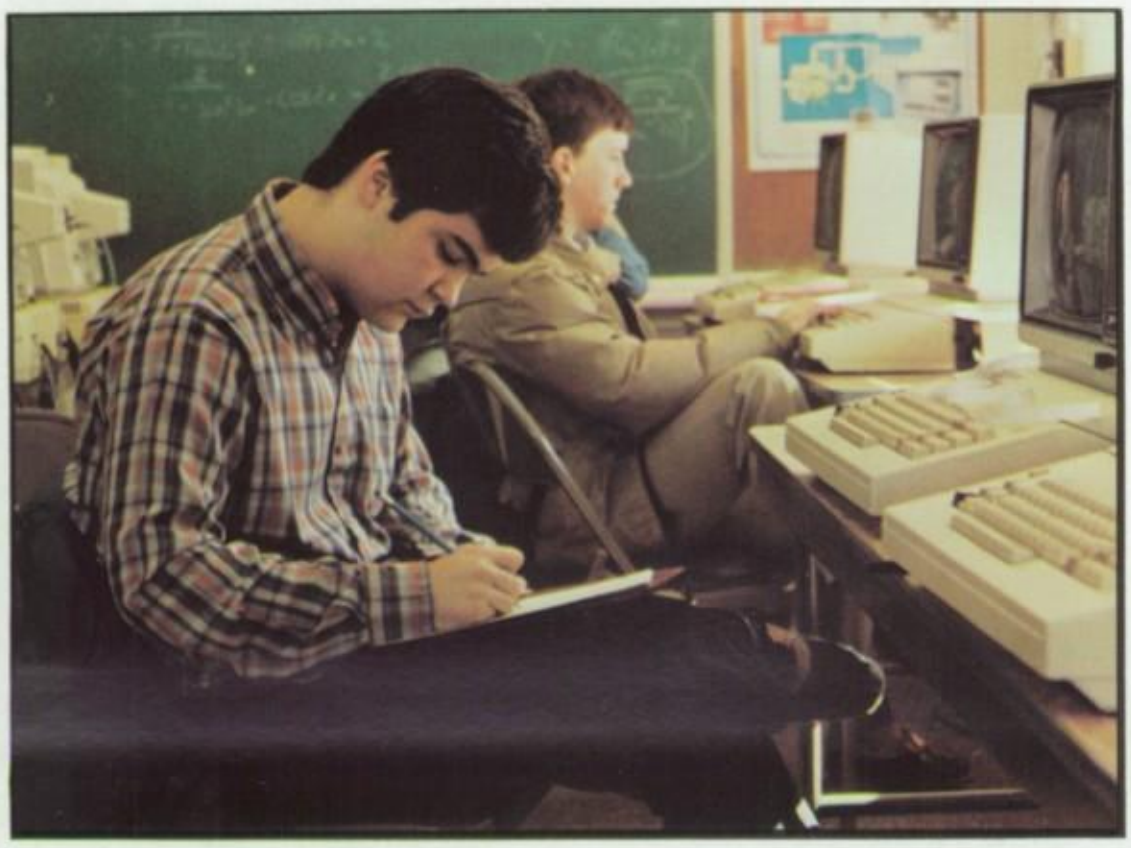
—Junior

"The teachers at MBA show a definite interest in the student as well as teaching the student."

—Senior

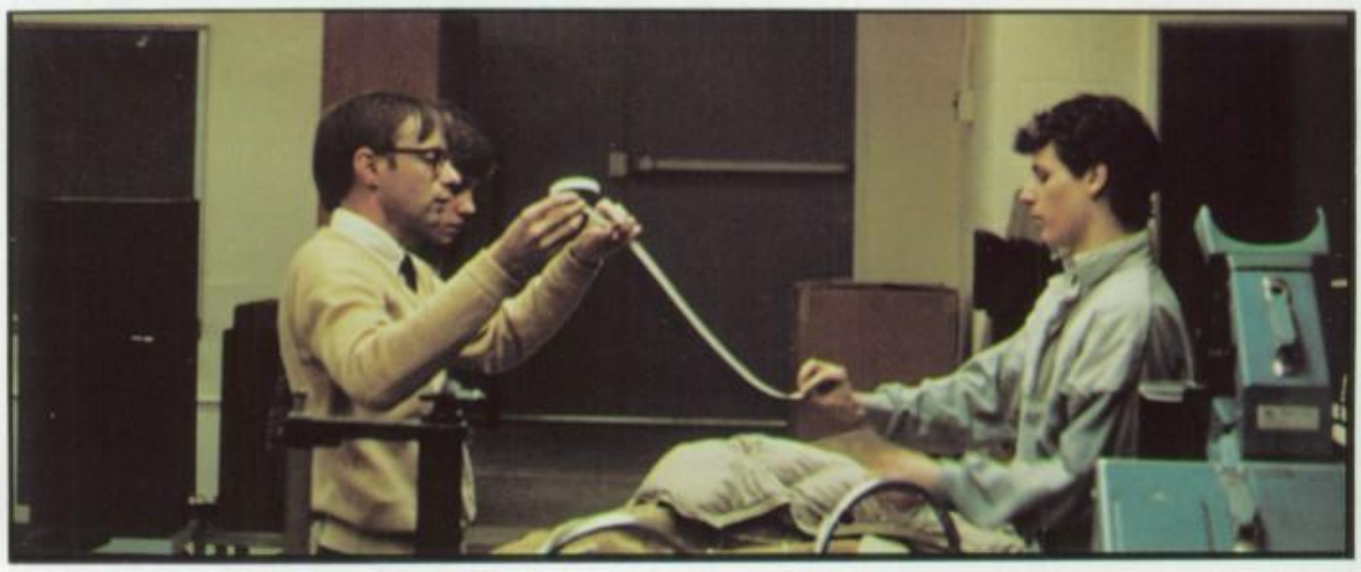


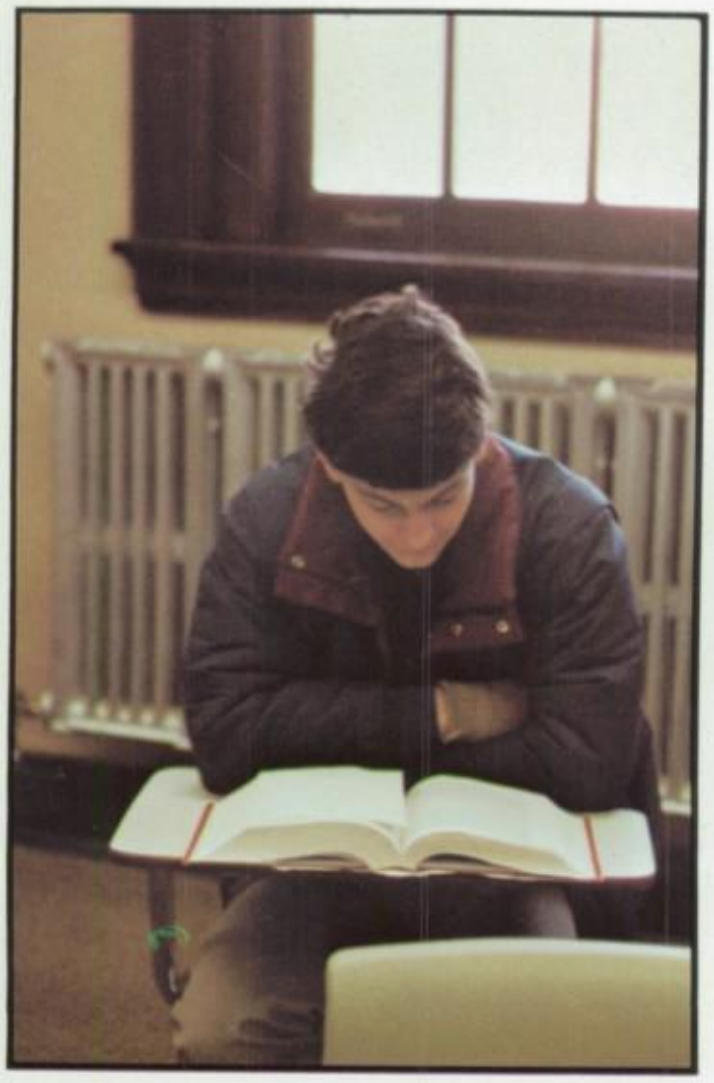


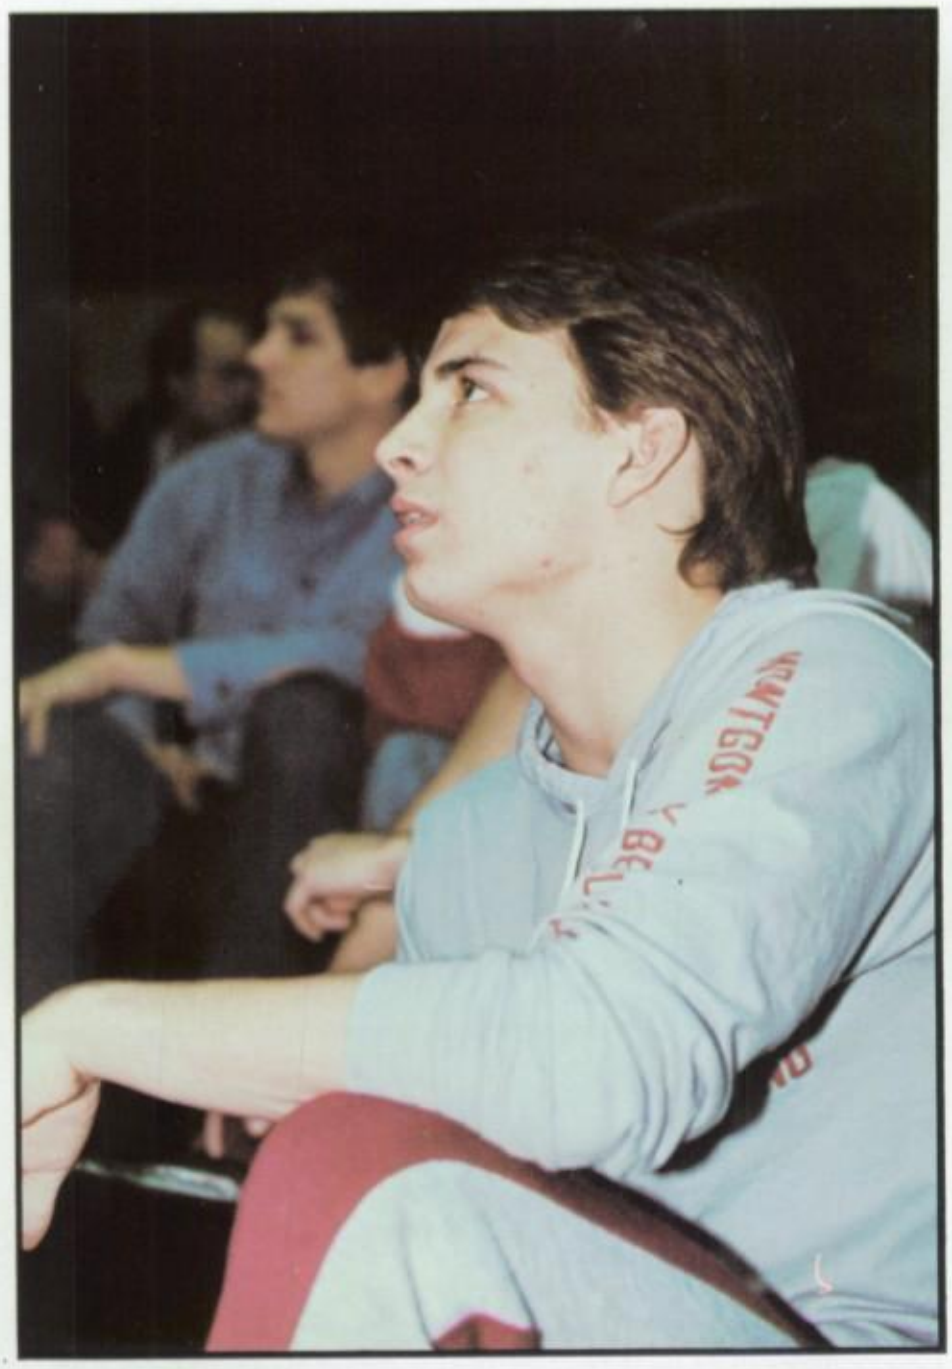


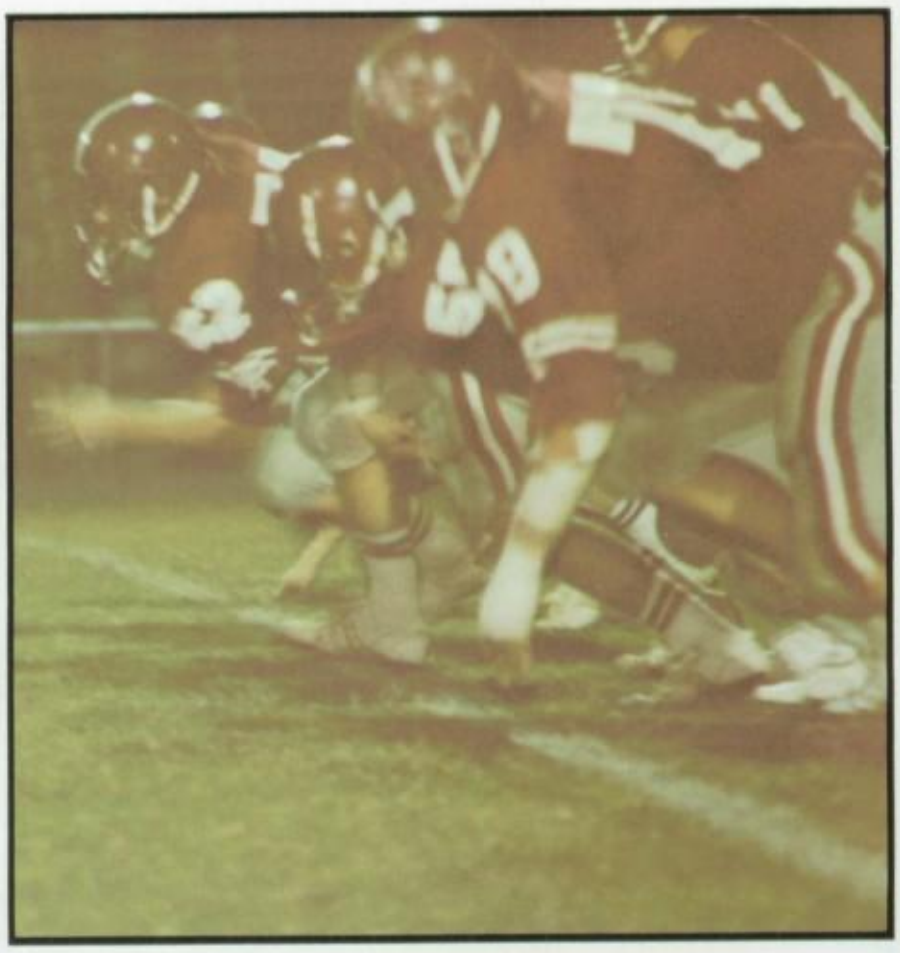
"I feel fortunate to be able to attend a school that offers such a complete education."

—Senior



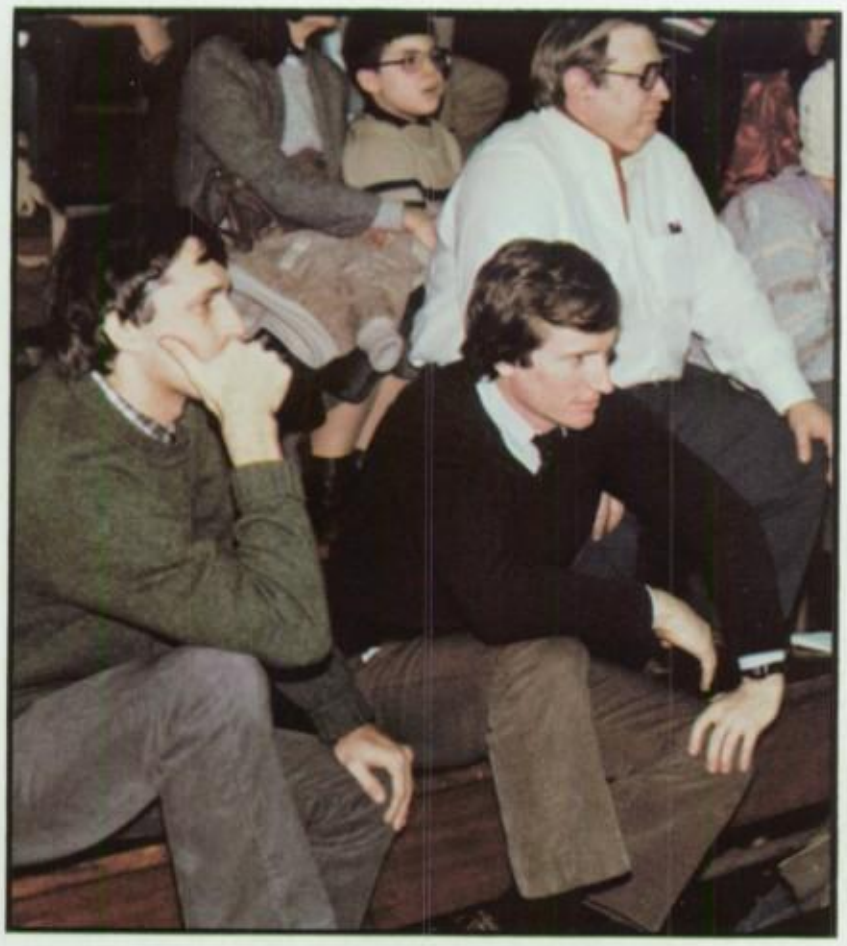


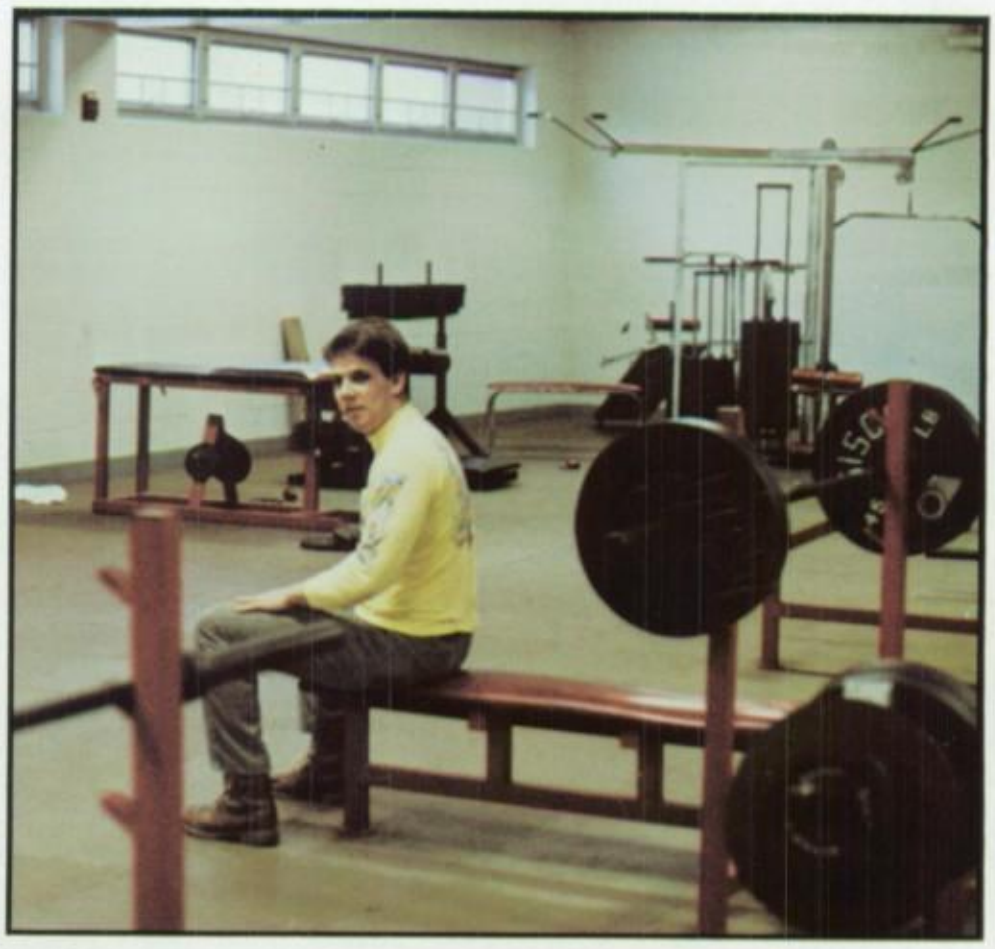




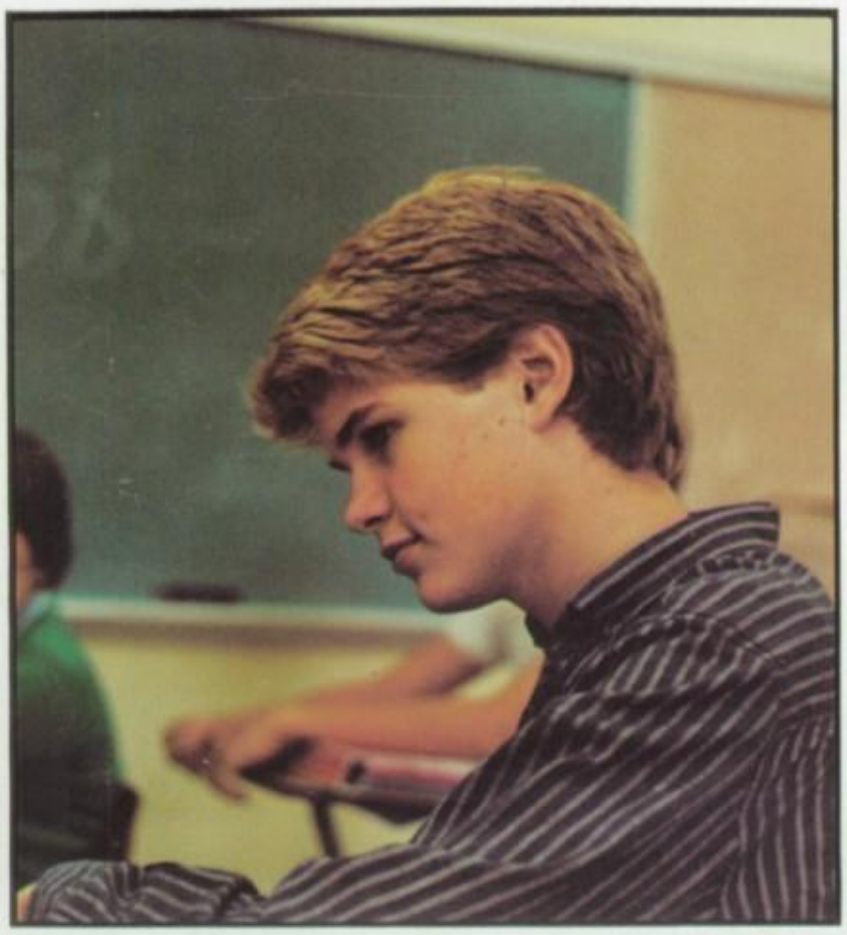
"Any one who is willing to be pushed by himself and the coaches can participate in MBA varsity athletics."

—Junior





27
52
44
33



"A student at MBA can be himself and still be thought of as a member of the group."

—Senior

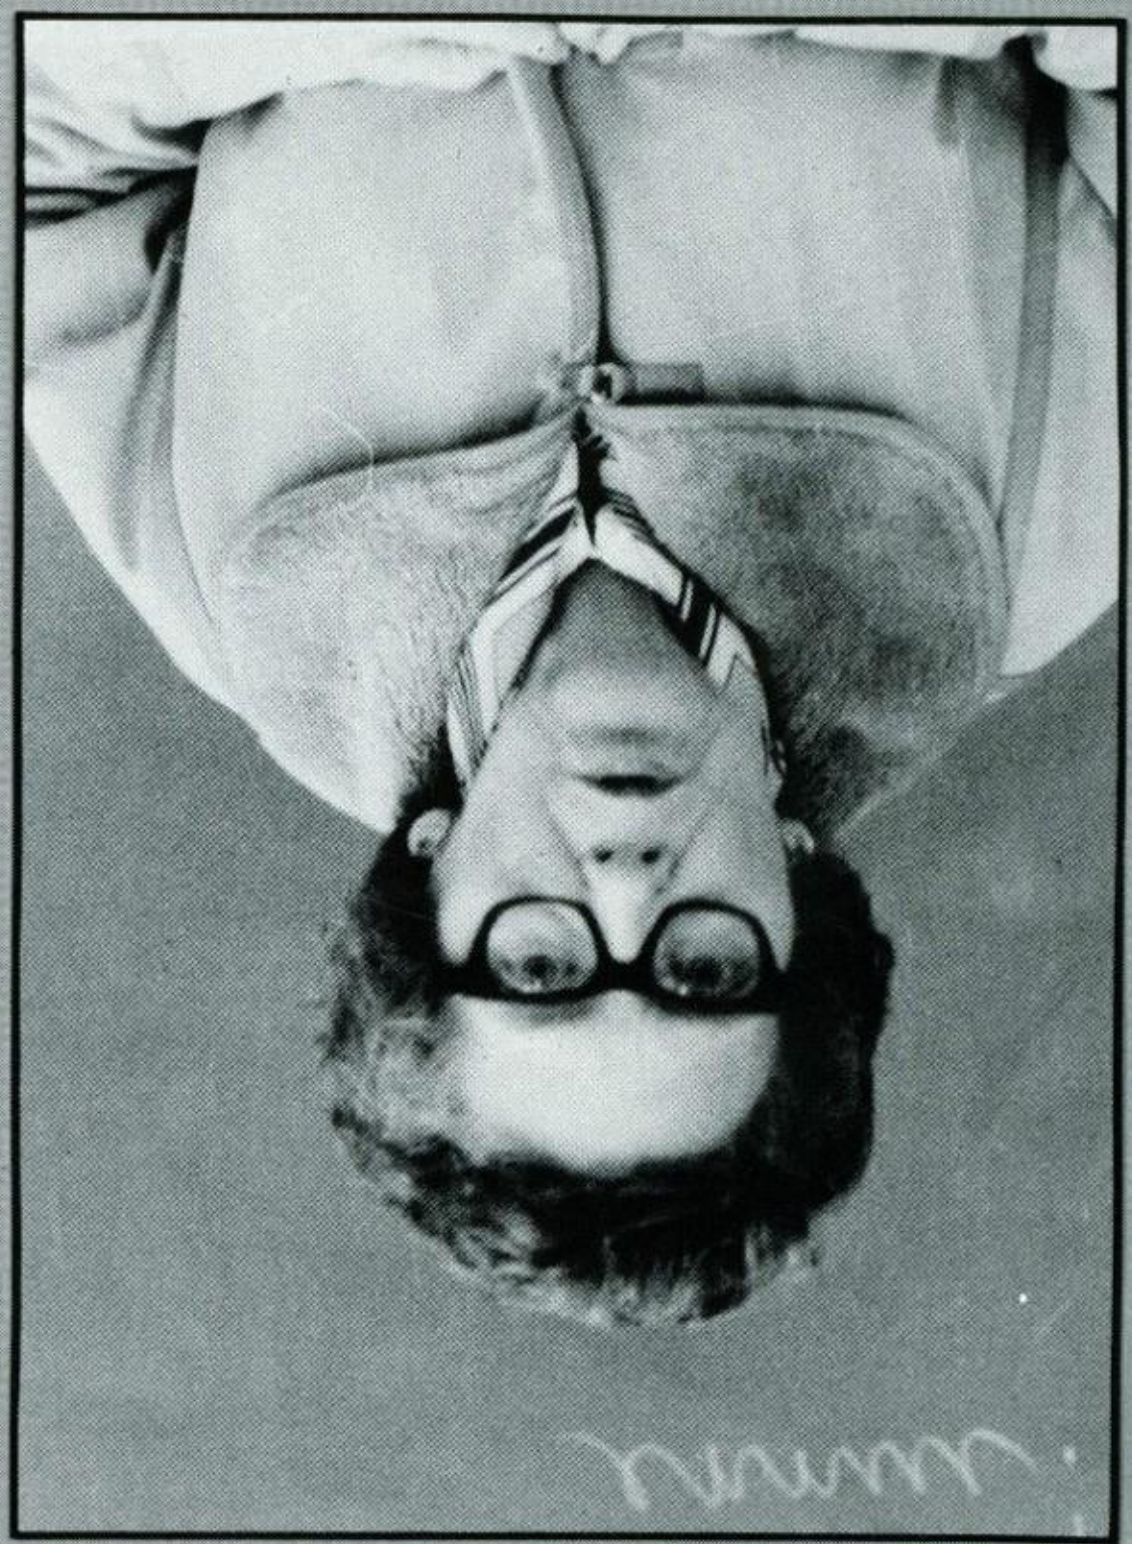
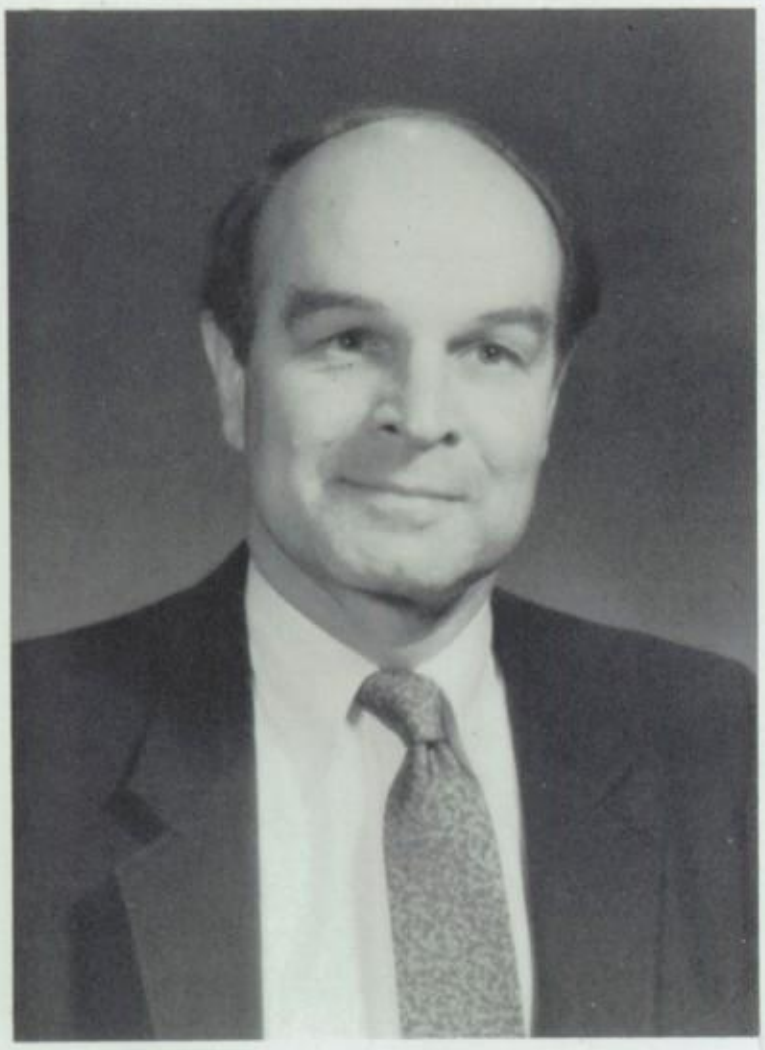
Administration





Mr. Gordon E. Bondurant

Mr. Bondurant's ninth year as headmaster of MBA. has proved to be a productive one in many ways. Mr. Bondurant has focused on having better relations with students and receiving more student input on important issues concerning MBA. Throughout the year, Mr. Bondurant invited Seniors to come and eat dinner at his house to discuss their opinions on all facets of life on the Hill. His talks on the subject of leadership formed an enlightening part of the assembly program. Finally, Mr. Bondurant has eagerly sought, and is beginning to attain, the desirable reputation that the school deserves, not only in the South, but also all across the country.

Assistant Headmaster Michael Drake, in addition to his administrative duties, has served in the past as the personal college counselor to every Junior and Senior for several years. With the addition of Mr. White to the faculty, Mr. Drake is able to spend more time as the Senior Class advisor. In addition to his administrative responsibilities, Mr. Drake manages to teach a popular 1st period AP American History course. His great rapport with the students is well-suited to his duties. Six years ago Mr. Drake, as acting Headmaster, admitted this year's Senior class into seventh grade, and since that time has taken the credit (and blame) for all that class's actions. No doubt, this year's Seniors will always remember their years at MBA as "Mr. Drake's class." Most importantly, however, they will remember his undying devotion to the individual student and unending dedication to all facets of MBA. He is a graduate of the University of Virginia and of George Peabody College for teachers.

Mr. Michael Drake

A unique figure among the M.B.A. administration, Dr. Harold Crowell is a very popular and experienced man. Because his numerous responsibilities have been lessened a bit, he has been able to give more time and attention to those activities which are most important to him. Due to his ability to relate to the students on a personal and humorous basis, Dr. Crowell makes an effective Dean of Faculty and Students. Dr. Crowell is also Chairman of the Science Department, advisor to the Junior class, and teaches a demanding but enjoyable Physics class. He received

Dr. Harold Crowell

Dr. Edward Gaffney

Dr. Edward Gaffney serves in a challenging position as head of the Junior school. His presence is a boon to both High School students and Junior Schoolers, for, as a prestigious figure in his field, he teaches all levels of Latin from first year to advanced placement. He received his B.A., M.A. and Ph.D. from Vanderbilt University.

Mr. James A. Poston serves as M.B.A.'s Guidance Director. Under the new demerit system, Mr. Poston is also demerit supervisor for the Senior class. He teaches English I, English IV, and courses in speech and reading. Mr. Poston is the sponsor of the Drama Club and directs a play for it every year. In addition, he is coach of the Tennis team. Mr. Poston received his M.A. from George Peabody College.

Mr. James A. Poston

Mr. Laird Smith, Jr.

Mr. Laird Smith, Jr., Director of Buildings and Grounds at Montgomery Bell Academy, could well be considered the handyman of the administration. What makes Mr. Smith unique is his extra work beyond the call of duty. He can be seen mowing the grass one hour and cleaning the campus the next, on weekday or weekend. Mr. Smith is a graduate of Vanderbilt University.

Mr. John R. Bennett, Director of Athletics, is a valuable member of the M.B.A. faculty. He is the head coach of the Varsity Baseball team and the Microbe Baseball squad, and instructs courses in both Algebra and Geometry. Mr. Bennett's influence is further felt as sponsor to the service club and to SADD. This continued interest in the issue of drug and alcohol abuse has truly been an inspiration to the entire M.B.A. community. Mr. Bennett received a B.E. from Vanderbilt University.

Mr. John R. Bennett

In order to assist Juniors and Seniors in deciding about and gaining acceptance to college, the Directorship of college counseling was added, and Mr. Ed White was chosen to be that director. Mr. White was previously the Dean of Admissions at Davidson College and the Director of Athletics at Southwestern. Mr. White's goal has been to impress upon the students and parents the need for early "college thinking." Mr. White received his B.A. from Davidson and his M.A. from the University of South Carolina.

Mr. H. Edmunds White

Office Staff

Although the administration is a vital part of any school system, Montgomery Bell Academy depends on the office staff as a necessary foundation upon which the Administration performs its day to day activities. Mrs. Bradshaw and Mrs. Morrissey serve as receptionists in the High school and Junior school respectively. Mrs. Garriott, Mrs. Liles, and Mrs. Kelton perform their secretarial duties in the Main Office with Mrs. Bradshaw. Amid the numerous daily tasks of these faithful five are the handling of massive administrative paperwork, selling supplies, managing the student fund, calculating grades, and processing of the school's mail. As important as anything, however, these ladies are friends to the students and comply with a variety of requests that go far beyond the call of duty. The school is proud to have such a dedicated and indespensible group of women.

Mr. James T. Womack

Art History (AP), Art Studio, CPR; Outing Club Sponsor; B.A., Davidson College, M.A., Virginia Commonwealth University

Board of Trust

Four times a year, the Board of Trust of Montgomery Bell Academy meets to review and discuss various aspects of the school. These men are responsible for advising various plans of action in the fields of campus renovation, fund raising, alumni relations and the general over-all well-being of life on the M.B.A. campus. The new Massey Building and athletic facilities are examples of what the work and dedication of the Board of Trust has been able to accomplish in just the past few years. This group of Nashville businessmen, lawyers, and doctors is an invaluable asset to Montgomery Bell Academy.

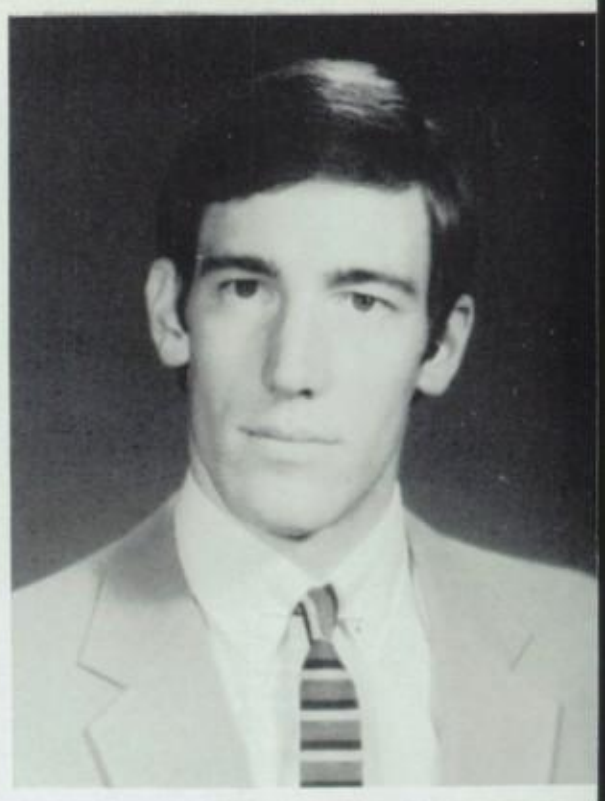
Paul Richards



The UNITED METHODIST CHURCH

MOUNTAIN TOP

I love to sing and I love to pray
Worship the Lord most everyday.
I go to the temple, and I want to stay
To hide from the hustle of the world and its ways.

bridge: And I'd love to live on a mountain top,
Fellowshipping with the Lord,
I'd love to stand to feel my spirit soar.
But I've got to come down from the mountain top
To people in the valley below,
Or they'll never know that they can go
To the mountain of the Lord.

Now, praising the Father is a good thing to do—
Worship the Trinity in spirit and truth.
But if we worshipped all the time
There would be no one to lead the blind.

Now, I am not saying that worship is wrong,
But worship is more than just singing a song.
It's all that you say, and everything that you do—
It's letting His Spirit live through you.

"Thanks M.B.A."; "Thanks mom and dad"

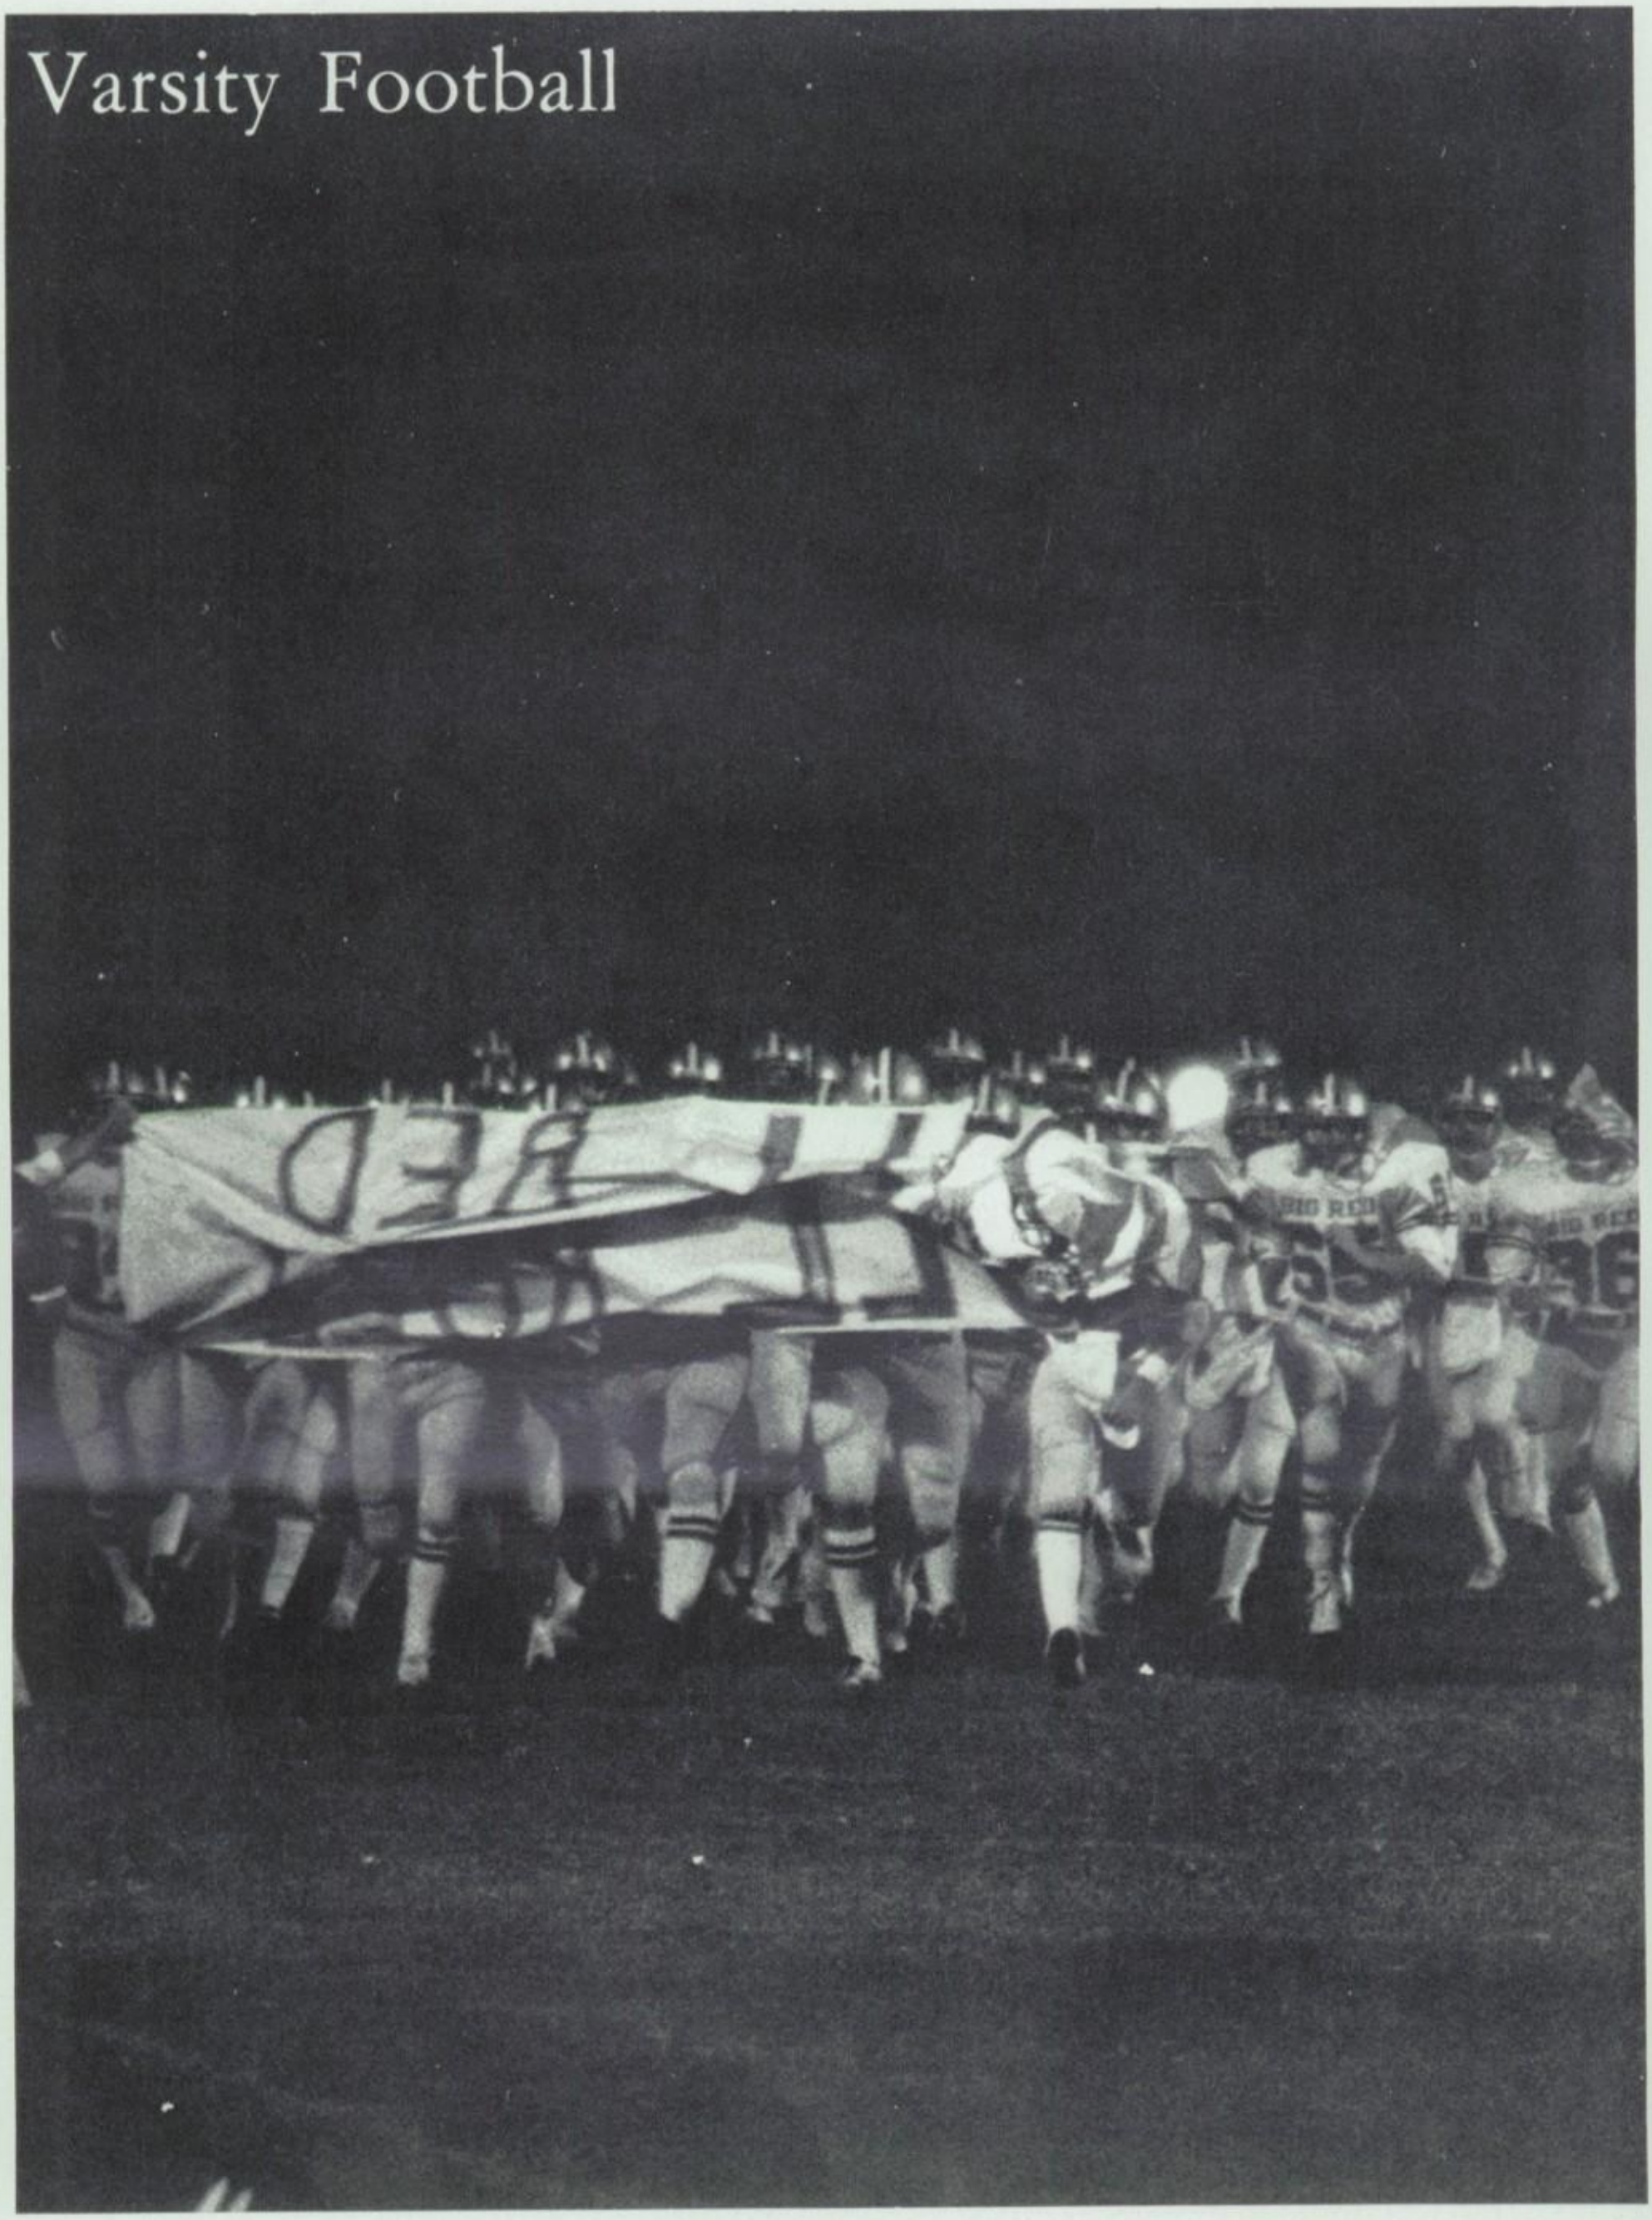
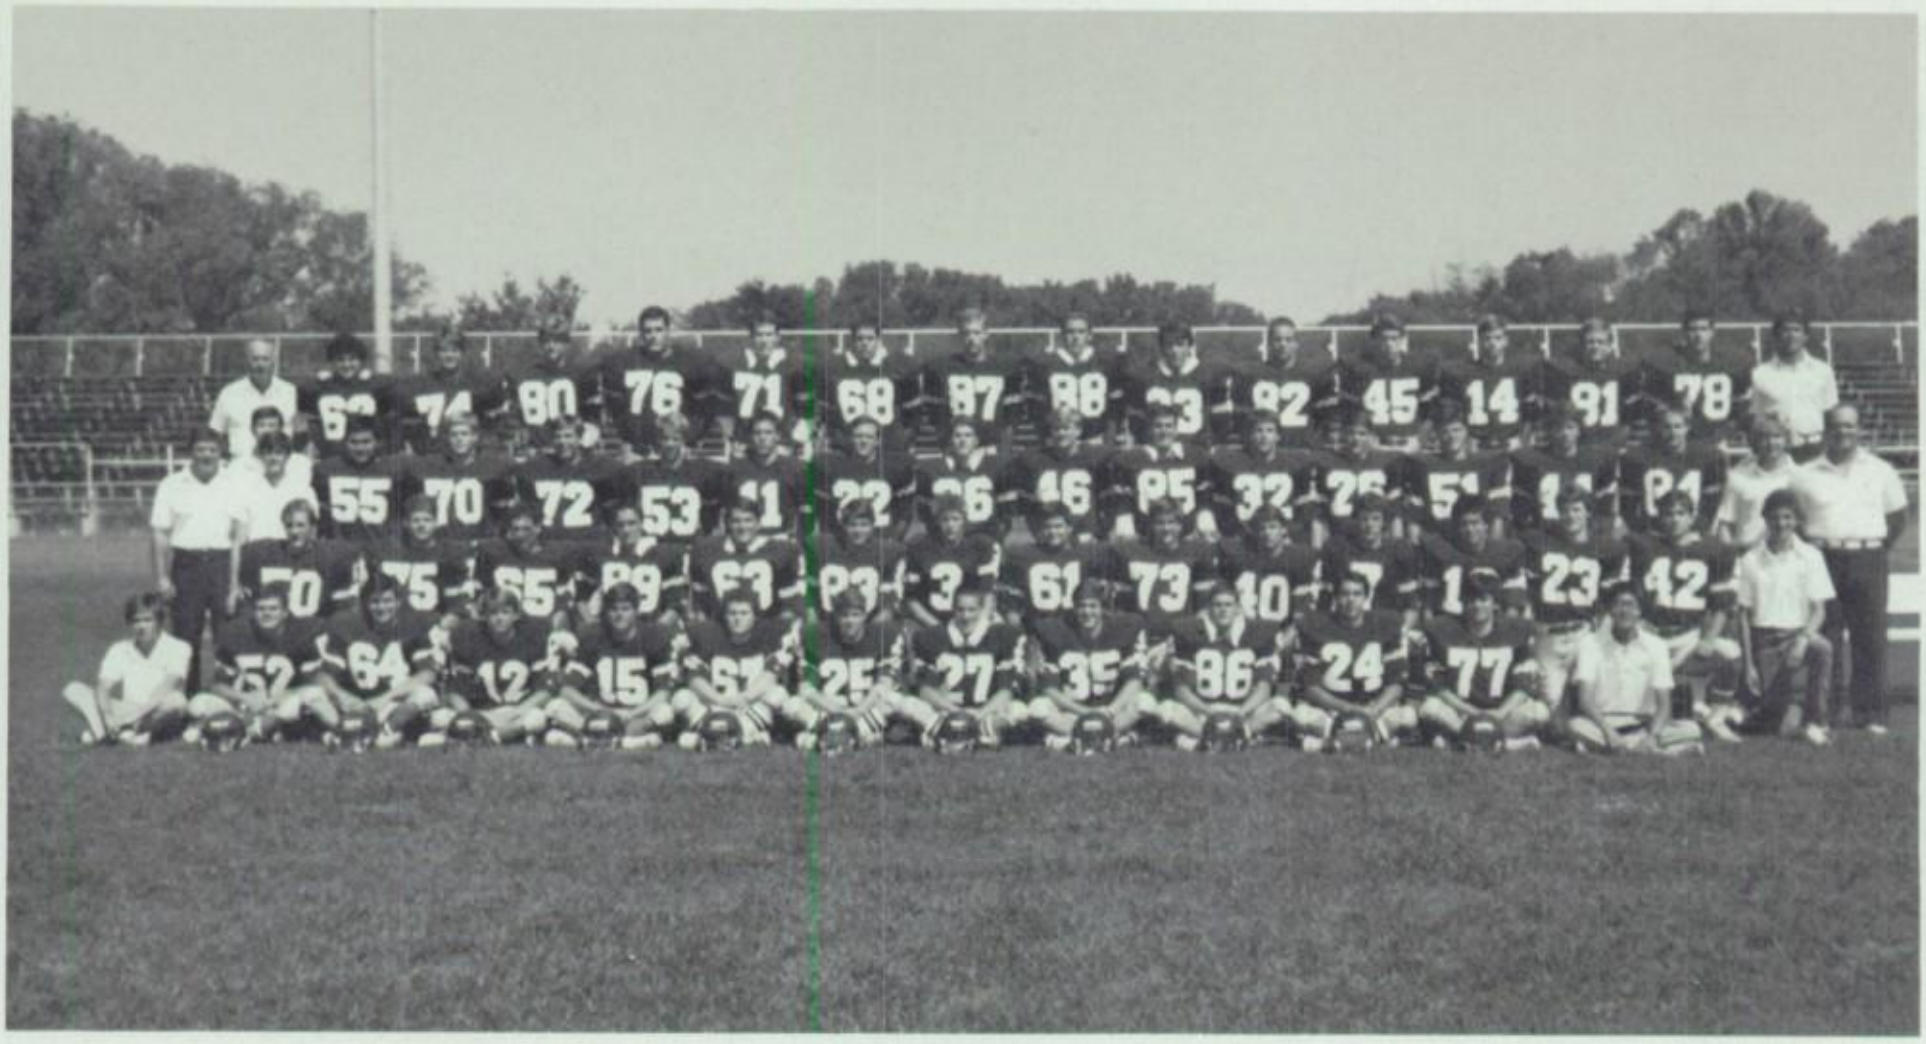
Varsity Football





Front row: D. Wood, J. Hunt, T. Bottorff, J. Pickel, D. Malone, S. Burke, S. Hooper, J. Dale, C. Trabue, L. Vaughn, P. Bond, K. Russell, H. Meng; 2nd row: J. Boone, C. Brandon, F. Wilk, D. Thombs, B. Frahn, J. Griffith, J. Stroman, F. Downey, R. Grover, P. Soper, T. Frist, P. Paris, T. Carney, W. Meyer, C. Fly; 3rd row: Coach Morel, A. Lindsey, R. Pelaez, R. Bueno, G. Bumstead, T. Sullivan, T. Pardue, T. Patikas, H. Peffen, R. Black, S. Rollins, R. Henderson, J. Jenkins, J. Thompson, H. Walker, D. Muddiman, J. Brown, R. Hendrick, Coach Regen; Back row: Coach Owen, R. Reed, B. Fitzpatrick, B. Fuson, B. Mangrum, M. Wills, J. Owen, S. Stroman, N. Sieveking, T. Masten, T. Spence, F. Jenkins, D. Smith, C. Fridrich, R. Harwell, Coach Eliott

The varsity football team, hoping to improve from last year's 7-4 season, began to practice on August 9. Battling the heat and humidity, the team went through two-a-days with a determined attitude. After two disappointing pre-season scrimages, the Big Red came back with a solid performance against midstate power Dickson County in the jamboree at Vanderbilt.

The regular season started on September 7 against Springfield. David Muddiman connected on a 27 yard kick to give MBA its first score. Talbot Masten plunged in from the one yard line to make the score 10-0. Harry Peffen's 13 yard run, seconds before the end of the first half made the score 16-0. In the second half, the defense took charge. The defensive effort, led by Robert Black, was highlighted by an incredible goal line stand in which Robin Henderson recovered a fumble. Muddiman sealed the victory with a 34 yard field goal late in the fourth quarter, making the final score 19-0.

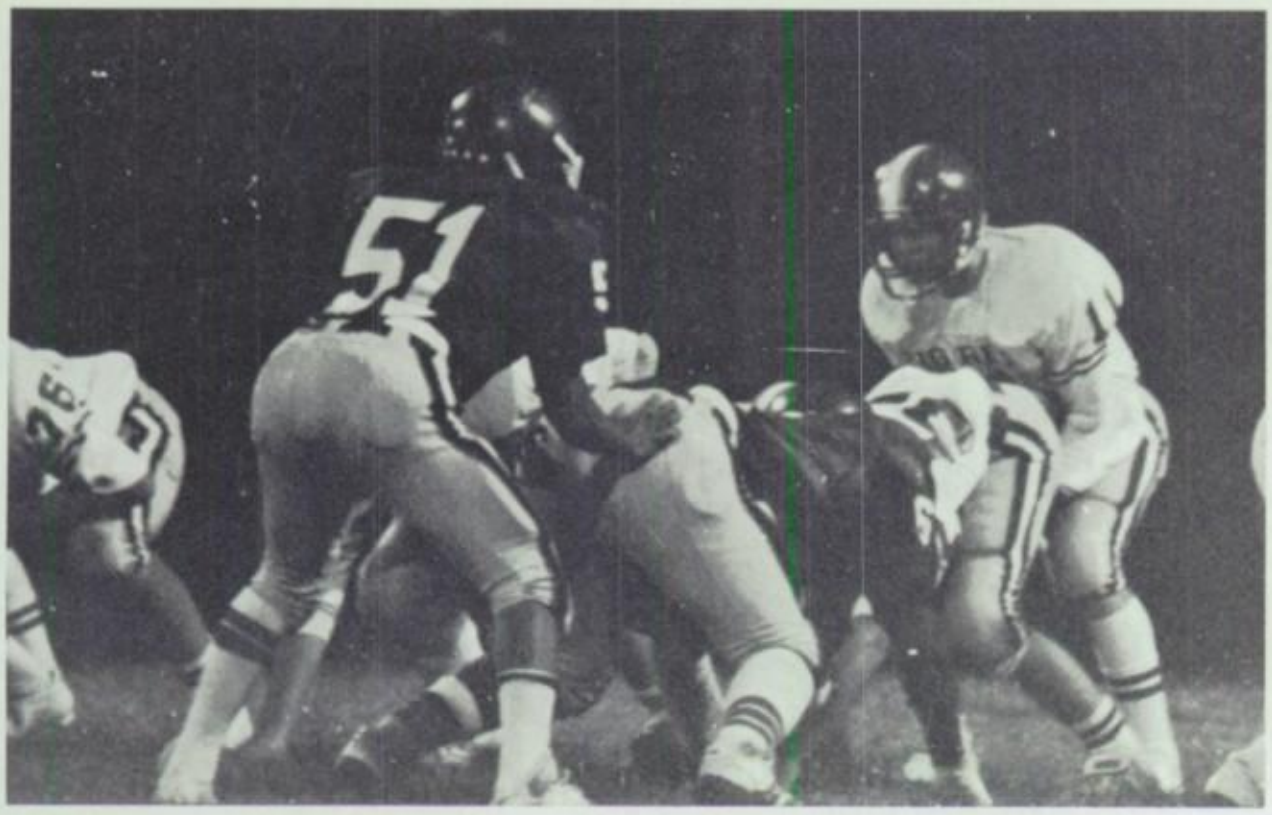
Patikas controls the line.

Peffen becomes attached to opponent.

In the second game, the Big Red lost a heart breaker to Overton 17-10 in overtime. Too many costly errors thwarted MBA's effort. MBA scored first on a 30 yard field goal set up by Robby Bueno's sack and Steve Rollin's fumble recovery. Overton responded with a touchdown to make the score 7-3. MBA regained the lead on a one yard run nine seconds before halftime to make the score 10-7. Overton tied the score 10-10 on a third quarter field goal. during overtime, Overton got the ball first and scored on its first possession. MBA failed to score on its possession leaving the score 17-10.

MBA's Iron Curtain

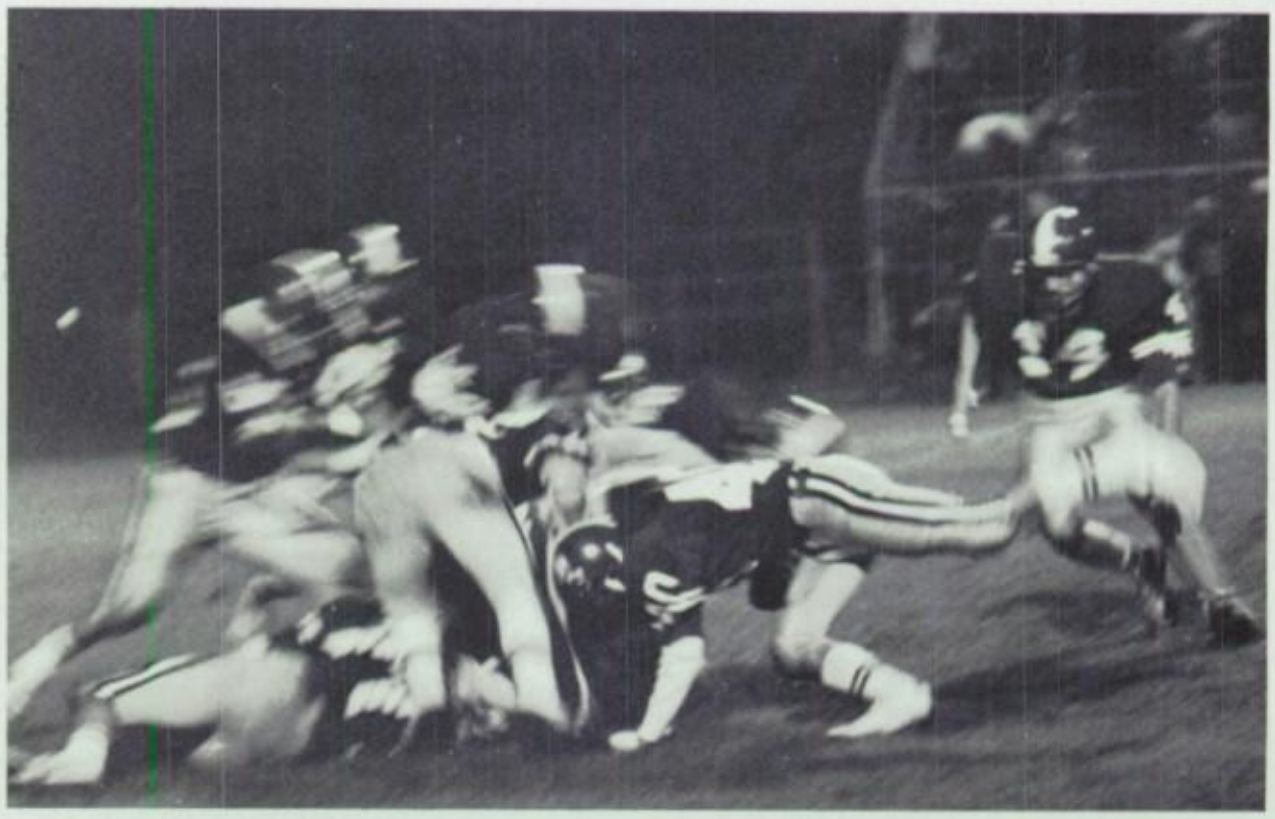
MBA rebounded from the Overton loss by soundly defeating Beech 28-0. Steve Rollins led the offense by rushing for 94 yards in only 7 carries. The offensive line consisting of Harwell, Mangrum, Bueno, Owen, and Hunt "donkey-tromped" Beech's defensive line as the Big Red rolled up 16 first downs and 301 total offensive yards. In the first half, Talbot Masten scored a 24 yard run, and Robin Henderson caught another 12 yard pass from Patikas for another score. Rollins scored MBA's first possession in the second half with a 52 yard gallop, David Muddiman booted a 35 yard field goal, and Dave Malone ran for a 15 yard touchdown to complete the scoring. The staunch defense held the Beech offense to 3 total offense and -14 yards rushing. For its effort, the Big Red defense was named on the AP honorable mention list.



MBA was shocked the following week by an upset minded Hillwood team. An inability to score from inside the 20 yard line and too many costly turnovers prevented a victory. David Muddiman's 22 yard field goal provided the only scoring as MBA lost 7-3.

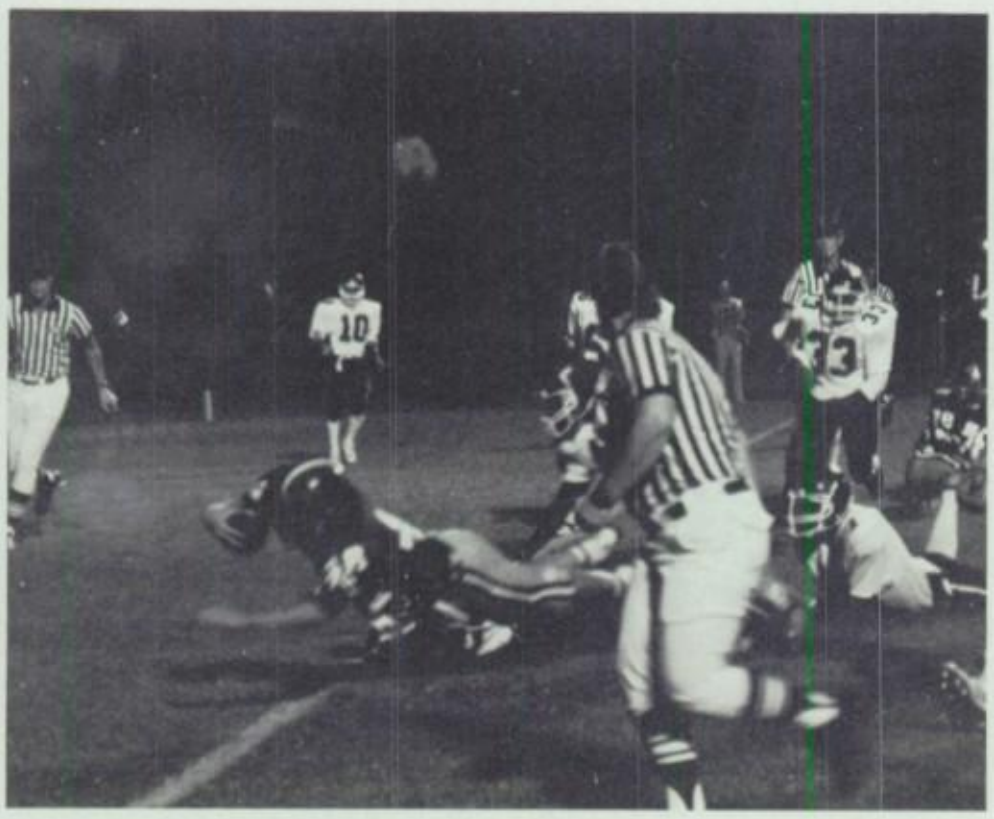
One, Two, Three, Push!

The Big Red travelled to Smyrna for its next game. Smyrna scored first by capitalizing on an opening kickoff fumble, but MBA came back with a four yard run by Steve Rollins to tie the score at 7-7. A third quarter field goal was the winning margin as MBA gained its third victory over a tough Smyrna team.



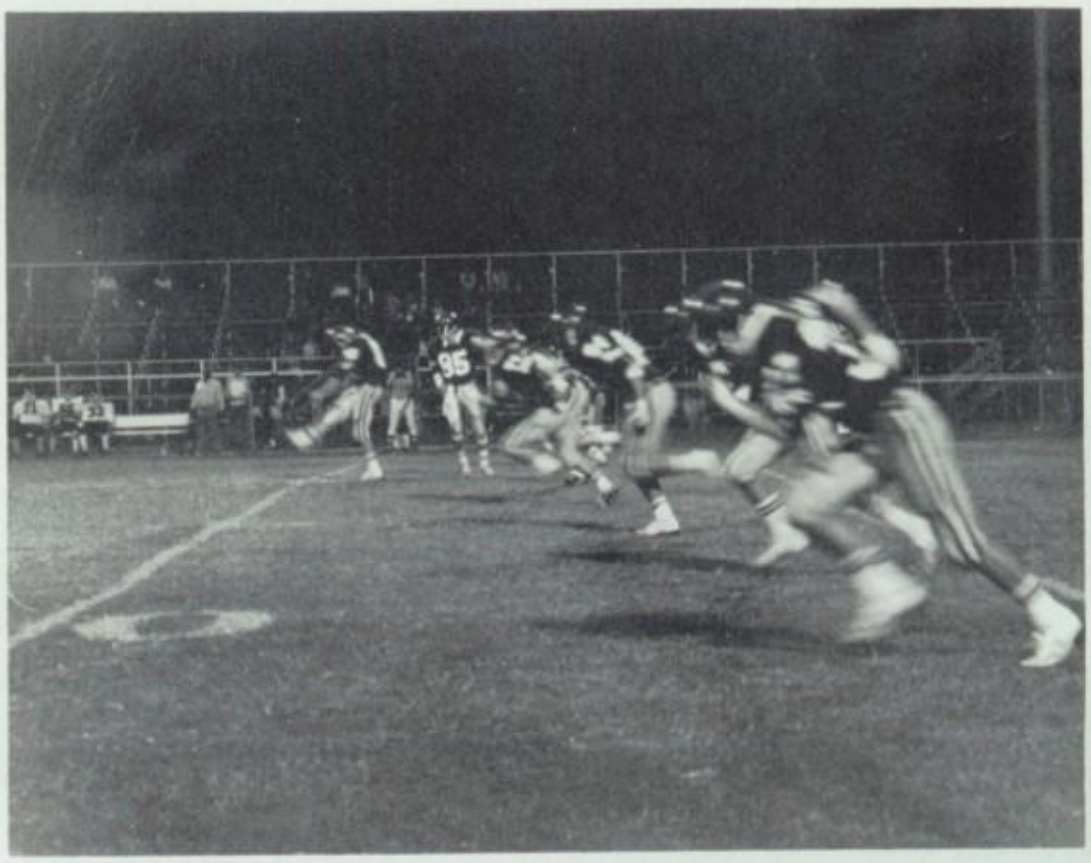
See, Mr. Drake, even the football team has a flesh pile every once in a while.

Touchdown!



Steve Rollins led an offensive onslaught as MBA demolished Pearl-Cohn 42-0 to please the large Homecoming crowd. The stingy defense recorded its third shutout as they held the Fire Birds to just 4 first downs and 80 yards total offense. Rollins rushed for 97 yards and three touchdowns on runs of 8 yards, 1 yard, and 9 yards. Also scoring for the Big Red were John "Don" Griffith on a blocked punt return of 11 yards, Harry Peffen on a 25 yard pass from Patikas, and Jack Brown on a 19 yard pass from Tommy Frist. This win was MBA's first district victory and raised its record to 4-2.

Coach Owen picked up his 200th career win as the Big Red defeated Antioch 21-7. The defense led by Robert Black and Robin Henderson forced five turnovers. MBA scored first as Takis Patikas plunged in from the one yard line. Rob Harwell, showing speed never before seen by a lineman, scored MBA's second touchdown as he rambled 28 yards with a fumble. Capitalizing on another Antioch turnover, MBA scored moments before the half on a 15 yard pass from Patikas to Peffen. Antioch scored in the fourth quarter, but key interceptions by Henderson and Malone preserved the Big Red victory.



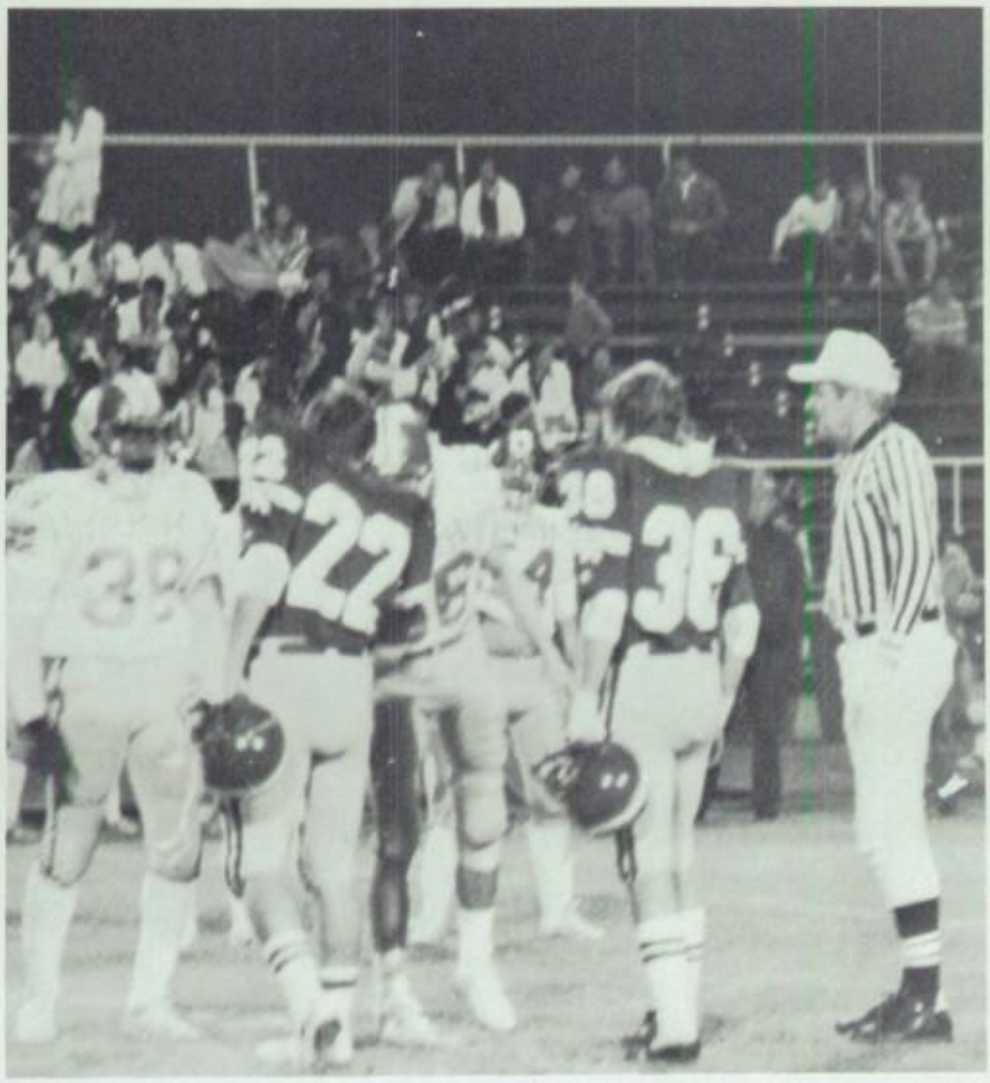
"Robin, how come everyone is running except you?"

"Dave, could you wait just a second."

After a warm welcome to the Hillsboro field, MBA proceeded to roll over the Burros 28-6. MBA conducted two impressive drives in the first half with David Muddiman kicking a 27 yard field goal and Steve Rollins scoring from one yard out. MBA scored again in the first half as Patikas ran in from the five to make the score 16-0. Harry Peffen scored in the third quarter on a 6 yard run, and a 44 yard pass from Patikas to Fridrich completed the scoring. The Big Red became bowl eligible as they raised their record to 6-2.

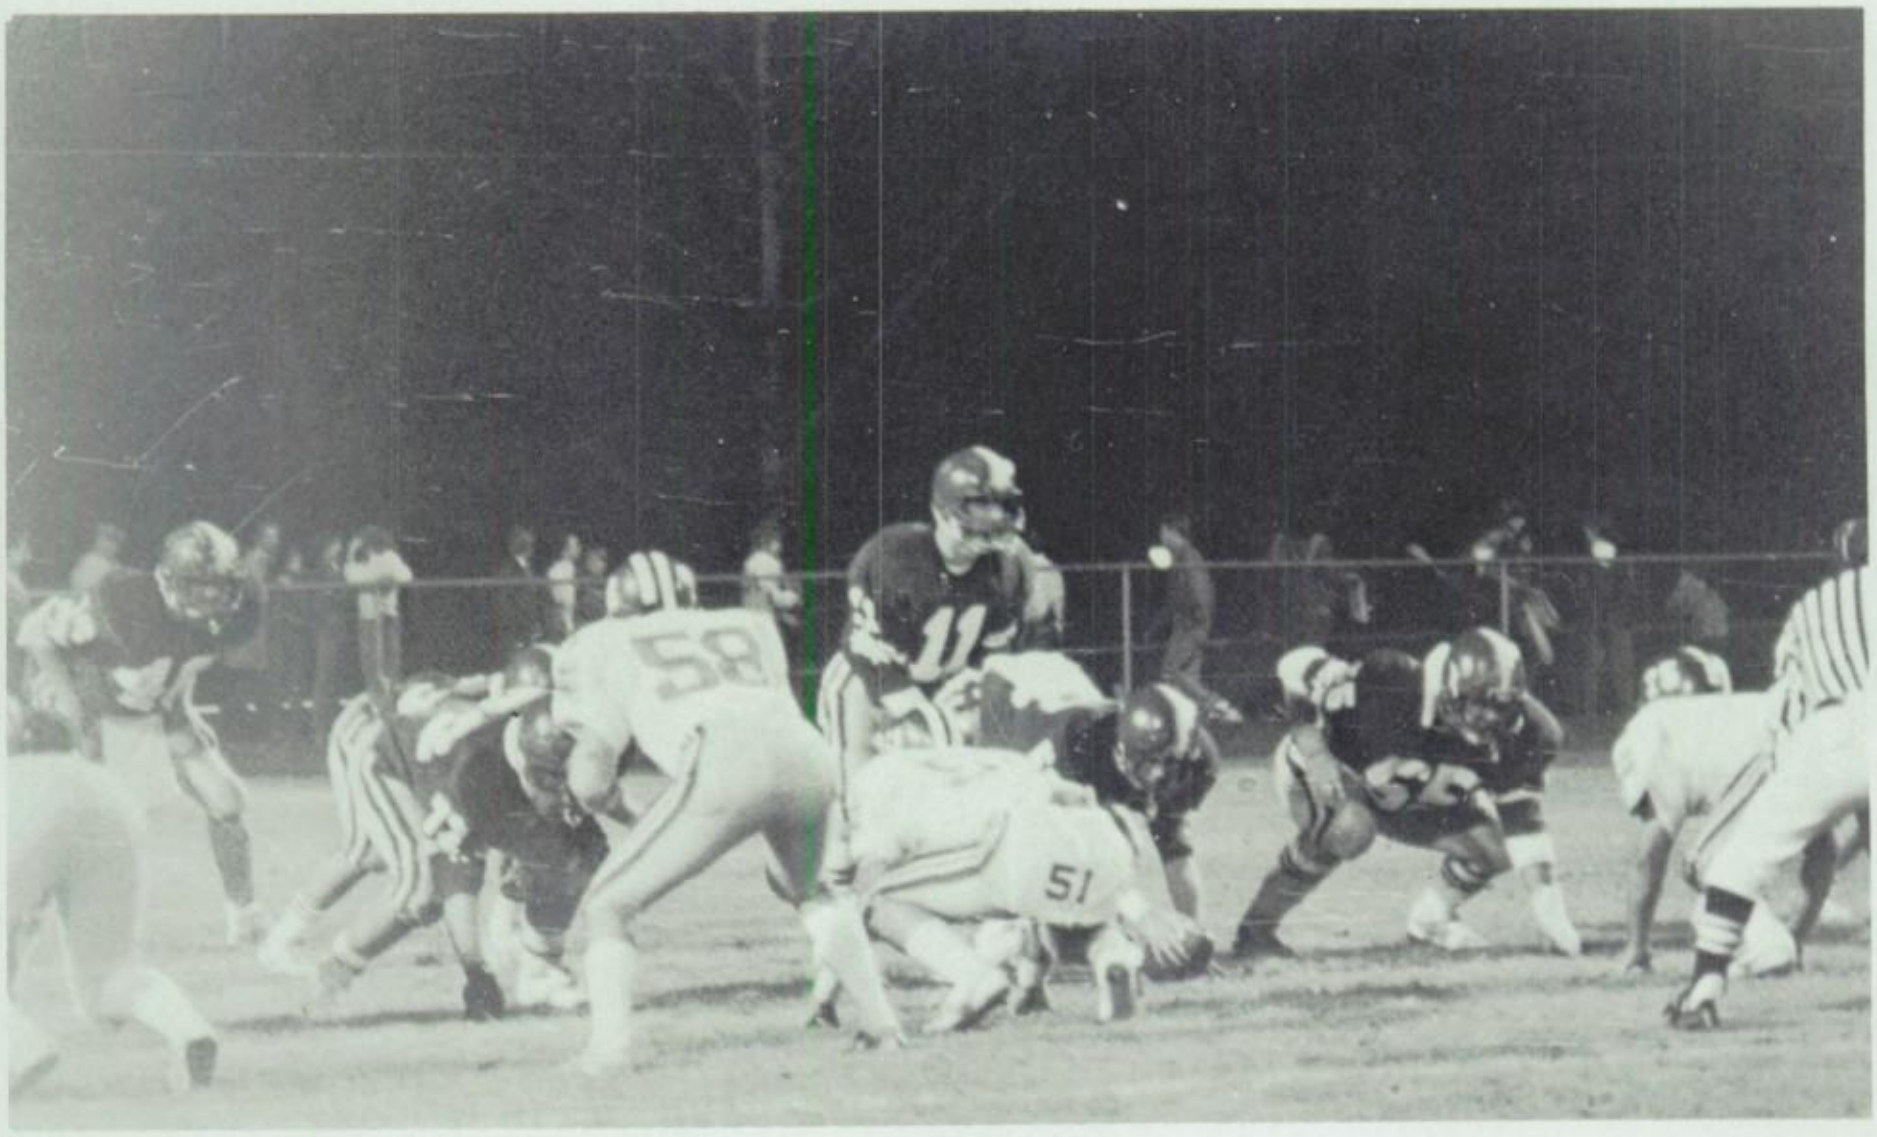
"Where are my blockers?"

MBA returned home to whip Glencliff 37-10 in a very impressive game. The defense shut down a very potent Glencliff offense. The offensive and defensive lines physically dominated the Colts. Steve Rollins finally passed the 100 yard mark as he rushed for 102 yards and two consecutive touchdowns. Robin Henderson scored next as he dazzled the crowd, the opposing team, his teammates, and coaches on a 65 yard punt return. After the game, MBA, with a 7-2 record accepted a bid to the Pioneer Bowl in Columbia against Columbia.



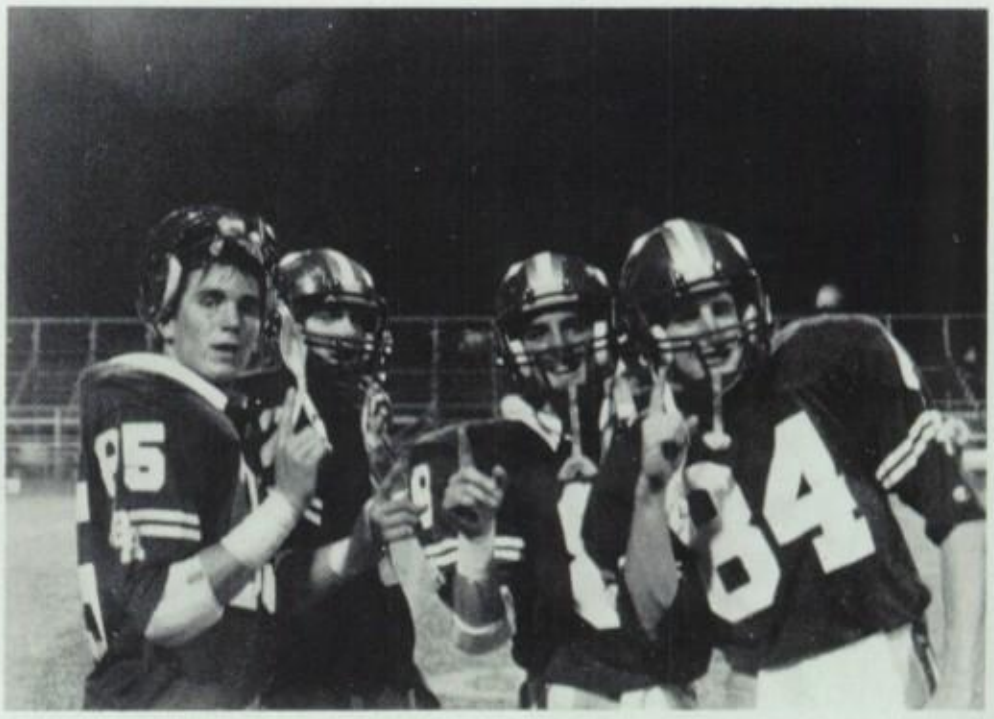
"It's our turn this year, guys."

In their final regular season game, the Big Red defeated Father Ryan 7-0. The emotional victory was MBA's first over the Irish rival since 1979. Talbot Masten provided the game's only score as he ran over one tackler and out ran the rest of the Irish defense on a spectacular 55 yard gallop. The defenses then took over as both teams exchanged futile drives in an attempt to score. With this victory, MBA completed a very successful regular season, finishing 8-2 overall and 5-2 in the district.

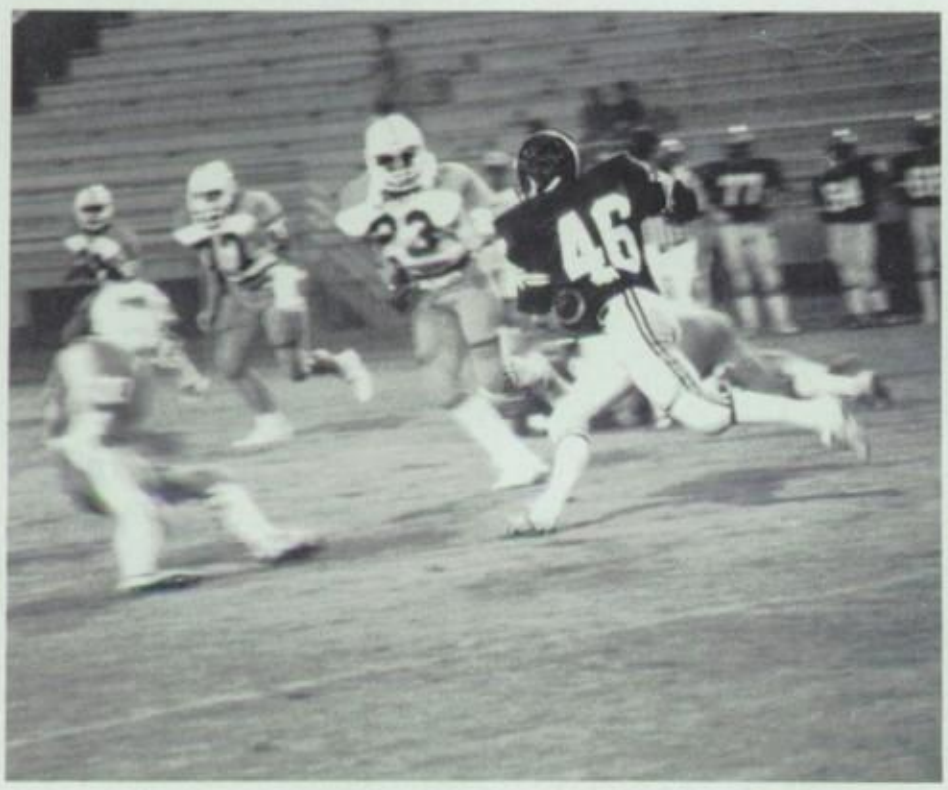


Pioneer Bowl

The MBA varsity football team compiled a very successful season with a victory over Columbia in the Pioneer Bowl 21-9. It was the second straight bowl appearance for MBA, who had played in the Butter Bowl last year. Coach Owen felt that the team had an outstanding season and even felt that the team was probably the best in the Nashville by the end of the season, winning its last seven games. Offensively, Coach Regen felt the team played well scoring a year total of 226 points in eleven games, but it was still inconsistent at times. Defensively, the team allowed only 48 points from the line of scrimmage with 7 coming in overtime.



Senior leadership at its finest.



The Rollins Express

In the Pioneer Bowl, the Big Red had to battle not only the Columbia Lions but also the harsh weather. A driving rain continued throughout the game, and an icy Arctic wind cut through the November sky. The dark forboding clouds and mud covered earth predicted doom for the host Lions. The MBA offense conducted two impressive drives despite the weather, while excellent punting by Harry Peffen and a stingy defense held the Columbia offense. The first score of the game came on a Columbia field goal with one second left in the first half. Under these conditions three points could have won the game, but the Big Red, determined to bring home a final victory, took control in the second half. MBA scored 21 points on touchdowns by Masten, Patikas, and Henderson, while the defense allowed no first downs. The impressive victory was a fitting end to a very fine season.

JV Football

Front row: D. Wood, J. Pickel, S. Marney, L. Vaughn, K. Russell, M. Kneeland, P. Lily, B. Cochran, S. Hooper, C. Trabue, B. Brothers; 2nd row: H. Meng, C. Brandon, R. Reed, R. Grover, H. Reynolds, F. Downey, C. Burch, J. Stroman, B. Whitson, R. Jones, T. Frist, T. Bottorff, C. Fly; 3rd row: J. Boone, T. Hamling, B. Fitzpatrick, J. Easter, T. Carney, Morgan Wills, P. Paris, C. Fridrich, J. Thompson, F. Jenkins, G. Bumstead, T. Spence, W. Meyer, Big Al

A strong defense was the key to success for a strong Junior Varsity football squad that ended the season with a record of 3-2. The team suffered the only true losses in hearbreakers against Hillwood and Brentwood.

In the first three games of the season, the JV outscored their opponents 38 to 6. In the first game of the season against Overton, the untested team walked away with a surprisingly easy 12-0 victory. In the game, Jimmy Pickel crushed the Bobkittens hopes of scoring with a tremendous solo tackle on the one yard line to stop an Overton drive. After conquering the Wildcats, the JV returned home to destroy our friends on Elliston Place 26-0. While the defense kept the Irish scoreless, the offense, led by Tommy Frist and Jay Stroman, erupted for four touchdowns. Next, the team suffered a stifling loss against Hillwood. After Hillwood scored a touchdown off a pass interception, the innovative offense, led by the wizardry of Coach Regen, fell short of a dramatic comeback victory when time ran out. In the next game, the JV physically dominated Hillsboro and came away with an enjoyable 7-6 win. In the last game of the season, the squad battled a powerful Brentwood team. The game was close, but the seniors on the Brentwood team proved too much for the Big Red underclassmen as they fell victims with a 15-16 loss.

Freshmen Football

Front row: B. Reese, D. Patikas, A. Bond, R. Speight, B. Napier, D. Frederiksen, T. Everett, P. Keeble; 2nd row: E. Bueno, E. Lambs, R. Archer, M. Mason, M. McNally, G. Gillett, D. Spickard, R. Barrett, M. Morrissey; Back row: T. Hayes, M. Smith, T. Vandever, K. Gilleland, P. Roberts, W. Harmer, B. Mikulak, T. Harwell, A. Rice, C. Baird, G. Smith

The freshman football team this past season, although made up of a mere twenty-six players, compiled a perfect 7-0 record giving them a long awaited district title and a city championship. These young men, popularly known as the "Junk Yard Dogs" hit the gridiron on September 20 for the beginning of their quest for excellence. Their opponent was Apollo and the time was 4:00. When the final buzzer went off, the score was 25-0 in favor of the Dogs. This victory was accomplished by Brad Reese's superb passing and Marc Smith's and Patrick Robert's outstanding running. Then the Dogs took on the Bobcats from Overton and once again came away victorious by the score of 28-6 Patriots. Backed by the scoring of Marc Smith, Mike Morrissey, Demetri Patikas, and David Spickard, the Dogs dogged the Patriots 35-0. Facing their first real game, the team proved that they were up to the test by demolishing the Hillsboro Burros by the score of 21-6. The Dogs then traveled to Hillwood. Thanks to Marc Smith's three touchdowns and Trey Everett's fumble recovery in the end zone, the team slipped and slid to a 28-6 victory on a rainy Wednesday afternoon. The MBA Frosh then faced their biggest challenge of the year. They traveled to Glencliff in a game for the district title. Marc Smith's early score and the Big Red defensive stand on fourth down late in the game helped the Dogs to a 15-6 victory and the first district title for an MBA freshman football team in 20 years. Not being able to play in a post-season bowl game because of a Metro ruling, the Dogs, with extra incentive, took on the Irish from Elliston Place in their last game of the season. Opening up the scoring attack quickly, MBA thrashed Father Ryan 42-13. The Dogs overall outscored their opponents 194-31. With the great coaching of Mr. Williams, Mr. Compton, and Mr. Bill Smith, the 1985 team became the best freshman team since 1965, and they are sure to make a great contribution to the varsity program in the next three years.

Microbe Football

K. Kimery, G. Clements, S. Elder, D. Trainer, C. Tapia, M. Ross, C. Cigarran, C. Perry, C. Shea; 2nd row: H. Bodine, D. Robison, J. Gilliland, S. Townery, W. Shuff, M. LaVigne, S. Anderson, H. Jones, A. Graves, J. Rice, M. Davis; 3rd row: B. Hannon, D. Donelson, B. Lyle, J. Moore, A. Patterson, B. Crawford, B. Bradshaw, C. Calton, S. Griffin, C. Hall; 4th row: C. Treadway, F. Conner, A. Brown, K. Fitzpatrick, J. Smithwick, B. Healy, P. Lentz, R. Nimmo, J. Cheek, J. Kahlon, B. Griffin.

The 1984 Microbe Football Team entered this year's season without any expectation of having a successful season. With seemingly no talent and no guts, they were expected to be 0-7. But with some talent and a lot of guts, this young team, consisting of 56 dedicated players, finished the 1984 campaign with flying colors and a 4-3 record. First-year head coach Ricky Bowers, along with coaches Gaither, Forrester, Herring, and Killian, worked the squad rigorously, and it paid off. In Coach Bowers' debut, the Little Red's balanced offense led the way in a 22-8 victory over Ezell-Harding. But the next week, arch-rival Ensworth came to MBA and upset the Microbes 14-6. The Little Red fought back from being down 14-0 instead of giving up. Only to have a late rally, highlighted by two bombs by QB Drew Robison and a 12-yard TD pass to fleet footed 7th grader George Clements, fall short. The Microbes won their next contest, over the huge Page Patriots, 14-8. MBA then downed Nashville Christian 14-0, with the defense having a great day. Northside was next, and the Microbes were truly intimidated in a 24-0 loss. The next week, though, the Little Red bounced back and edged BGA 8-6. In the season finale, the Microbes marched all over the field against Goodpasture, but could only muster 1 TD. The defense held the Cougars in check the entire game, the only score coming on a 60-yard punt return. The game ended in a hard-fought, 8-6 loss.

Varsity Cross Country

This past summer in the blistering August heat, the 1984 MBA Cross Country team assembled with high hopes for the coming season. Head coach Robert Pruitt, trying to better his first season's accomplishments, put the runners through original workouts so they might have a successful campaign. This year's squad, led by senior co-captains "Bobby" Alley and "Wally" Smithwick, along with fellow senior Pat Rau, Juniors Pat Bowers and Trey Kelly, "Idiot Sophomores"; Jimmy Zibas, Andy Davis, and Jonathan Cole, and Frosh Wonderchildren, Steve Zibas, Jay Knowles, and Bill Penuel looked to be equally as good as last year's Regional Champs.

Davis shows he is not all mouth.

Sitting: R. Fakhruddin, D. Henry, J. Knowles, S. Zibas, B. Penuel, J. Ryu, R. Rollins; Kneeling: J. Gardner, D. Rumsey, J. Zibas, A. Davis, J. Cole, T. Humphreys, W. Lin; Standing: T. Scales, M. Seshul, P. Rau, W. Smithwick, P. Bowers, R. Alley, J. Armistead, S. Pearson

Zibas leading the pack.

Alley sprints down the straightaway in the AF Bridges.

"How can I get rid of this freshman?"

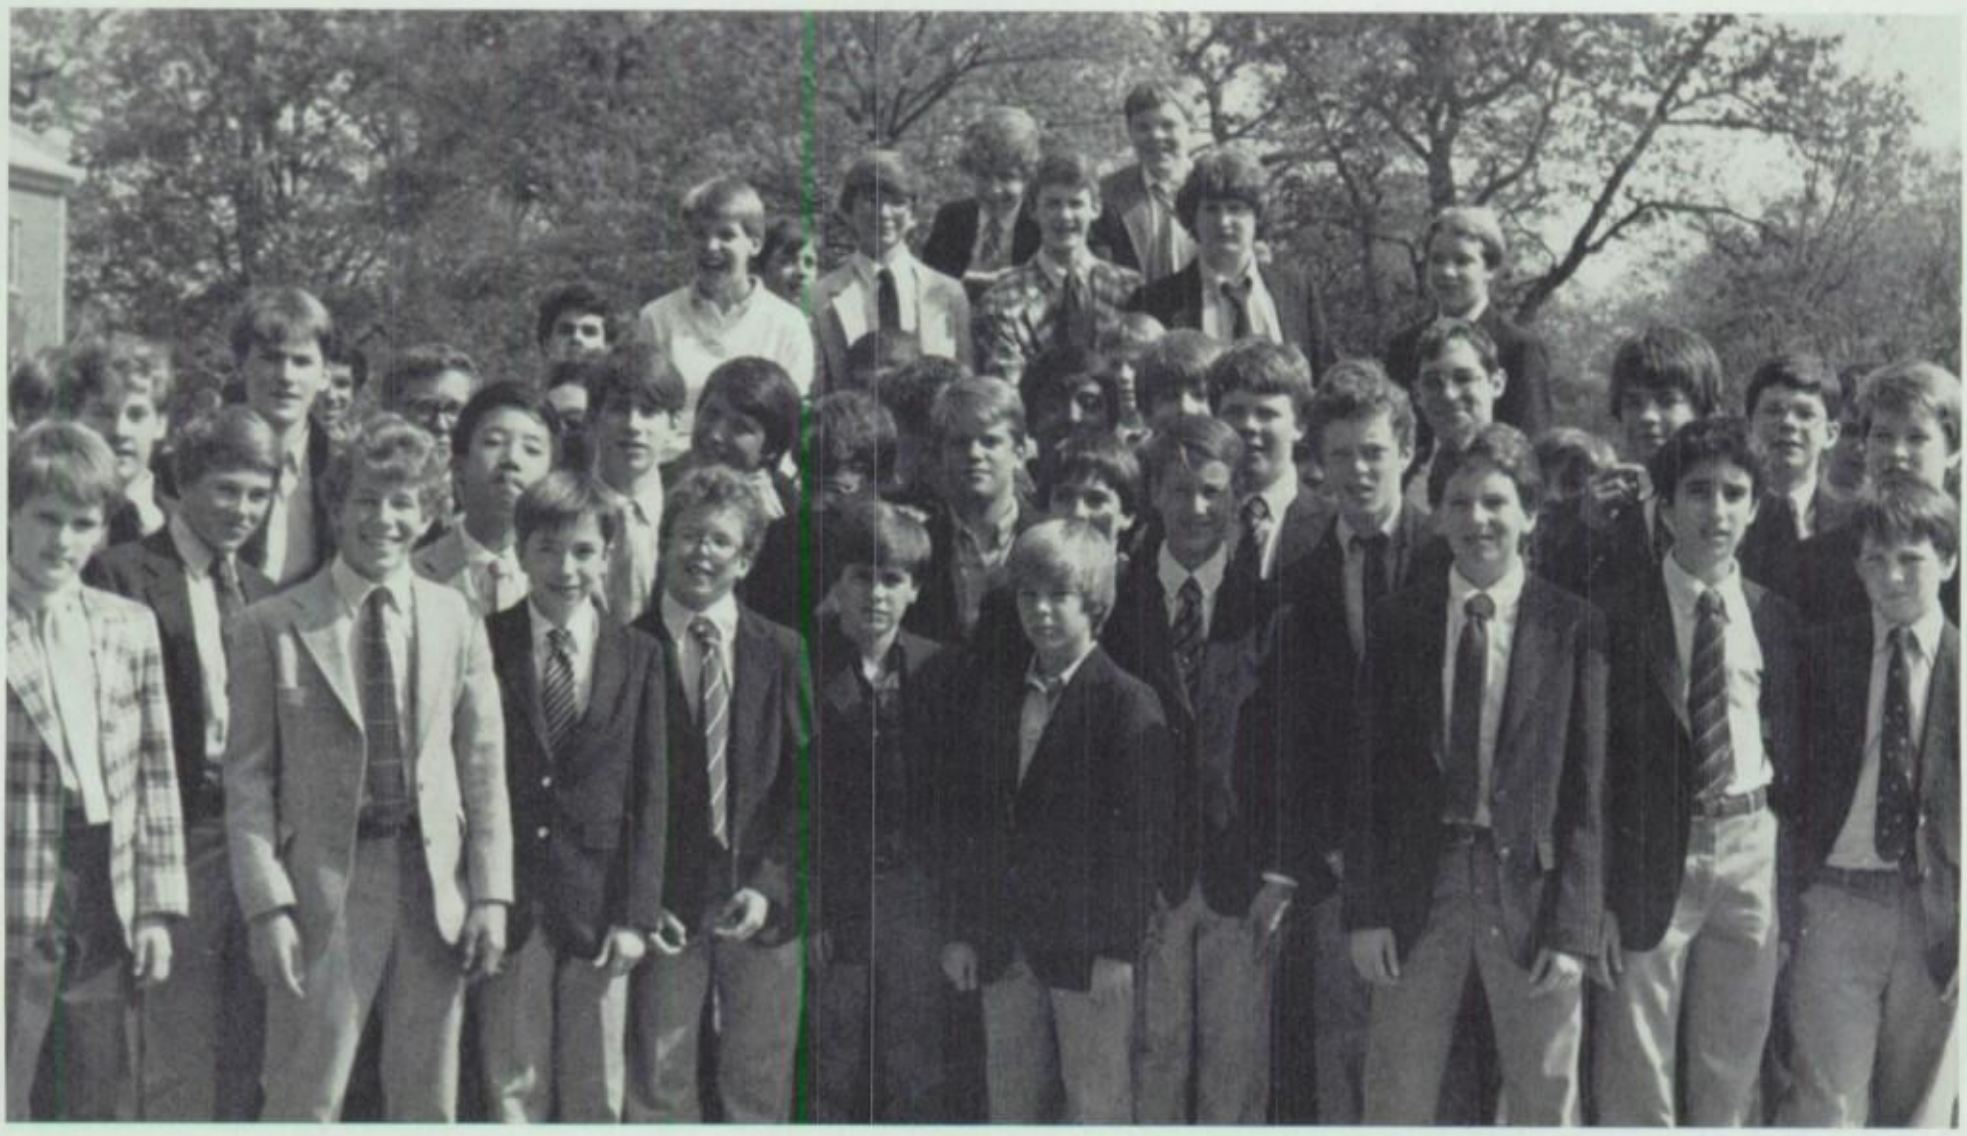
When asked early in the year how good this team might be, Coach Pruitt responded, "If our munchkins mature . . . we'll be better than last year." And mature they did. In our early dual meets against Franklin and Overton, Steve Zibas proved himself to be one of the area's top runners. Against Franklin and Overton he consecutively got lost while out on the course, but he still finished first in the meet with a time of 16:36, a great time for so early in the season. The Zibi, Steve and Jimmy, led the Big Red all through the year, with Andy Davis, Rob Alley, Walter Smithwick and Jonathan Cole and with either Pat Bowers, Trey Kelley, Bill Penuel or Jay Knowles usually rounding out the top seven. For the third year in a row the Big Red compiled another perfect record of not losing any dual or triangular meets, NIL or otherwise. The team also finished seventh in both the A.F. Brigdes Invitational, one of the most prestigious meets around, and the Antioch Invitational, the premier meet for Tennessee pre-season competition.

In the regional meet, the team, led by Steve Zibas' individual first place finish, finished first. The following week, in the State meet, The Big Red finished a disappointing twelfth, equalling last year's record. High points of the year were Steve Zibas' nineteenth place finish in the State meet with a new freshman record time of 15:41; swimming at Dickson County; continually asserting our superior ability, intelligence, and good looks in defeating Father Ryan; and yet another victory in the Weenie Bowl. In all, the season was very successful. Steve, Jimmy, and Rob were all named to the first team all-NIL squad, while Walter and Andy (Big Dave) made the second team, and Trey Kelly was honorable mention. We all eagerly look forward to next year when the Big Red Harriers promise to be even better than this year.

"Real funny, Mr. Pruitt, that WAS the Varsity race."

MBA Captain mocks opponents' colored shoes

Microbe Cross Country



1st Row: M. Purcell, L. Berman, K. Kruse, D. Lott, C. Houghland, B. Garth, A. Reid, G. Stein, J. Lamb; 2nd Row: R. Hulbert, T. Hamilton, D. Strayhorn, J. Gilleland, B. Daniell, S. Yates, D. Neff, S. Galloway, J. Haynes, T. Williams, C. Handte, J. Joe, R. Arendale; 3rd Row: C. McNabb, S. Lewis, J. Ferguson, A. Coulam, A. Finn, J. Binkley, L. Hyde, J. Joyner, M. Page, C. Shea, J. Reeve; 4th Row (back): P. Foster, W. Jeffords, J. Hays, W. Johnson, F. Potanin, K. King, O. Sloan, T. Lance, J. Nameth

On September 13, the 1984 Microbe Cross Country Team started what was to be a fair and enjoyable season. Led by the enthusiasm of Mr. Novak and Dr. Ward, the large Microbe Cross Country Team squad of 52 boys finished 4th in the HVAC in a heartbreaking upset to BGA whom they had defeated regularly along with FRA and Brentwood. Some outstanding runners for the "Little Red" were Lanson Hyde, who never placed below third in a meet, Jay Binkley, Brian Stephenson, and John Hayes. Prospects for next year appear bright with such runners as Arthur Reid and Richard Arendale returning. Despite a season slightly below par, the Microbe Cross Country Team participated in an enjoyable and enthusiastic year and look forward to next year.

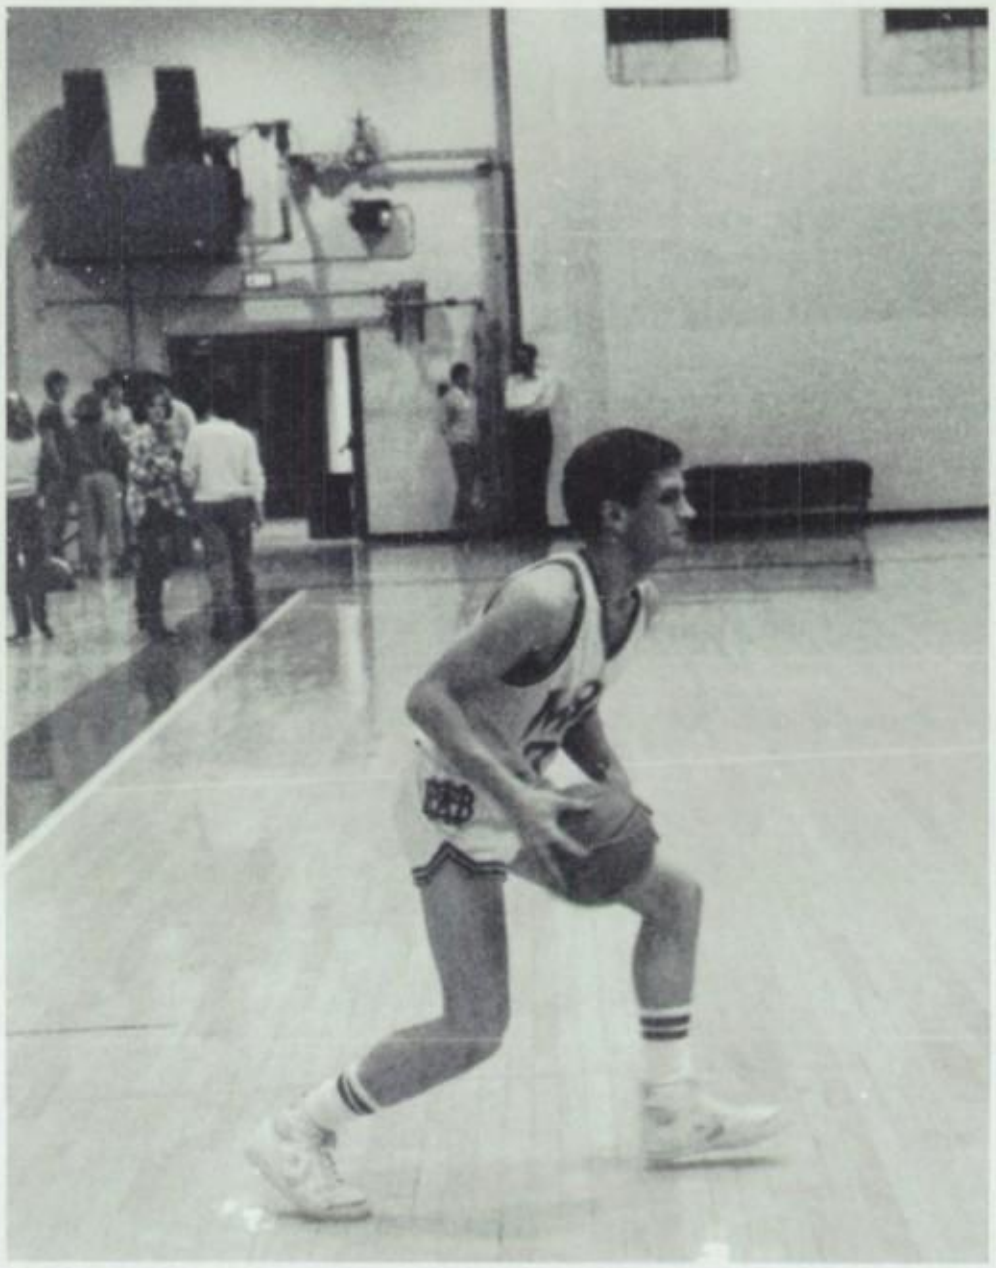
Varsity Basketball

Back row: D. Malone, C. Fridrich, B. Fuson, P. Paris, R. Henderson, T. Pardue Front row: H. Trost, P. Richards, J. Schmitt, J. Owen, C. Mayes

Prior to the 1984-85 basketball season, Nashville area coaches thought that MBA would have been the team to beat. With the tallest team in District II-AAA, expectations were growing on the Hill, but the Big Red soon realized that they had a tough season ahead of them as they lost their first six games. The first win came against Hillsboro at home. Jay Schmitt's 17 points paced the Big Red to a 62-56 victory.

Then came the Ryan Invitational Tournament and the Kingsport Tournament over Christmas break. The Varsity defeated Beech 63-53 behind Schmitt's 24 points and Paul Richards' 16 points. The team then fell to the Irish, 67-54, to take second place in the Ryan Tournament. Next, The Big Red rolled off to Kingsport Tn. to face Sullivan Central and Oak Ridge High School. Although they lost both games, the players had a good time and grew closer together as a team.

When school resumed in January, the Varsity faced an intense array of teams. There were three quick losses to Antioch, Pearl-Cohn, and Glencliff. Then came the March of Dimes Tournament at Vanderbilt's Memorial Gymnasium. The Big Red gave its best showing thus far as they finally fell to a tough BGA team 44-36. The Varsity then captured third place by beating Hillwood 62-48 behind Schmitt's 30 points. Coming into the final stretch the Big Red lost to Ryan, but they turned around and seized three straight wins. The first came as Schmitt scored 29 points to lead the team to a 77-64 victory past Overton. The next came as Charles Mayes hit a pair of free throws with seconds left to steal a 60-58 win over Pearl-Cohn. Mayes lead all scorers with 25. The third victory came as Schmitt poured in 30 points and Mayes added 15 in a second win over Hillsboro, 68-64.



Fridrich sets up the offense. (above).
MBA crashes the boards.(left)
Pardue and shadow drive the lane. (extreme left)
Trost challenges menacing opponent. (below)

It was almost the end of the regular season and the Big Red began to set its sights on the District Tournament, but they first had to wrap up the regular season against Glencliff, Antioch, and Hillwood. The team lost a second time to an eventual State Tournament team, and then returned to the Brownlee O'Curry Gymnasium for their final home game and the seniors last time to play on the Hill. The Big Red played expertly as they smashed Antioch 83-70, with Schmitt leading all scores with 31 points. Paul Richards, Robin Henderson, and Henry Trost showed their senior leadership as they contributed 14, 8, and 4 respectively. The final game of the season was a disappointing double-overtime upset win by Hillwood over the Varsity, 68-64, despite a 32 point effort by Schmitt.

Because of the Big Red's 6-8 district standing, they had to face Hillwood again for the first round of the District Tournament. The high hopes to return to the Regional Tournament abruptly died as the team fell to an overpowering Hillwood team 75-56.

Throughout the disappointing 7-17 season, individual leaders for the Big Red were Jay Schmitt (19 ppg., 14 reb.), Charles Mayes (13 ppg., 8 reb.), and Paul Richards (8 ppg., 5 reb.) for the forwards and centers while Robin Henderson, Dave Malone, and Todd Pardue lead the guards.

Richards on the line. (extreme above right)
"Are you sure that clock isn't slow?" (above right)

JV Basketball

Back row: T. Hamling, R. Fakhruddin, S. Hooper, M. Inman, D. Kipp, S. Stroman. Front row: T. Humphreys, T. Wallace, T. Harwell, P. Lentz, B. Whitson, M. McAdams

The Junior Varsity basketball team, under the direction of second year head coach Jim Bostick, ended its '84-'85 campaign with a 4-12 overall mark. This year's team was unique in that it was composed only of sophomores. Throughout the season, the Big Red's scoring attack was lead by Jay Stroman with a 13.1 point per game average, while Tim Hamling and Michael Inman emerged as chairmen of the board. Peter Paris, Bobby Whitson, and Steven Hooper were the floor generals, with Paul Lentz, Tom Harwell, and "Shed" Fakhruddin making strong showings off the bench.

This year's accomplishments included two thrashings of Hillsboro (64-55 and 69-56). The most impressive victory for the JV hoopsters occurred when the team defeated the Overton Bobcats, avenging an earlier loss of a very large margin. With each game, the players improved both individually and as a team, and there is much optimism in their future contribution to the varsity team.

Freshman Basketball

Front row: J. Isreal, M. Williams, R. Westermann; 2nd row: J. Harwell, J. McNight, E. Russell, D. Fletcher, A. Rice, M. McNally; Back row: D. Spickard, J. Teas, D. Head, M. Smith, P. Roberts, B. Reese, M. Morrissey

This year's Freshman Basketball Team will go down in the history books as the most successful one ever. The talented and willing group of 14 dedicated players won the coveted championship of the annual District 21-AAA Tournament after finishing the season top-ranked in the city and top-seeded in the tournament. The Frosh finished with a 7-1 district record and a 14-2 overall record against a powerful schedule. After a 1-1 start, the Big Red reeled off five straight wins over Hillwood, Brentwood High, McGavock, Hillsboro, and arch-rival Father Ryan. Then after a tough overtime loss to the Maplewood Panthers, the Frosh began another streak. This one a seven-game tear culminating with the District Crown. Close wins over Whites Creek, in which the Frosh overcame a thundering slam dunk by the Cobra center to win, and the East Eagles began the streak. The rest of the regular season streak included wins over Franklin Jr. High, Ryan (again) and Overton. The tournament then began. A 1st-round bye and a close, 28-24 2nd-round victory over Hillsboro, led by forward David Spickards 11 points, moved the Big Red into "The Final Four." This set up another battle with Whites Creek, seeded 4th. MBA played the role of giant-killers, beating the huge Cobras, again, 36-33. On February 14, a huge crowd gathered for the Finals at Hillwood, but challenger and 3rd-seeded Glencliff was never even close. MBA won the game 44-27 behind star performer Marc Smith's 17 points. Smith and Morrissey made the all-tournament squad, but the season and the tournament were definitely team efforts.

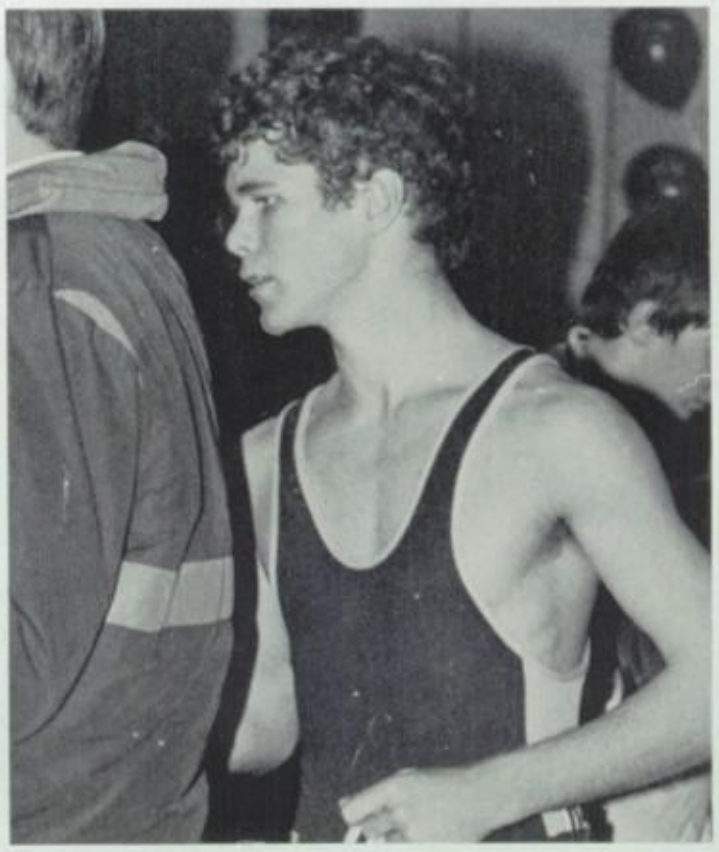
Microbe Basketball

Front row: F.Potanin, M. Ross, C. Perry, R. Arendale, C. Treadway, R. Hall, B. Daniell; 2nd row: J. Ferguson, H. Bodine, C. Calton, D. Robison, A. Coulam, F.Conner, T. Williams

The Microbe Basketball team endured a snowy season of cancelled games and few practices. Coaches Bennett and Morel worked these young atheletes as often as possible, but Mother Nature had a curious way of ruining plans. Eighth graders Chris Hall, John Smithwick, Chris Calton, Bo Healey, Charles Treadway, Harlie Bodine, and Drew Robison contributed all their talents and were backed up by numerous other scrapping roundballers. The team trudged through heavy snow to compete in its first contest against Goodpasture in a losing but awe-inspiring exposition of talent. The Microbes came up short once again against a tremendously talented Brentwood Academy squad but rallied their forces for an overtime victory over BGA by the score of 33-29.

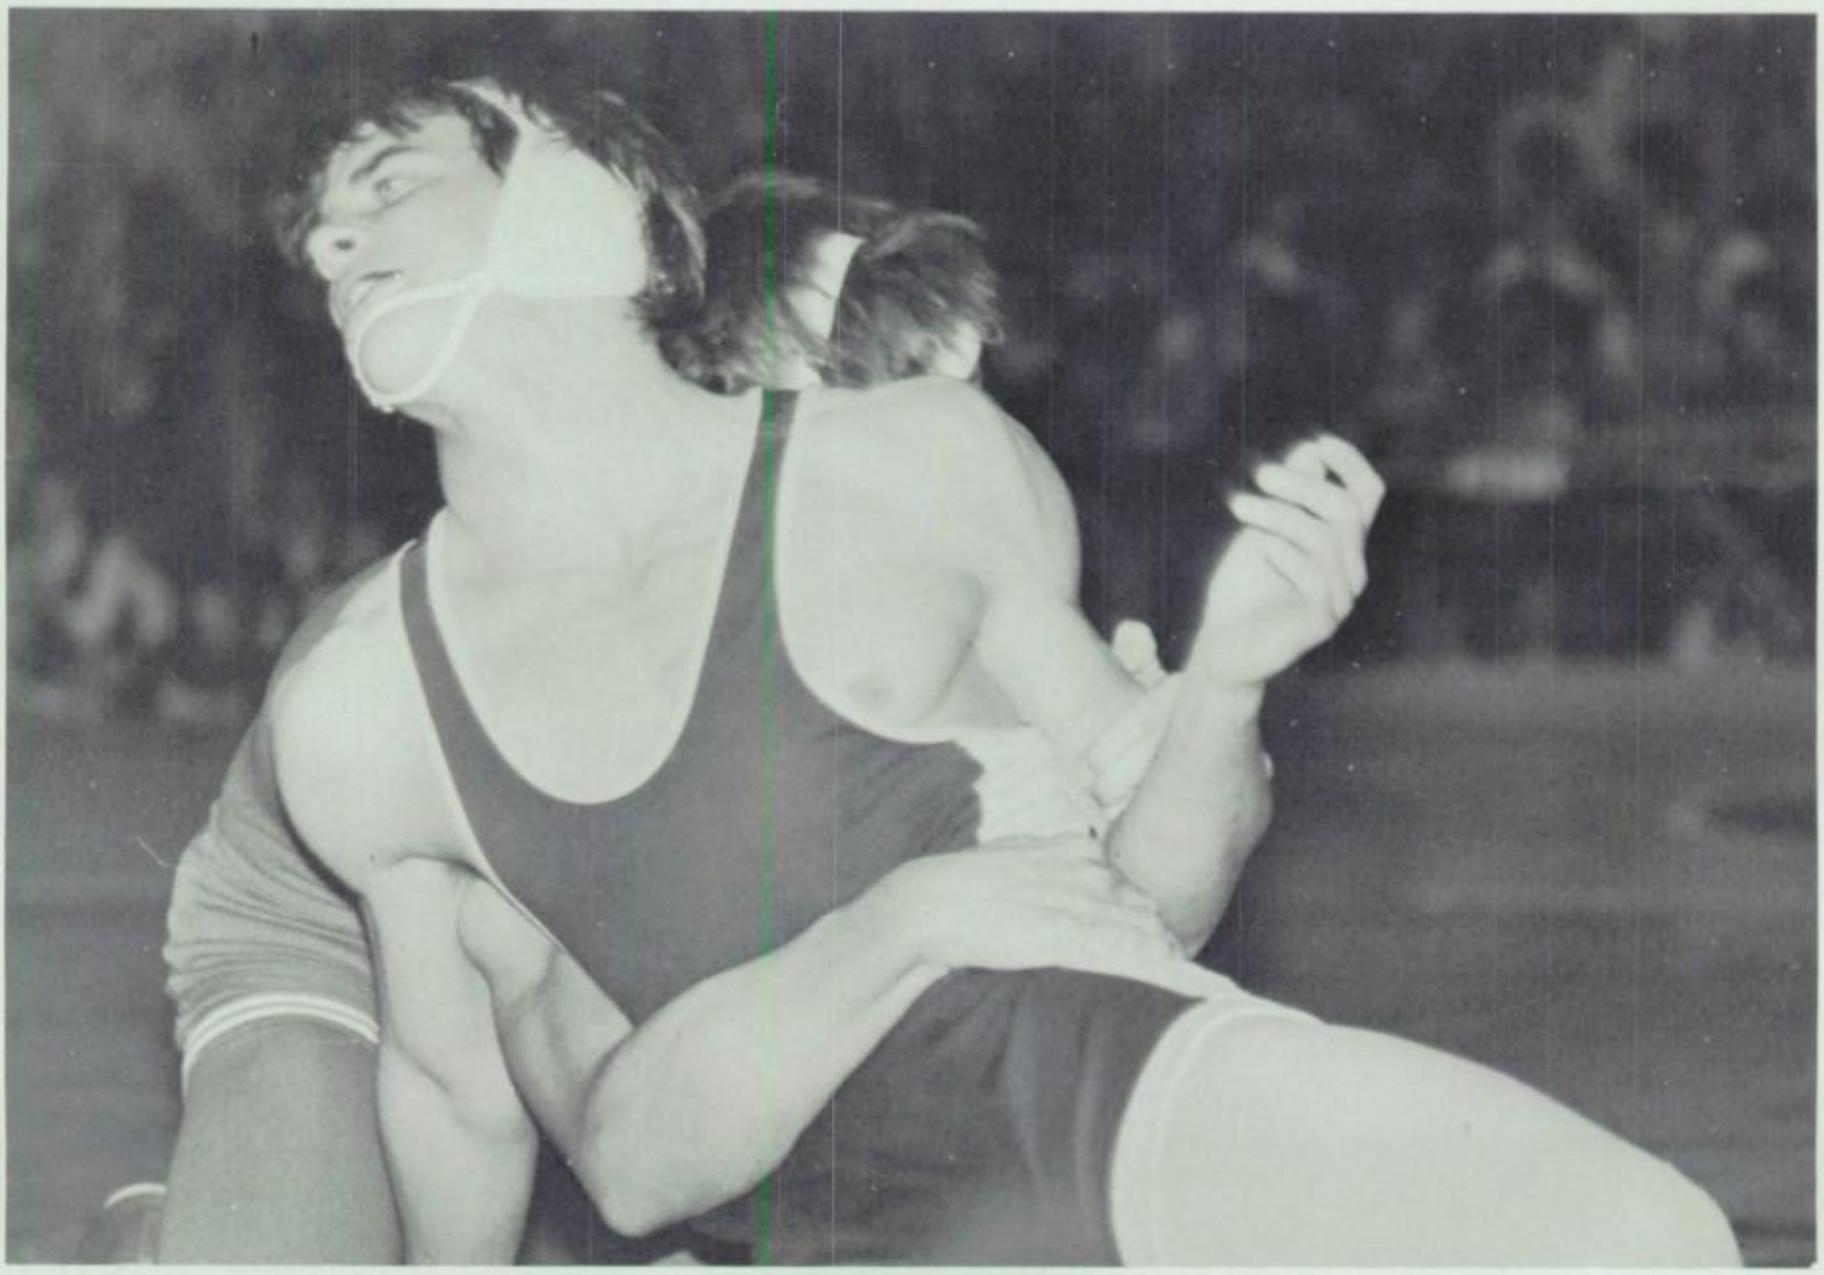
Varsity Wrestling

The 1984-85 wrestling season started off slowly, as usual, for MBA. The first match of the year was a loss to Hillwood High School. (Sorry, Coach.) More bad news came after two-time state champion Scott Garfinkel separated his shoulder, causing him to take to the sidelines until after Christmas. Even without Garfinkel, the matmen entered the BGA tournament as a possible contender for the team championship. Led by seniors Steve Rollins and Chris Smith, MBA finished third out of seventeen teams. In the 167 weight division, Steve Rollins won the first individual championship of his career, setting the tone for his incredible season. Smith wrestled outstandingly and placed second in the 138 weight class. Also placing for MBA were Jim (105) and Will (112) Campbell (4th), Walter Smithwick (119, 3rd), and Tommy Frist (who placed third at 145 in his first varsity wrestling tournament). MBA then went on to compete in the Overton Tournament. Once again, Rollins captured first place. Smithwick and Frist placed second; the Campbells, Smith, and Russ "I can't make weight" Brothers all placed third.



"Look, Coach, No blood!"

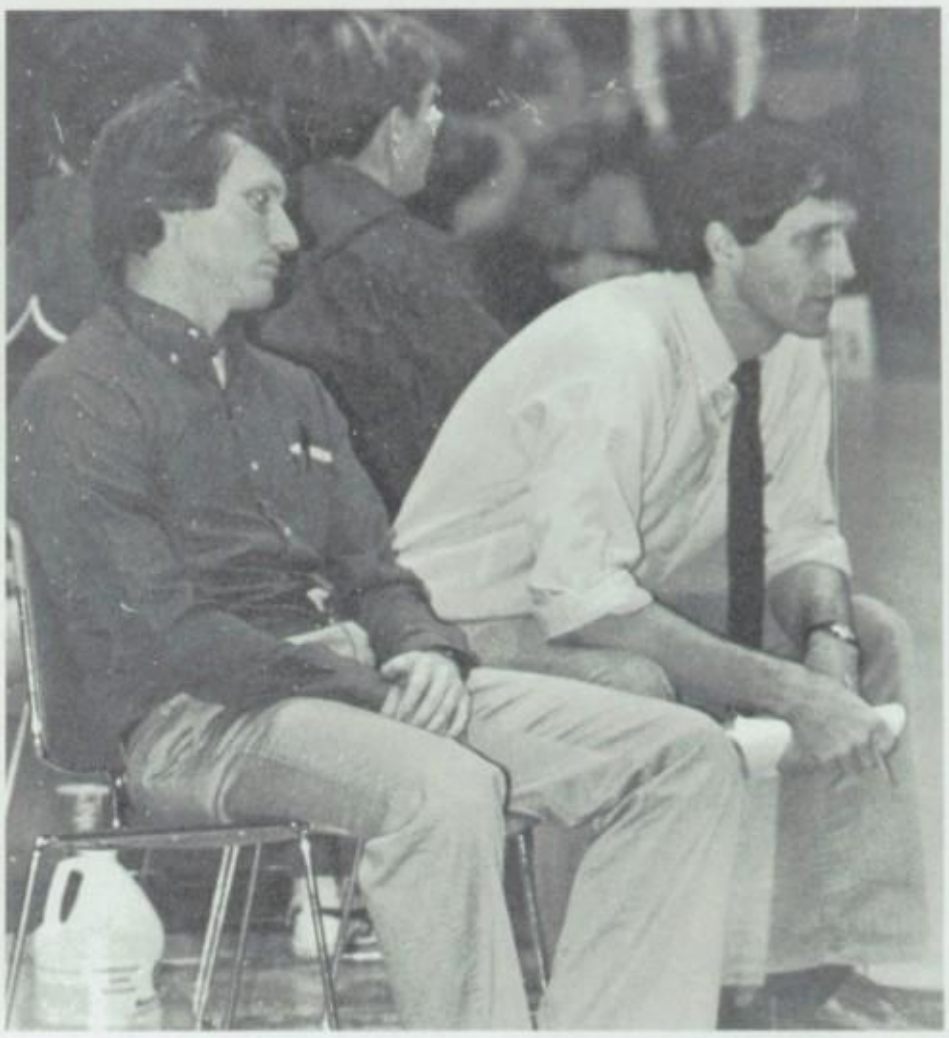
Front row: C. Enders, W. Campbell, S. Garfinkel, W. Smithwick, J. Campbell; 2nd row: R. Rollins, C. Smith, S. Saperstein, S. Rollins, J. Jenkins, T. Frist, P. Soper; 3rd row: J. Ryu, R. Brothers, S. Thompson, T. Carney, B. Cochran, J. Robbins, A. Rosen



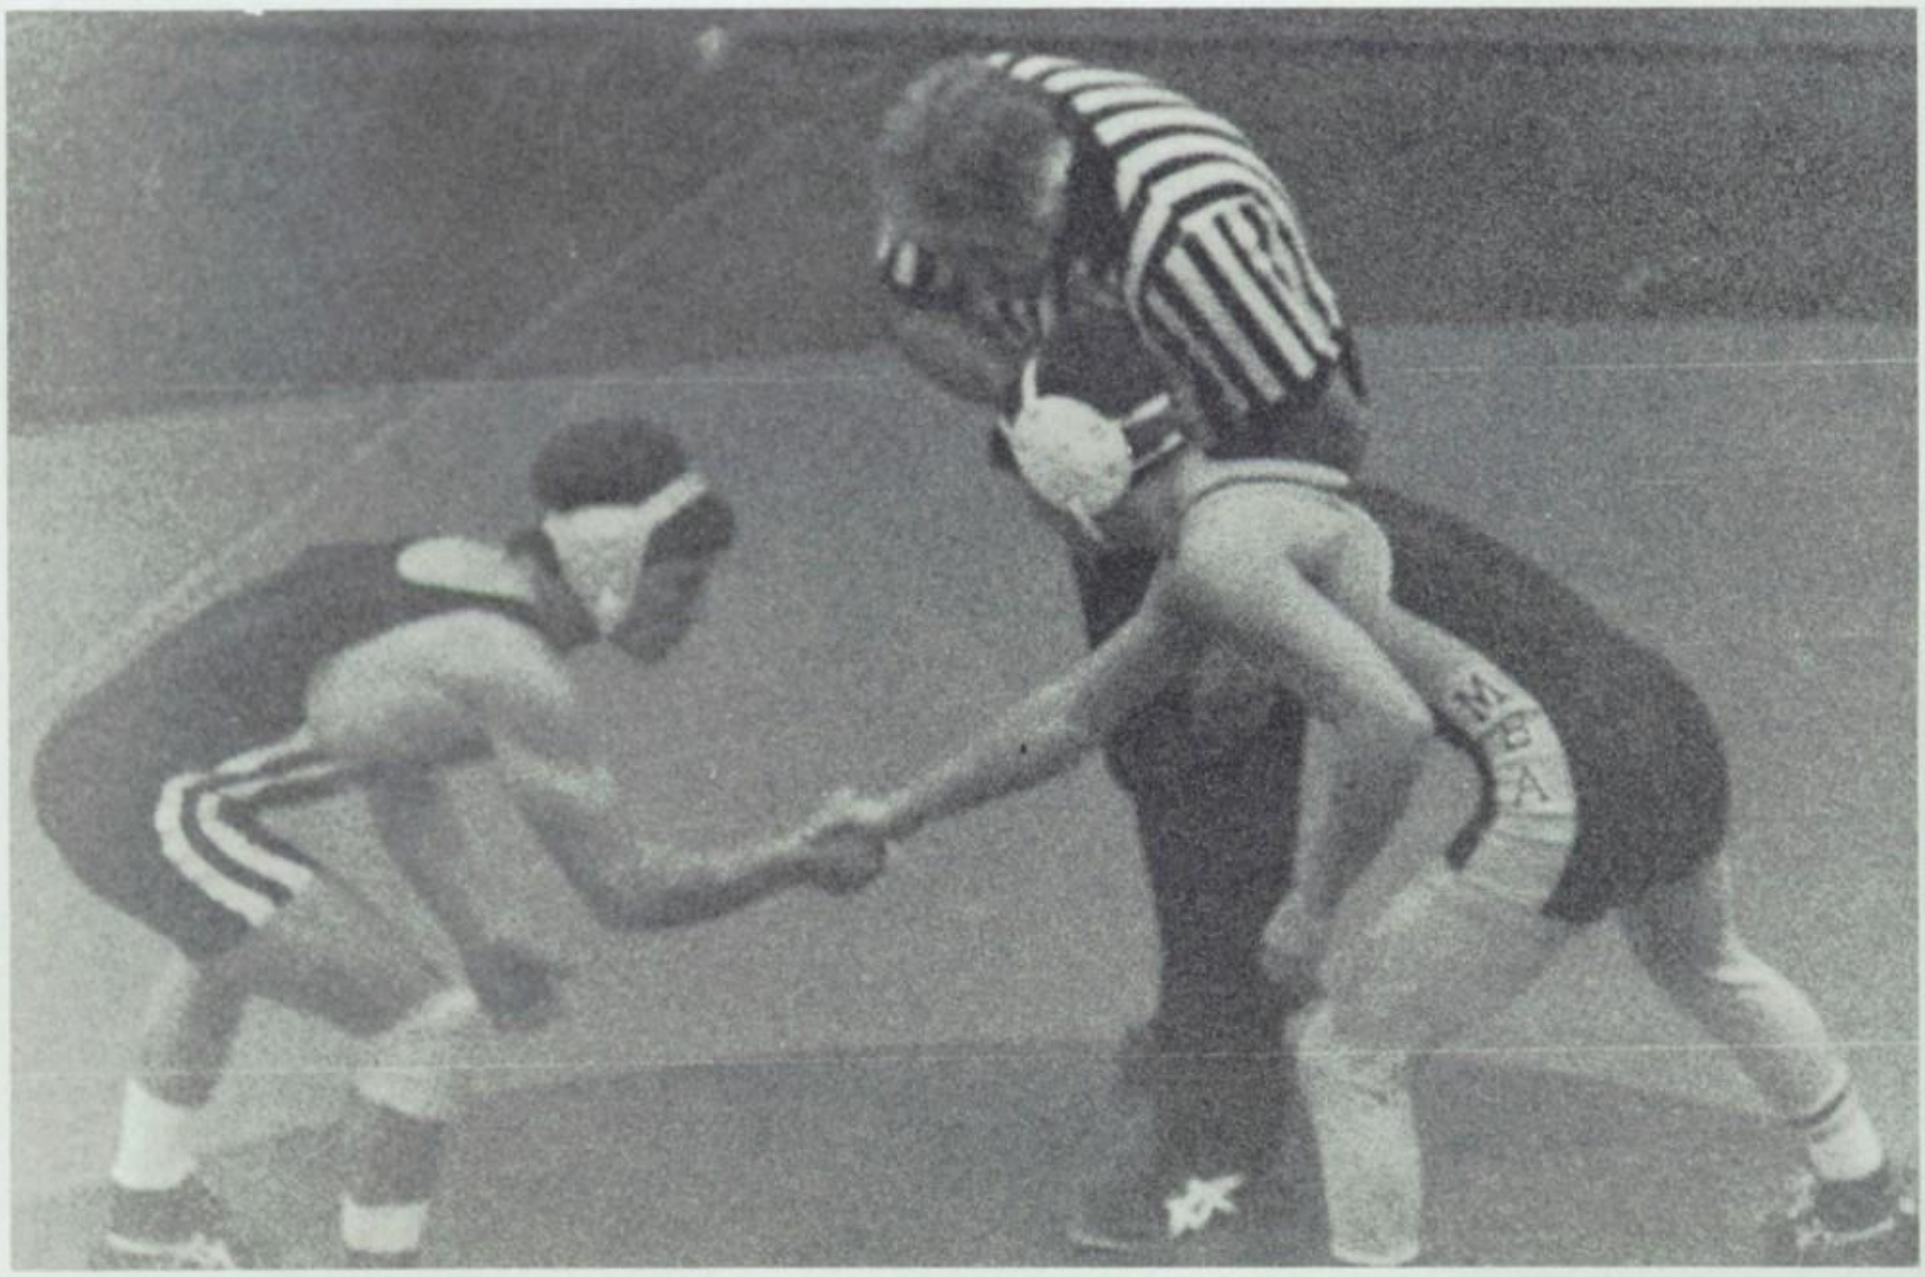
Soper tries to untangle from leachlike opponent.

Three days after Christmas, MBA travelled to Versailles, Kentucky to participate in the Woodford County Invitational Tournament. Garfinkel, wrestling at 126, made a dramatic return to the limelight. He placed second after losing to a defending Florida State Champion. Other medal winners were Smithwick (3rd), Soper (132, 3rd), Smith (3rd), and Frist (3rd). MBA finished third overall, even after getting very little sleep on Friday night. On January 4, the prestigious Father Ryan Invitational Tournament began. The top teams in the state competed in this tourney and provided a tough test for the Big Red. Garfinkel faced his nemesis Walter Batey from McGavock in the quarter finals and beat him 6-3. He lost his next match to Donny Fullum from East Ridge, but wound up placing third. Rollins faced his first defeat of the year at the hands of Overton's Terry Meyer in the championship match. Gutsy Walter Smithwick wrestled exceptionally well and placed fourth. The wrestlers then traveled to Hopkinsville, Ky., but little is known of the results, thanks to Old Man Winter. Next MBA faced the much detested Eagles from Brentwood Academy. Even though MBA was defeated, this match proved to be a decisive turning point for the wrestlers. The wrestlers vowed to turn things around, and did just that by thrashing Hillsboro and then winning four out of the five dual matches of the year. MBA whipped Overton and Ft. Campbell on a Friday afternoon; then came back the next day to defeat Franklin and Baylor before losing a tough match to Father Ryan, the first such loss in two years. However, as Mr. Williams always says, "Nothing matters until district, region, and state." In the District Tournament, MBA finished second to Brentwood Academy. Garfinkel won his first tournament of the year, and Rollins continued to destroy his helpless foes. Paul Soper, a junior, captured the 132 lb. District Championship with an impressive victory over his Brentwood Academy opponent in the finals. Chris Smith also defeated a Brentwood Academy wrestler to claim the 138 lb. title. Walter Smithwick wrestled extremely well but lost in the finals to Hillsboro's Doug Sloan. Also placing for MBA were Steve Saperstein (4th) at 155, John Jenkins (4th) at 185, Will Campbell (3rd) at 112, and Chad Enders (4th) at 98. These eight place finishers advanced to the Regional Tournament at Whites Creek. In the Region, the Cardiac Kid (i.e. Chris Smith) wanted to see everyone sweat as he waited until the last twenty seconds in two different matches before he decided to wrestle. (Yes, Chris did win both matches). He went on to place 3rd in his weight class.

The biggest surprise for MBA was Steve Saperstein. In the first round, Sap upset the district champion; then in the second round he almost pinned Tommy Baden who finished second in the state at 155 the year before. Sap ended up placing fourth. Garfinkel dominated his way into the regional finals where he met for the last time Walter Batey of McGavok. The ensuing match was one which will never be forgotten. In overtime, Batey gradually increased his lead and ended up with the victory. In this match, Garfinkel displayed the gutsy determination and class that only a two-time state champion could have. MBA's lone regional champion was Steve Rollins, who, as usual, dominated his weight class, defeating Monroe White of McGavock 13-4. Garfinkel, Smith, Saperstein, and Rollins were on their way to the State Tournament in Chattanooga. At the State Tournament, Smith and Sap were eliminated after the first round. It was now up to Garfinkel and Rollins to uphold the MBA name. Garfinkel wrestled his way into the semi-finals where he met Jimmy Lynch of McCallie, the defending State Champion at 132. Garfinkel lost and had to settle on fourth place. Once again, Steve Rollins destroyed his opponents with his incredible strength and quickness. In the State finals, he wrestled his opponent from the Regional finals. This time White was not so lucky; Rollins pinned him in 1:06, the fastest pin in the finals. Rollins claimed his first and his family's second State Championship.

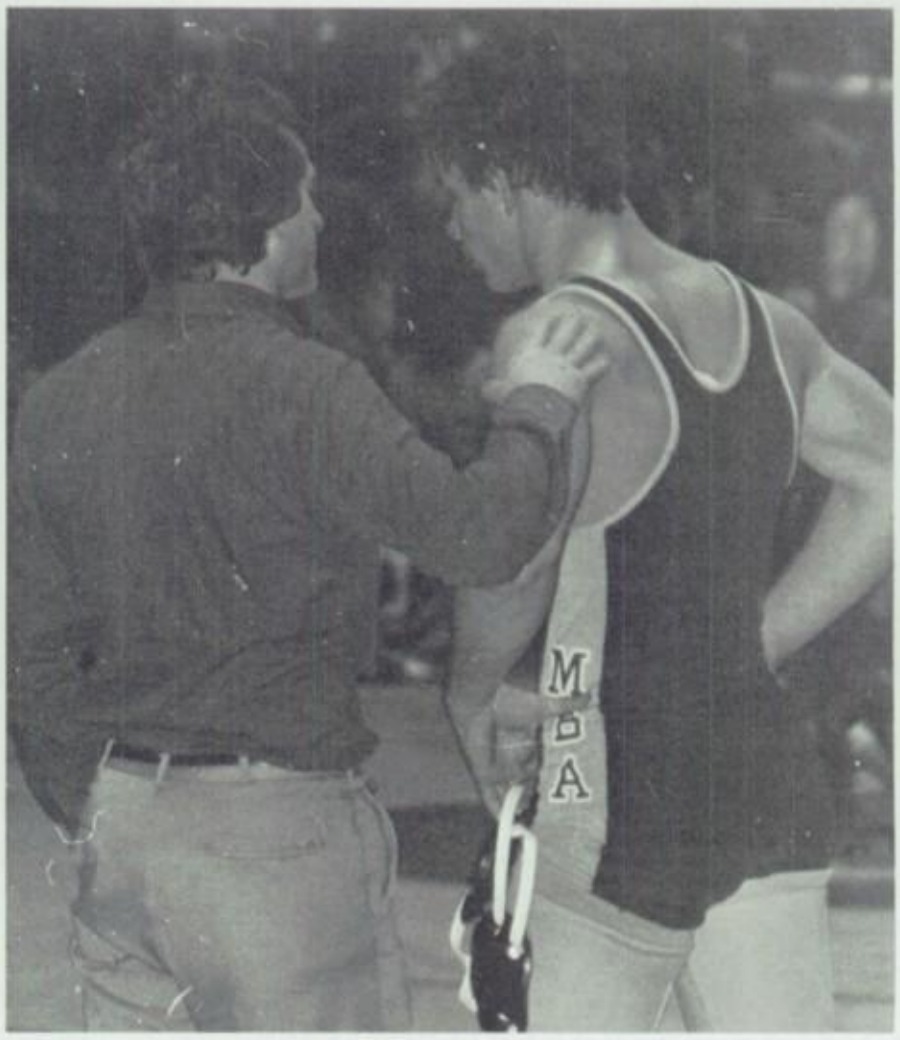


"That is Jimmy Lynch!"

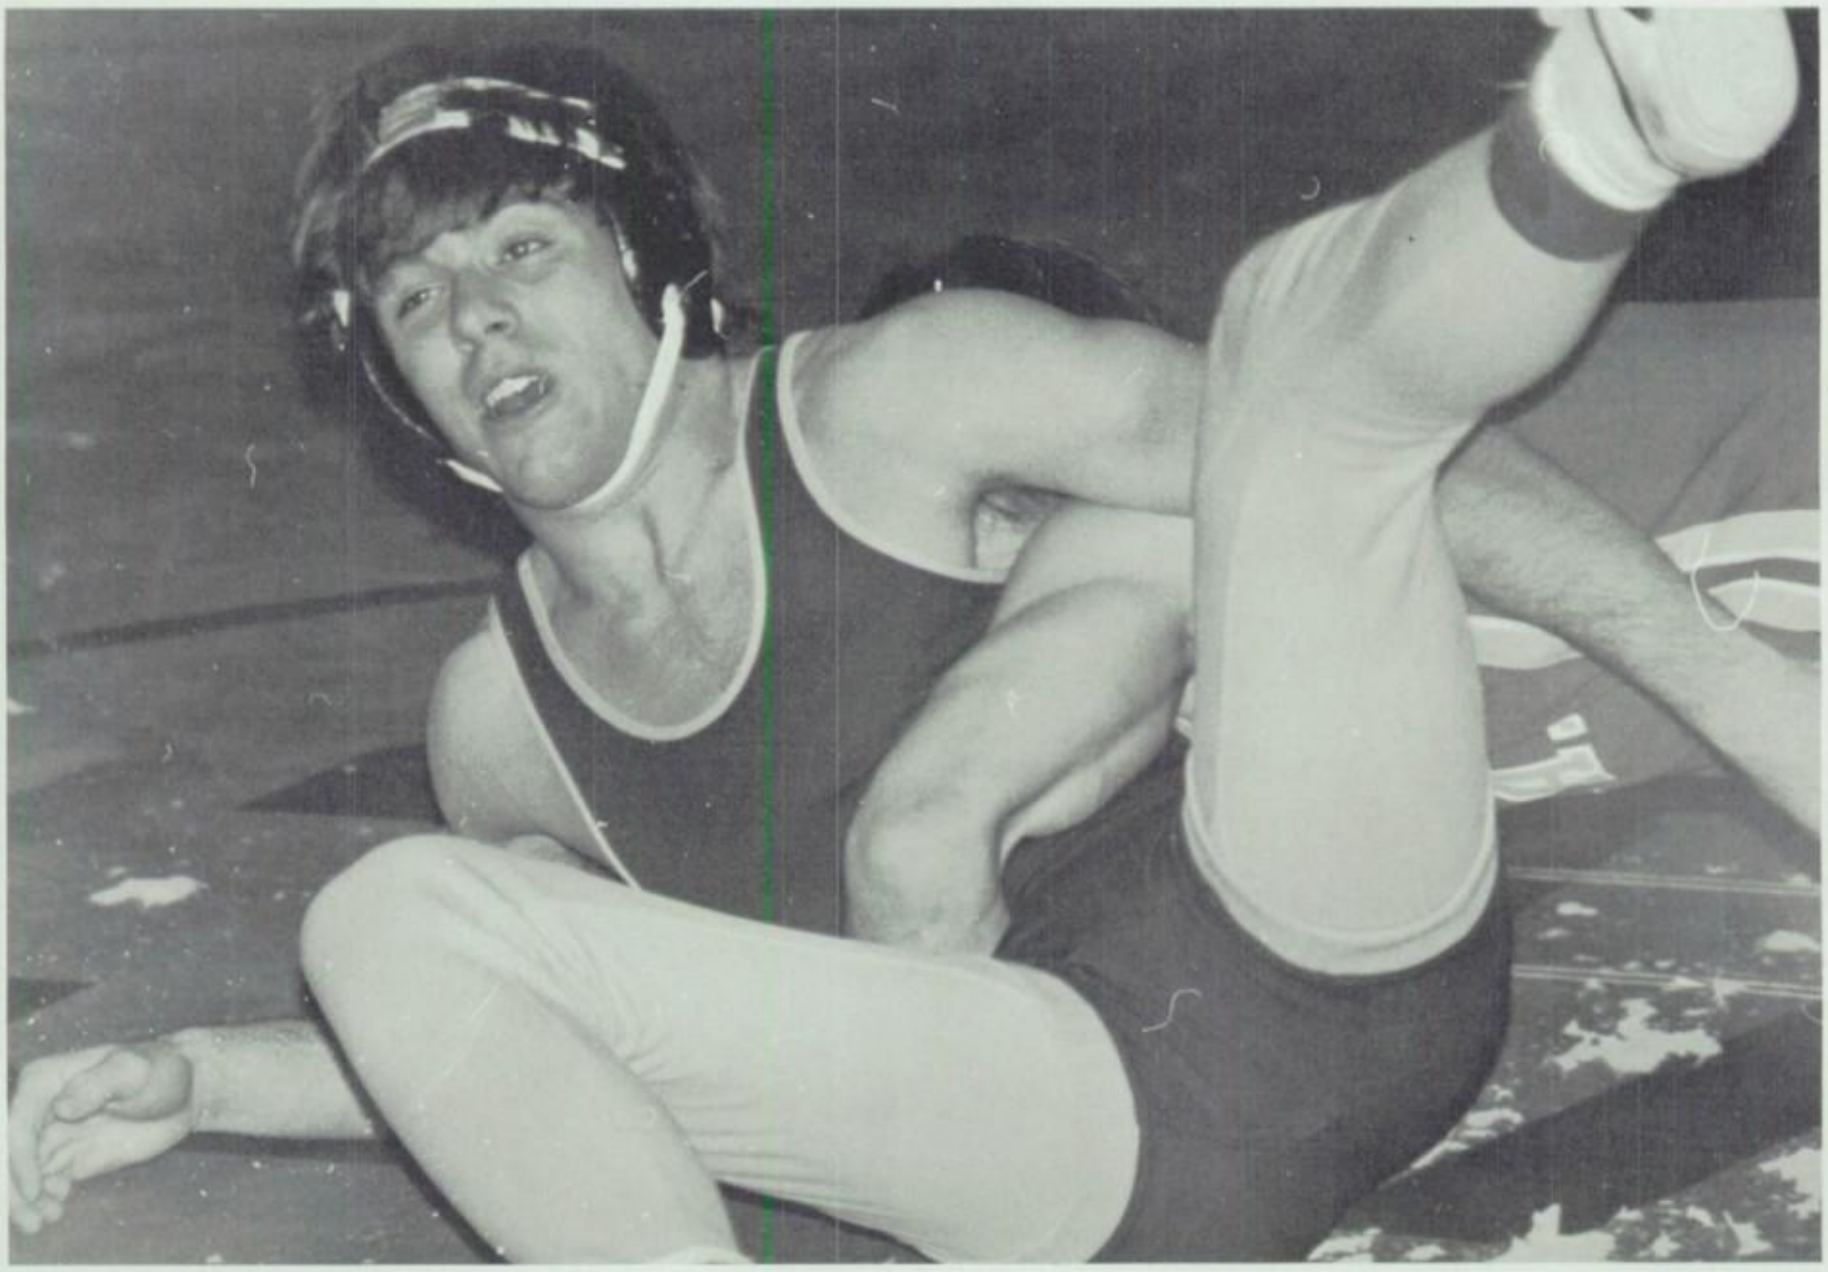


"I wonder what I'm missing on T.V. tonight."

"Too bad. It took more than a minute."



"John, this guy's only twenty lbs. heavier than you. Be aggressive."



"Don't worry, Coach, I still have thirty seconds left to win."

Freshman Wrestling

Although not as successful as past championship teams, this season's Freshman wrestlers offer much to the future of MBA Wrestling. Plagued with inexperience and injury, the young grapplers had a disappointing season if measured by records alone. This squad composed primarily of enthusiastic 7th and 8th graders, made large strides in reaching the goals of improvement set by Coach Anderson Gaither. Dual match wins were scored over Goodlettsville, Brentwood High, Apollo, and Overton. Individual contributions, often to the surprise and delight of Coach Gaither, were made by 7th grader Billy Crawford, the timid yet intimidating Edgar Bueno, and John Szydlo. Injuries inhibited the hopes of standouts Seth Asher and Hampton Carney, with further frustration added by the loss of regional champion Chad Enders. This team offers great potential in future years for the success of both the Freshman and Varsity levels of competition.

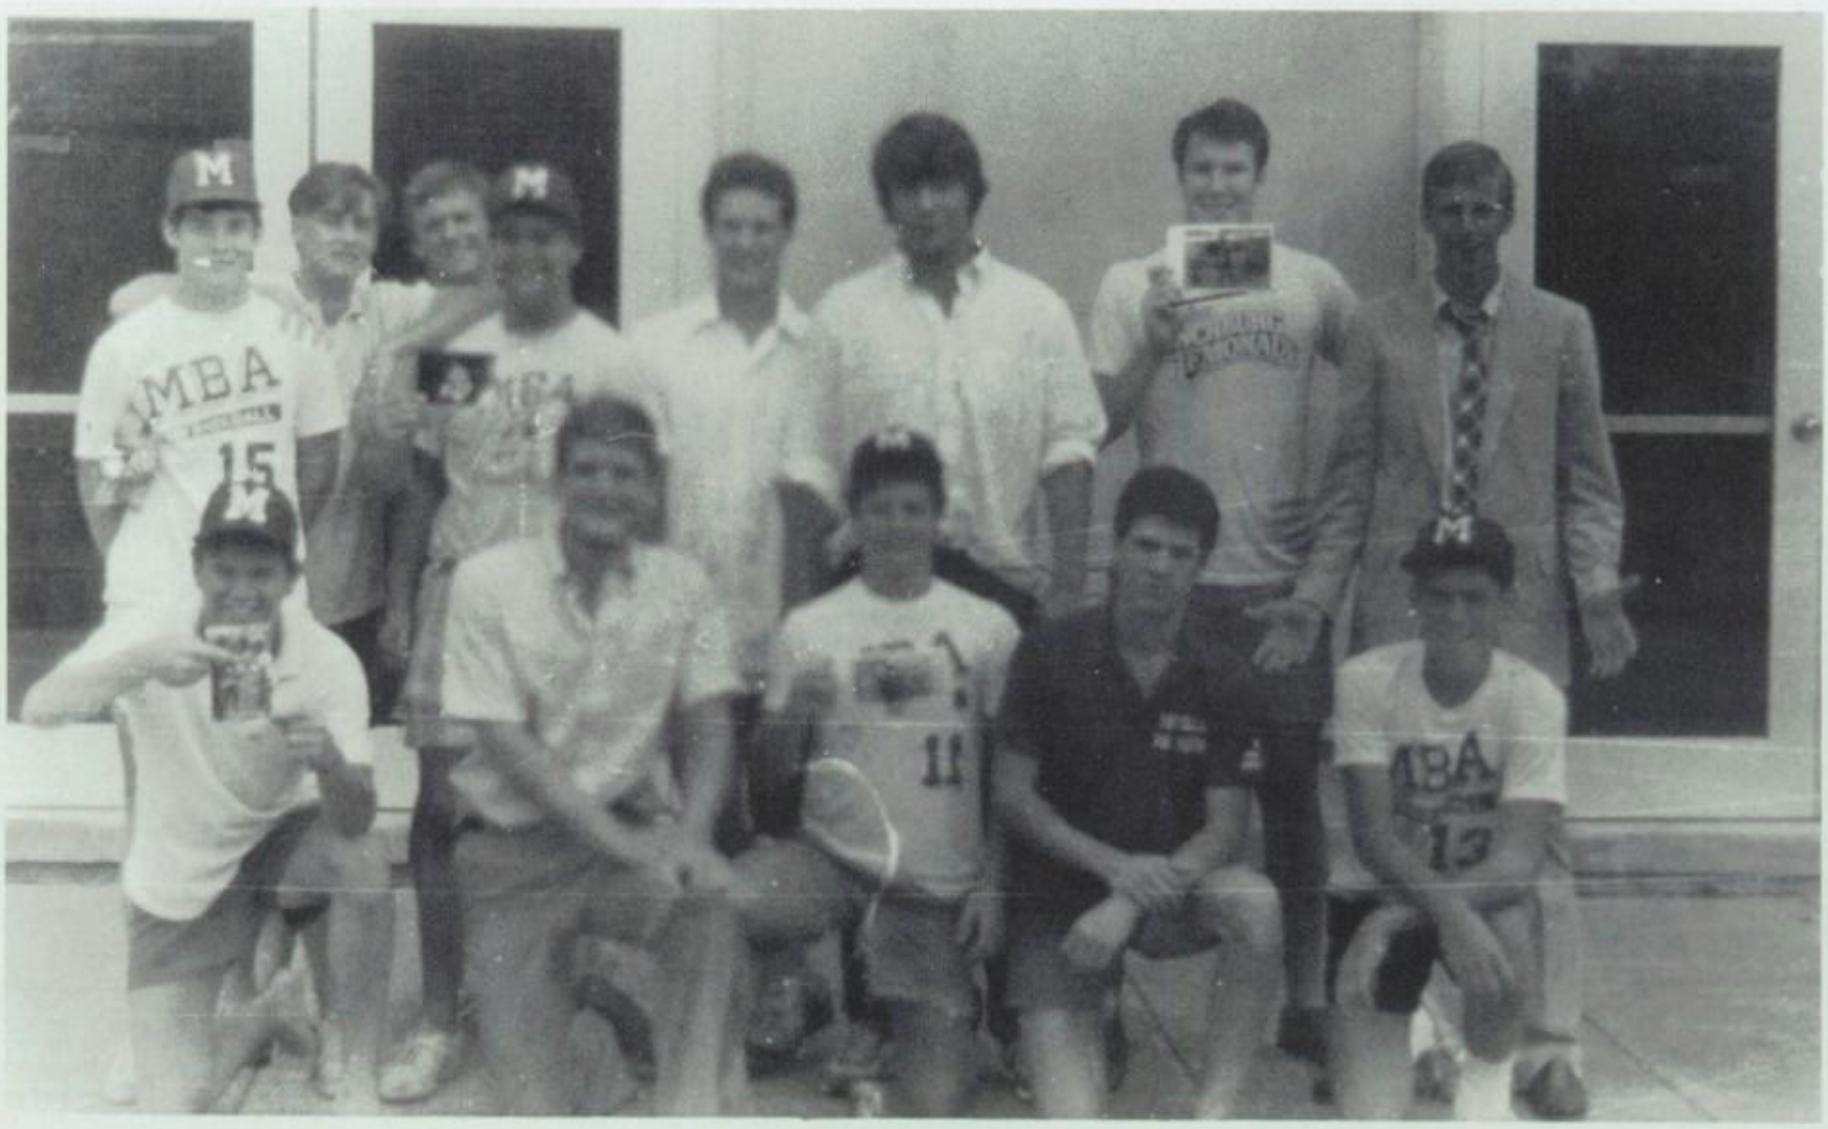
Front to back and left to right: C. McNabb, W. Ward, M. Davis, G. Stein, K. Kimery, R. Hulbert, R. Nimmo, B. Griffin, S. Griffin, A. Patterson, B. Crawford, K. Fitzpatrick, C. Clements, J. Hays, D. Trainer

Microbe Wrestling

Front row: K. King, C. Houghland, C. McNabb, C. Cigarrin, W. Ward, C. Clements, W. Shuff, D. Neff, C. Petrie; 2nd row: S. Anderson, K. Kimery, R. Arendale, S. Elder, S. Townery, A. Patterson, B. Crawford, B. Lyle, D. Trainer, J. Hays, M. Davis; 3rd row: P. Foster, B. Griffin, A. Brown, H. Carney, R. Nimmo, R. Pulley, J. Binkley, D. Brooks, K. Fitzpatrick, S. Griffin, B. Healy, R. Hall

The 1984-85 Microbe Wrestling, led by coaches Gaither, Killian, and Smith compiled a 3 and 4 record over the season. This year's Microbes were significant in that more people turned out to wrestle than recent years. The Microbes were also a group of hard workers who pushed each other to improve. The team's three wins came over Battle Ground Academy and Brentwood Academy. The team placed fifth in the HVAC tournament with the microbe's highest finisher being Rabin Nimmo, who finished second in the heavyweight division. The Microbes have many experienced wrestlers returning for next year, while the eighth graders should provide good support for the Freshman team next year.

Varsity Baseball



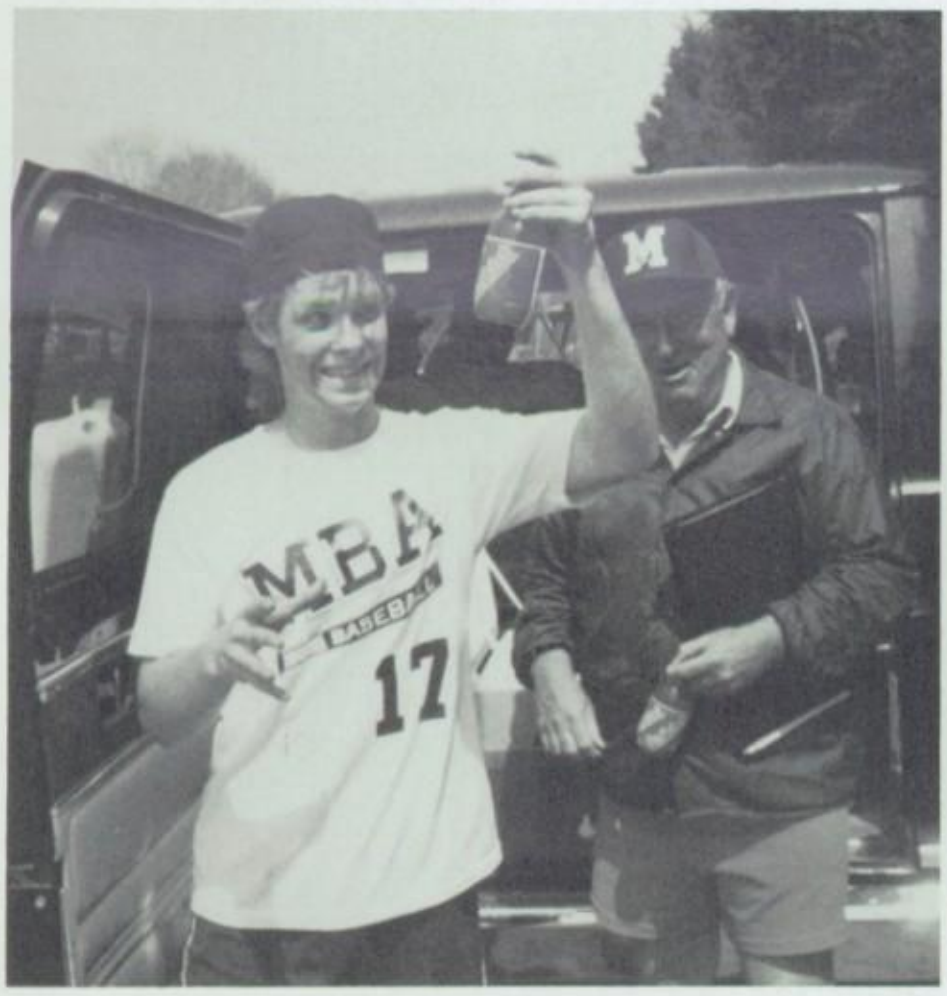
Standing (L-R): B. Whitson, C. Shaefer, H. Peffen, F. Downey (holding C. Smith), M. Smith, T. Masten, M. Wills (holding R. Black), D. Smith; Kneeling: J. Pickle (holding Coach Regen), C. Fridich, S. Hooper (holding Coach Bennett), B. Reese, M. Morrissey

The 1985 MBA baseball season can be summed up in three words: a real disappointment. After losing only three seniors off of last year's district runner-up squad, expectations around the MBA campus this spring were optimistic that the Big Red could finally go further than the first game of the Region VI tournament (which had been the case the two previous years). These dreams and aspirations, however, were never met as the team finished 9-10 overall, 7-8 in the district and out of the final four round of the district tournament for the first time in four years.

The year began for the third straight season with spring training in Florida. The Big Red, led by head coach John Bennett, and his assistant Damon Regen, made camp in Clearwater, Florida at the Holiday Inn-Central. Frank Tack Park became home for the players during the stay as five hour a day workouts were spent fielding ground balls, working over game situations, and taking batting practice from coaches Elliott and Bowers, who also accompanied the team. After a week of hard workouts and daily inspirational words of wisdom by the Reverend Rob McNair on "if a man wants to . . . ", the team headed home for 3 non-district games with FRA, Hillsboro, and Brentwood Academy, winning only the opening day contest with the Rebels aided by Robert Black's 3 run shot to Brighton Road in the fifth. The club opened the district season with a 14-1 ambush of Pearl-Cohn. Every starter got at least 1 hit while Masten and Fridrich both clubbed home run shots. The team won their next two over Glencliff and Hillwood before losing the first time in the district to Antioch 7-0. Things did not get better for the Big Red as they fell to the top teams of the district Hillsboro, Ryan, and Overton during the second week in April. The only bright spots at this point were the red hot bats of McNair, Malone, and Peffen (all batting near .400) The next week MBA took out their frustrations out on Pearl-Cohn (18-3) Glencliff (12-1), and Antioch, indefinitely the team's best week of the season. The "Right Field Rowdies" began to catch pennant fever as crowds for the next 4 games were just short of standing room only status. These hopes were dashed, however, when in the first round of the district tournament, MBA met Hillsboro whom they had not beaten in three previous tries. Hurt with the loss of short stop Dave Malone (sprained ankle), the Big Red fell short in the see-saw battle 11-8 before another huge crowd. The season was shockingly over. For their efforts this year, Peffen, Fridrich, McNair, and Masten were named honorable mention All-Nashville. With the excitement of the birth of the "Rowdies" in right field and the outstanding talent and Potential returning to next year's team, one can look forward to good baseball next spring on the Hill.

Practice makes perfect . . .

Coach Bennett stalks his turf.

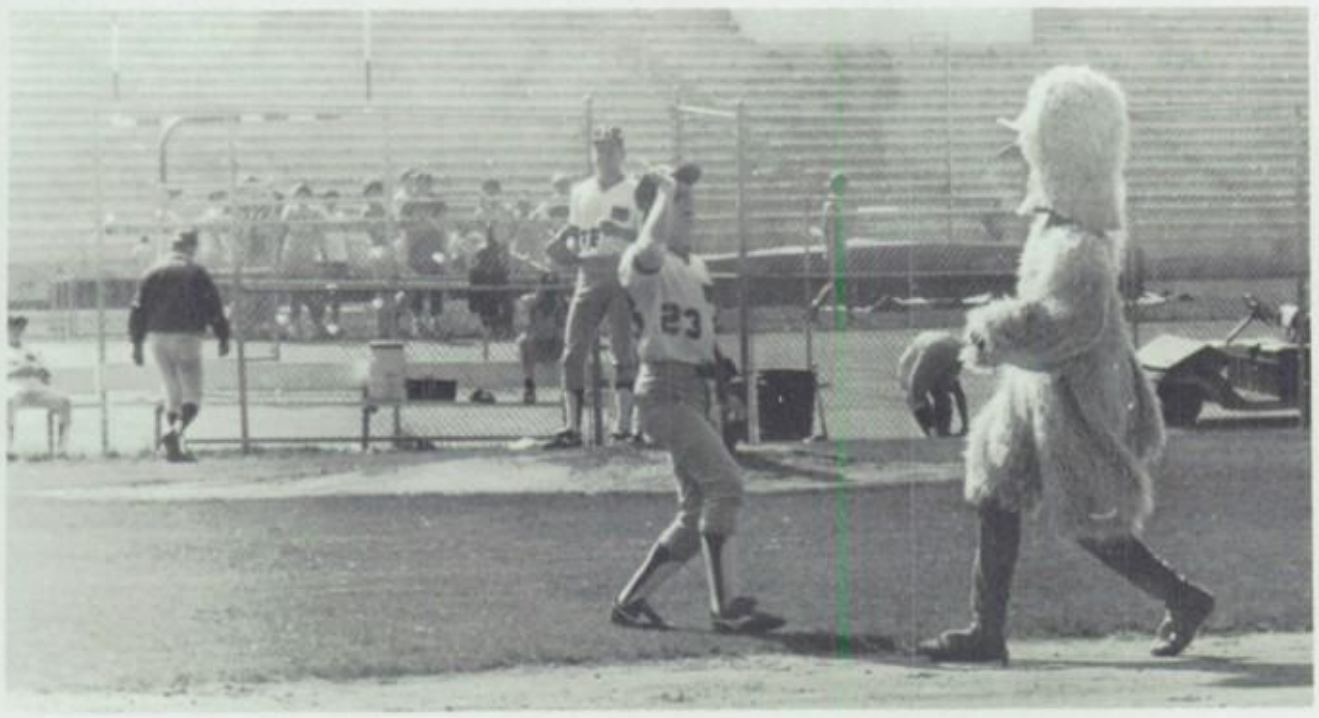


"AAAHH!—refreshment!"

An earthbound Fun Bunch celebrates a homer.

Right Field Rowdies

The Rowdies give a new meaning to the phrase "motley crew".



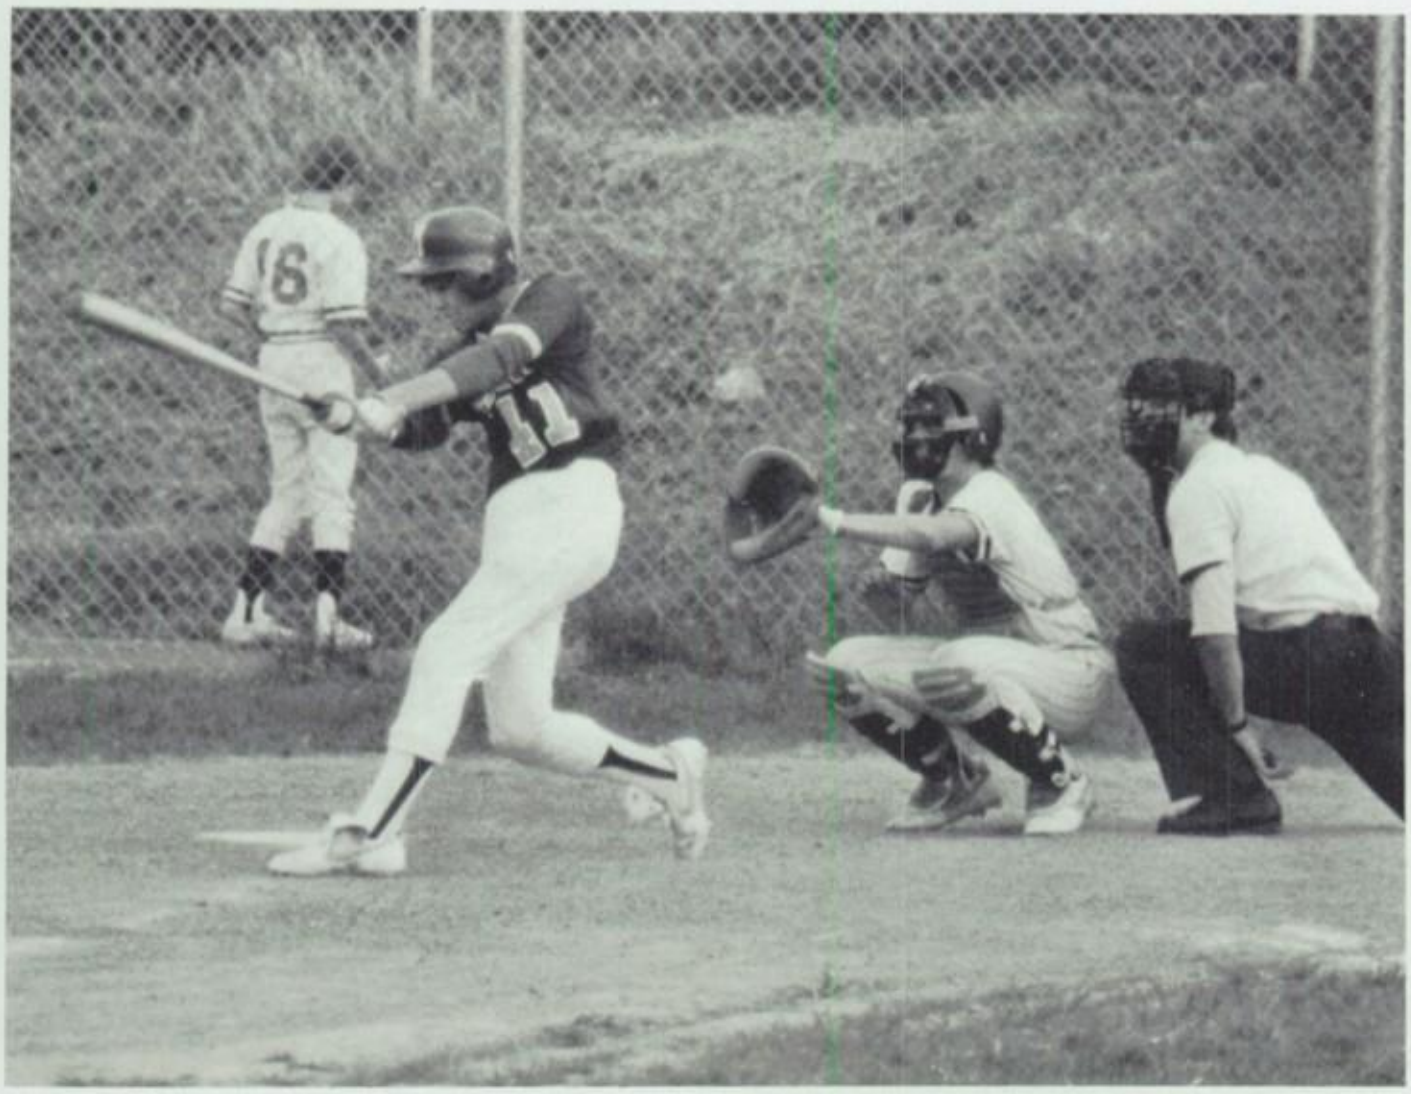
Patikas confronts the Chicken.

JV Baseball

This year's JV baseball team, under the direction of first year coach, Bob Forrester, suffered through a dismal 1-5 season. Inconsistent pitching and hitting were key factors in the failure of the team, although there were many bright spots. The members of the team (with the letter "V" denoting varsity players playing JV) were freshmen Jim Harwell, Tommy Hayes, David Hobbs, Mike Morrissey (V), Brad Reese (V), and Mark Smith (V), sophomores Louis Graber, Frank Downey (V), Steven Hooper (V), Jay Stroman (V), and Bobby Whitson (V), and juniors Will Campbell, John Griffith, Jim Hunt, and Josh Easter. The team opened the season at home against the Rebels of Franklin Road Academy in a double header. The Big Red lost the disappointing opener, 19-5. The second game proved much more exciting with catcher Mark Smith hitting a grand slam to lift the team from a 9-8 deficit. The heroics were in vain, however, as FRA came back to win it 13-12. A few Saturdays later, the JV was home again against Antioch for a doubleheader. In the opener, Antioch's powerful hitting was too much for Big Red pitching and the Bears rolled to a 9-0 win. In the second game, the pitching for the Big Red was much better, only giving up 4 runs, but there still was a lack of offense on the part of MBA and JV lost by the score of 4-1. The following Saturday, Hillsboro invaded the MBA field for yet another doubleheader, which proved exciting. After dropping the first 4-1, the Big Red came alive. Once again, MBA made up an early deficit to go ahead 6-4 in the bottom of the third. Jay Stroman, pitching in relief, came on the mound and preserved the JV's lead, resulting in their first victory of the year. Although the team doesn't have that much to be happy about, they should be happy that they've had the chance to improve their baseball skills. With much more work, the JV baseball squad should return next year with much more success.

Microbe Baseball

Front row: C. Calton, B. Crawford, M. LaVigne, R. Arendale, A. Patterson, M. Davis; 2nd row: M. Ross, F. Conner, C. Shea, K. Fitzpatrick, J. Ferguson, B. Stahlman; 3rd row: B. Smith, (coach), D. Trainer, M. Davis, W. Johnson, H. Bodine



This year's microbe baseball team started the '85 season with many question marks. With first year coach Bill Smith and many young players, the Little Red's team was untested. But with hard work in the preseason, the Little Red was ready for action. While compiling a record of 4-8-1, the microbes improved with every game. During the season, the team had big victories over BGA and Ensworth. Players who made significant contributions to the team were: pitcher Jay Ferguson, and hard hitters Harley Bodine, Andy Patterson, and Richard Arensdale. The prospects for next season look promising as several experienced players are returning.

Varsity Soccer

Standing (L-R) J. Dillon, B. Duncan, S. Sprague, B. Willingham, W. Lin, B. Lancaster, C. Baird, S. Sommer, D. Swartz, T. Rice, J. Zibas, J. Huddleston, J. Boone, S. Pearson, Coach Lanier; Kneeling (L-R): S. Boone, R. Elliot, R. Baughman, D. Thombs, D. Muddiman, C. Mayes, B. Cochran, S. Young, S. Jones, F. Goldner, M. Houghland

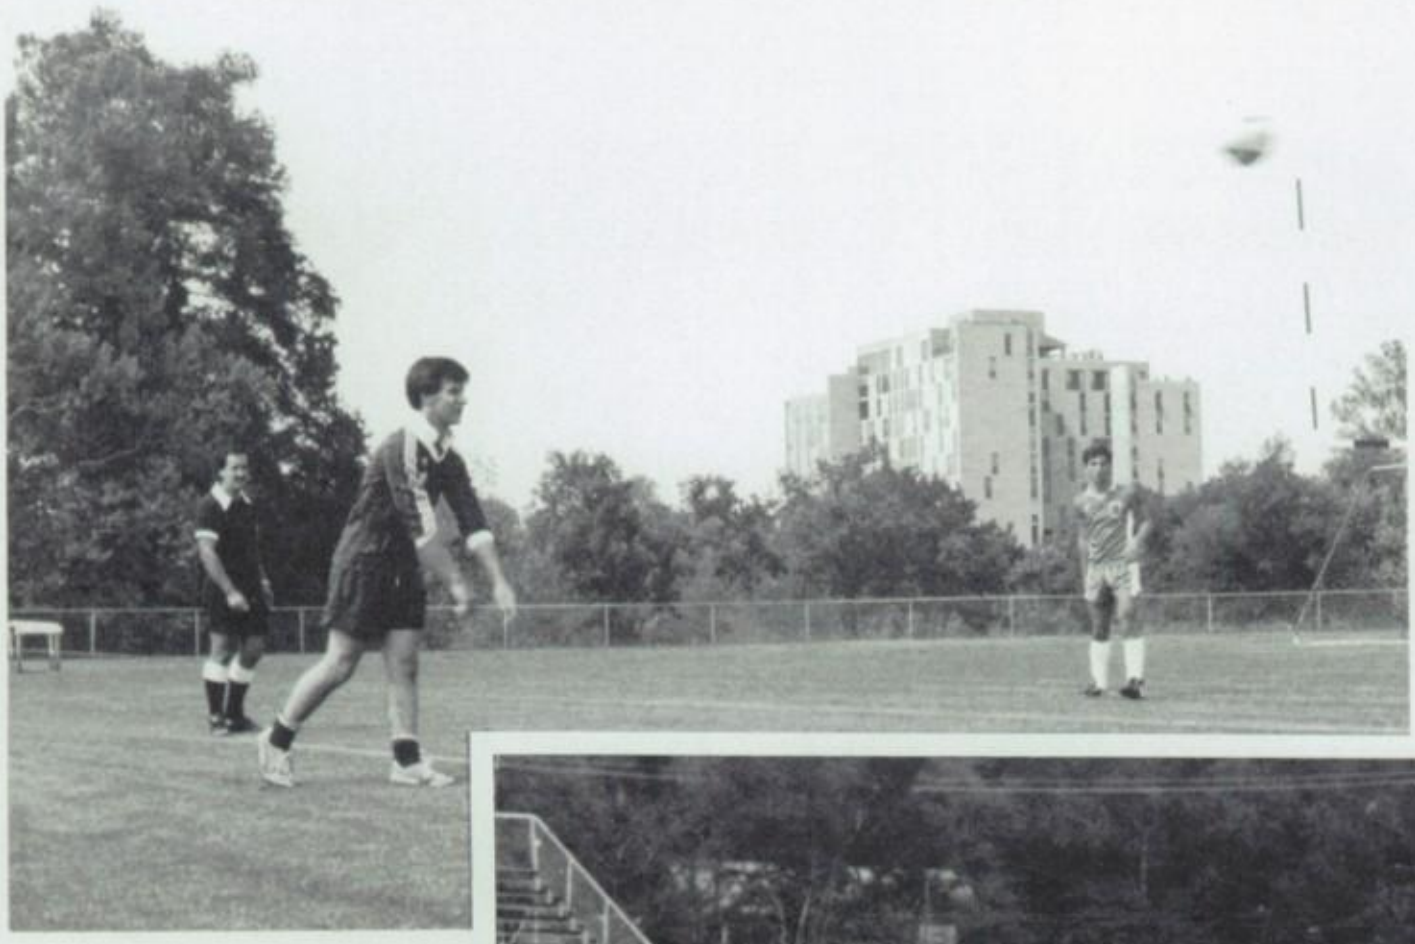
The 1985 varsity soccer team compiled a 6-5-1 regular season record. For the first year, MBA played in a new district on a AAA level. Wins during the regular season included Gallatin (2-0), Riverdale (2-1), Overton (3-0), BGA (1-0), Dupont (2-1), and Webb (4-0) with a tie to McCallie. Wins in the district assured MBA a spot in the preliminaries of the state tournament. The team suffered a hard loss in a double sudden death overtime finally ending in a shootout. Scorers in the shootout included Dan Swartz, Dawson Thombs, and John Enkema with Fred Joseph Goldner scoring in regulation time.

Coach Lanier directs the action.

Cochran prepares to "boot" the ball.

Leading the offense during the year for the Big Red were John Enkema, Scott Sprague, David Muddiman, and Rob Elliot. Midfield was controlled by Steve Young and Dawson Thombs. The defensive unit was lead by Stephen Jones, Dan Swartz, and Richard Baughman with Charles Mayes in goal. The leading scorer for MBA was Stephen Jones, but the most spectacular goal must be credited to Richard Baughman. The team put out its best performance against arch-rival Hendersonville. The biggest win of the season came when the Big Red toppled third ranked BGA. The team was severely crippled with the loss of several starters including: Fredjoseph Goldner, Steve Young, Robert Willingham, Charles Mayes, and David Fletcher. MBA will lose seniors Dawson Thombs, Steve Young, Richard Baughman, John Enkema, Stephen Jones, David Muddiman, and Fredjoseph Goldner. Returning next year will be a young experienced squad led by returning starters Dan Swartz, Rob Elliot, Scott Sprague, Bill Cochran, David Fletcher, and Scott Boone.

The Big Red celebrate a goal as their opponents sulk.



Russell puts the ball into play.

Jones in top form

Baughman gets a good head shot.

Microbe Soccer

The microbe soccer team had great potential but little experience which led them to a mediocre season in the HVAC. Coach Lanier and (rookie coach) Dr. Neergaard, with the help of several varsity players, led the team to an overall record of 4 and 4, with wins over Ensworth and Page. Chris Hall, a forward, and John Smithwick, center-half, were the high scorers for the year and had enough talent to contribute to the JV spring soccer program. Defenisvely, Jaimie Cheek, Daniel Donelson, and Bob Hannon were consistent in their excellent performance along with constant effort by both goalies: Willie Johnson and Drew Robison.

The highlight of the "Little Red" season was a close game in the first round of the HVAC soccer tourney in which MBA initially tied BGA. Because of the darkness, the tie could not be broken, and the game was replayed on the following day. The final score gave BGA a 3-2 win, and the game, in the words of Chris Hall, was a "heart breaker." The 1984-85 microbe soccer team beat Ensworth in a close consolation final match to emerge third overall.

Varsity Golf

Front row: M. Shears, R. Boyers, P. Parker, H. Andrews; 2nd row: R. Hilton, H. Gilbert, J. Teas, C. Redd, C. Brothers

Teas carefully lines up a putt.

The 1984-85 Golf team embarked on its season under a new coach, Mr. Caldwell, with immeasurable confidence. Performing with a highly organized nine man rotation, the team experienced great success. In dual matches, the team compiled an impressive 12-1 record, only slipping into the clutches of defeat against FRA. After toiling over averages for boundless hours, Coach Caldwell decided on the 5 district participants: Hal Andrews, Pat Parker, Mike Shears, Chip Redd, and Harris Gilbert as an alternate.

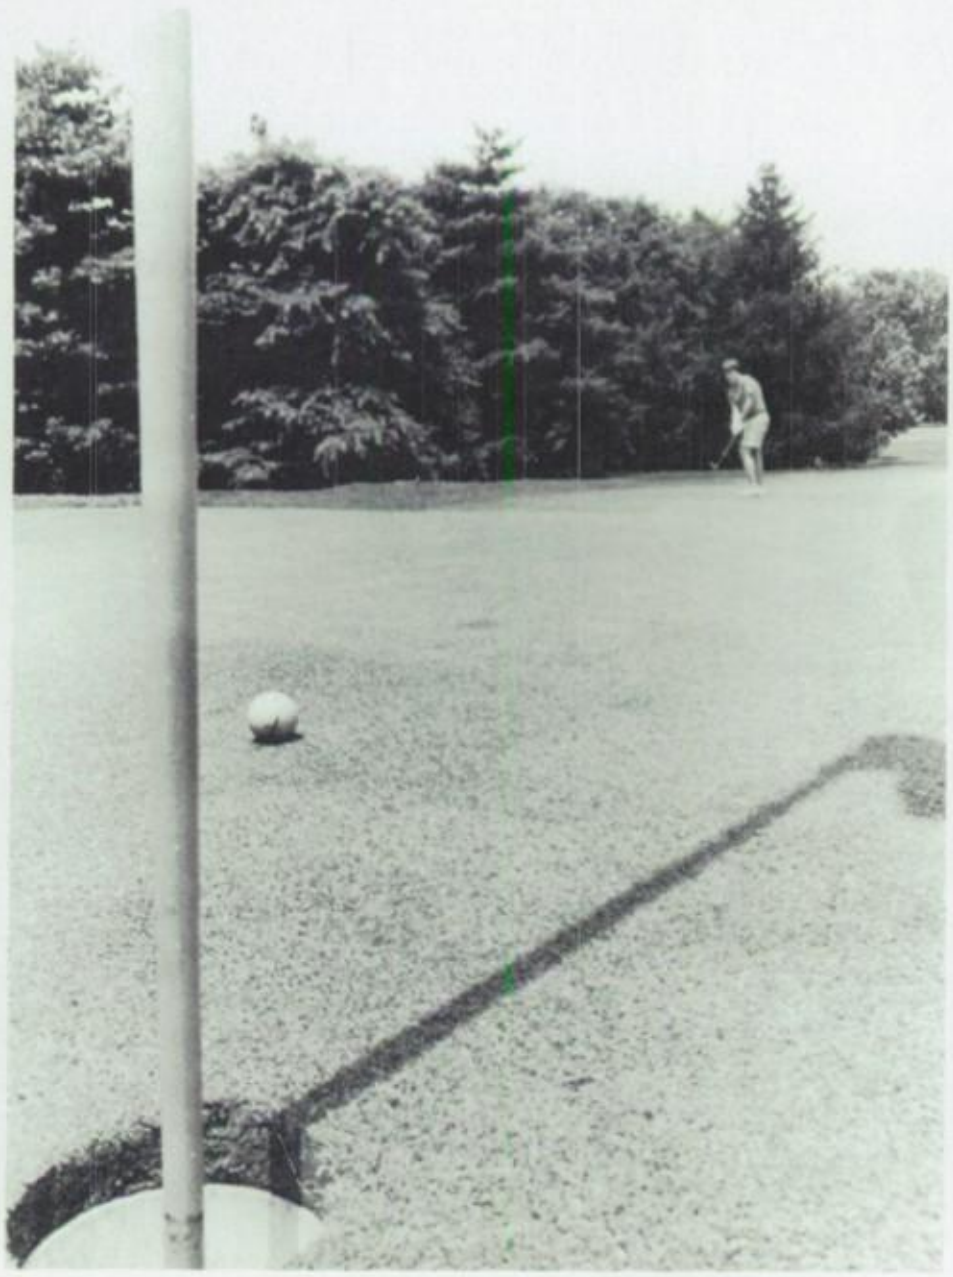
Left: Pat Parker getting serious; Bottom: Carter drills one out of the beach.

Left: Shears shows classic form on the fairway; Bottom: "Wait a second, John, that's no way to grip your club."

The Big Red linksters humiliated an inferior field of district opponents by winning by over 70 strokes. Hal Andrews led the onslaught by winning the district with a 73. After securing the Regional championship by 8 strokes, the team moved to the State Tournament with high expectation. Unfortunately, the Big Red's hopes of a second state title in four years ended with a 7th place finish. The team looks forward to next year with seven returning lettermen: Carter Brothers, Harris Gilbert, Pat Parker, Chip Redd, Rob Hilton, Mike Shears, and John Teas.

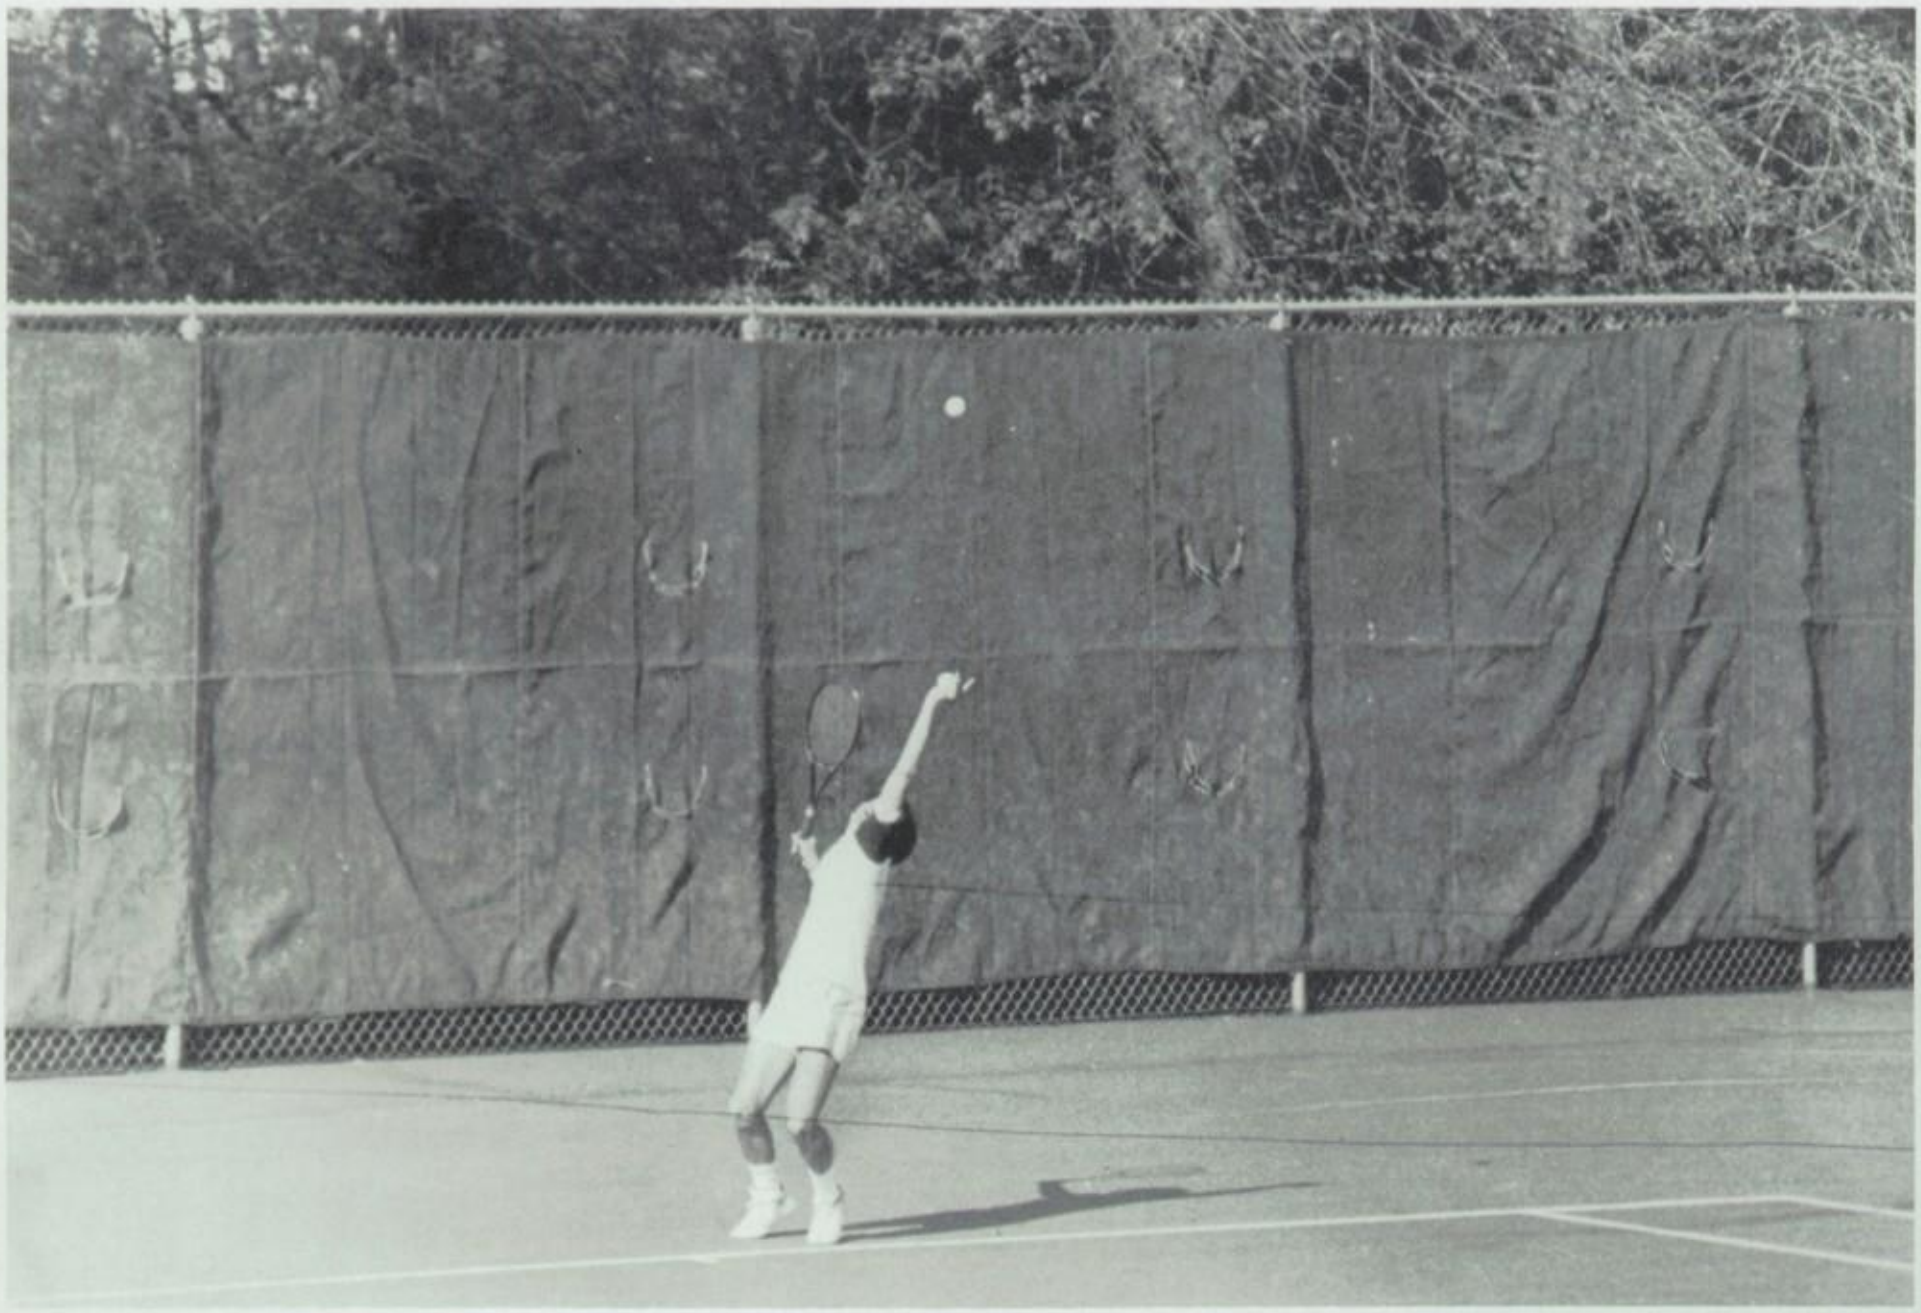
Microbe Golf

First Row: George Clements, Andy Graves, Kevin King, Calvin Houghland; Back: Brandon Daniel, Rick Barksdale, Bob Hannon

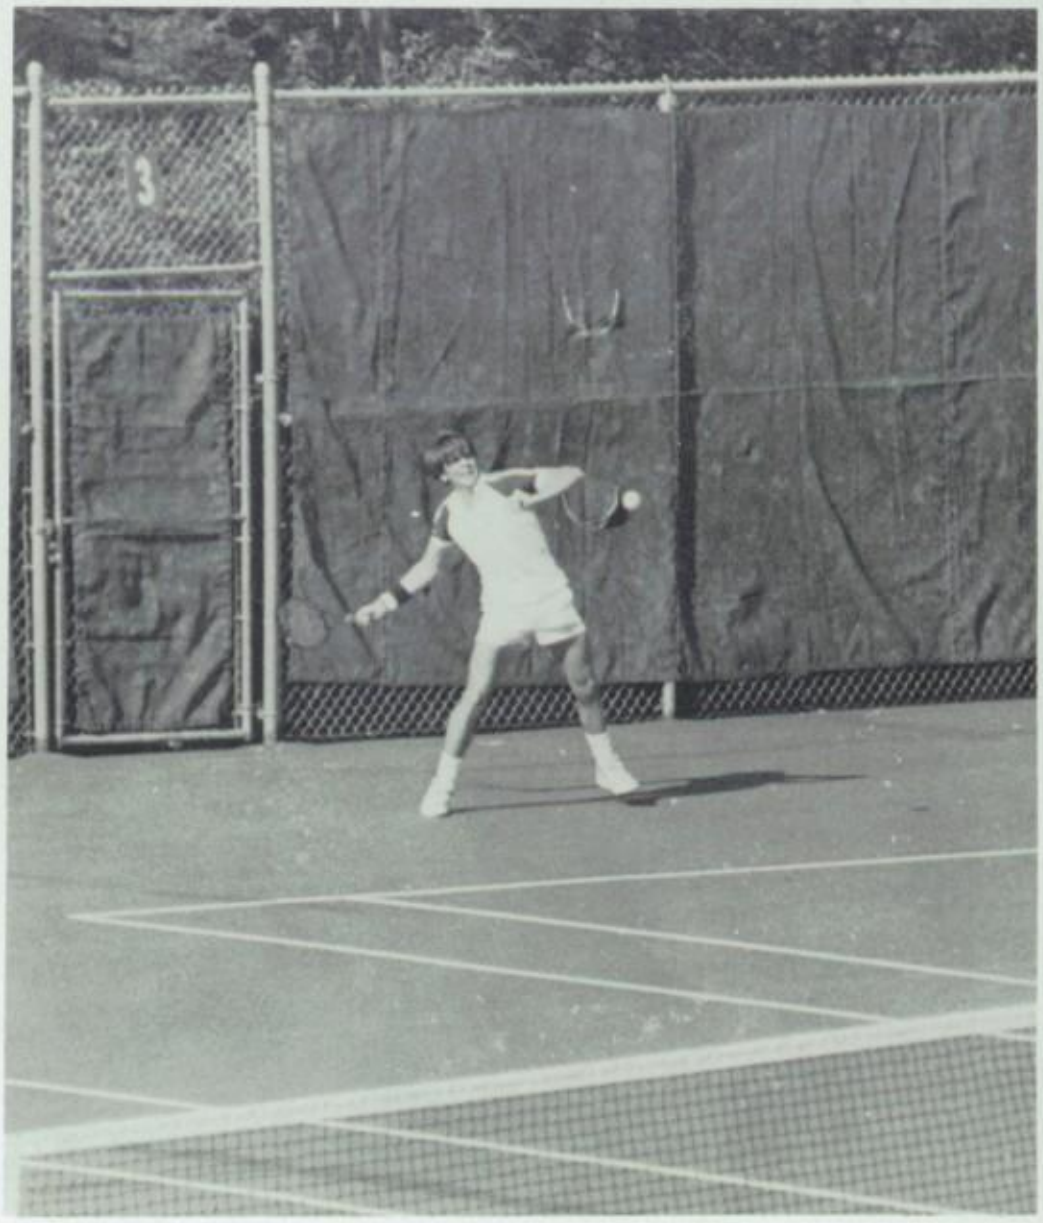


Andy Graves makes a tremendous putt.

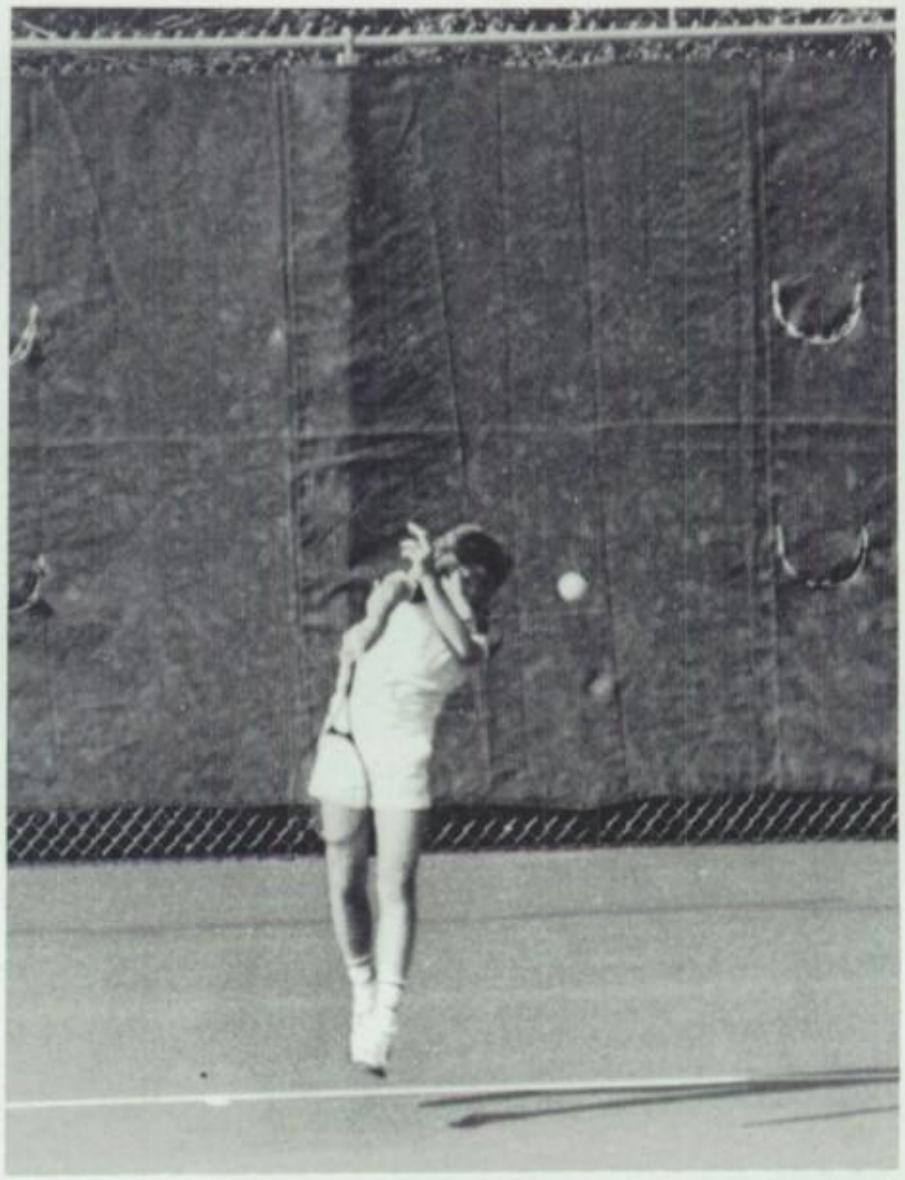
Varsity Tennis

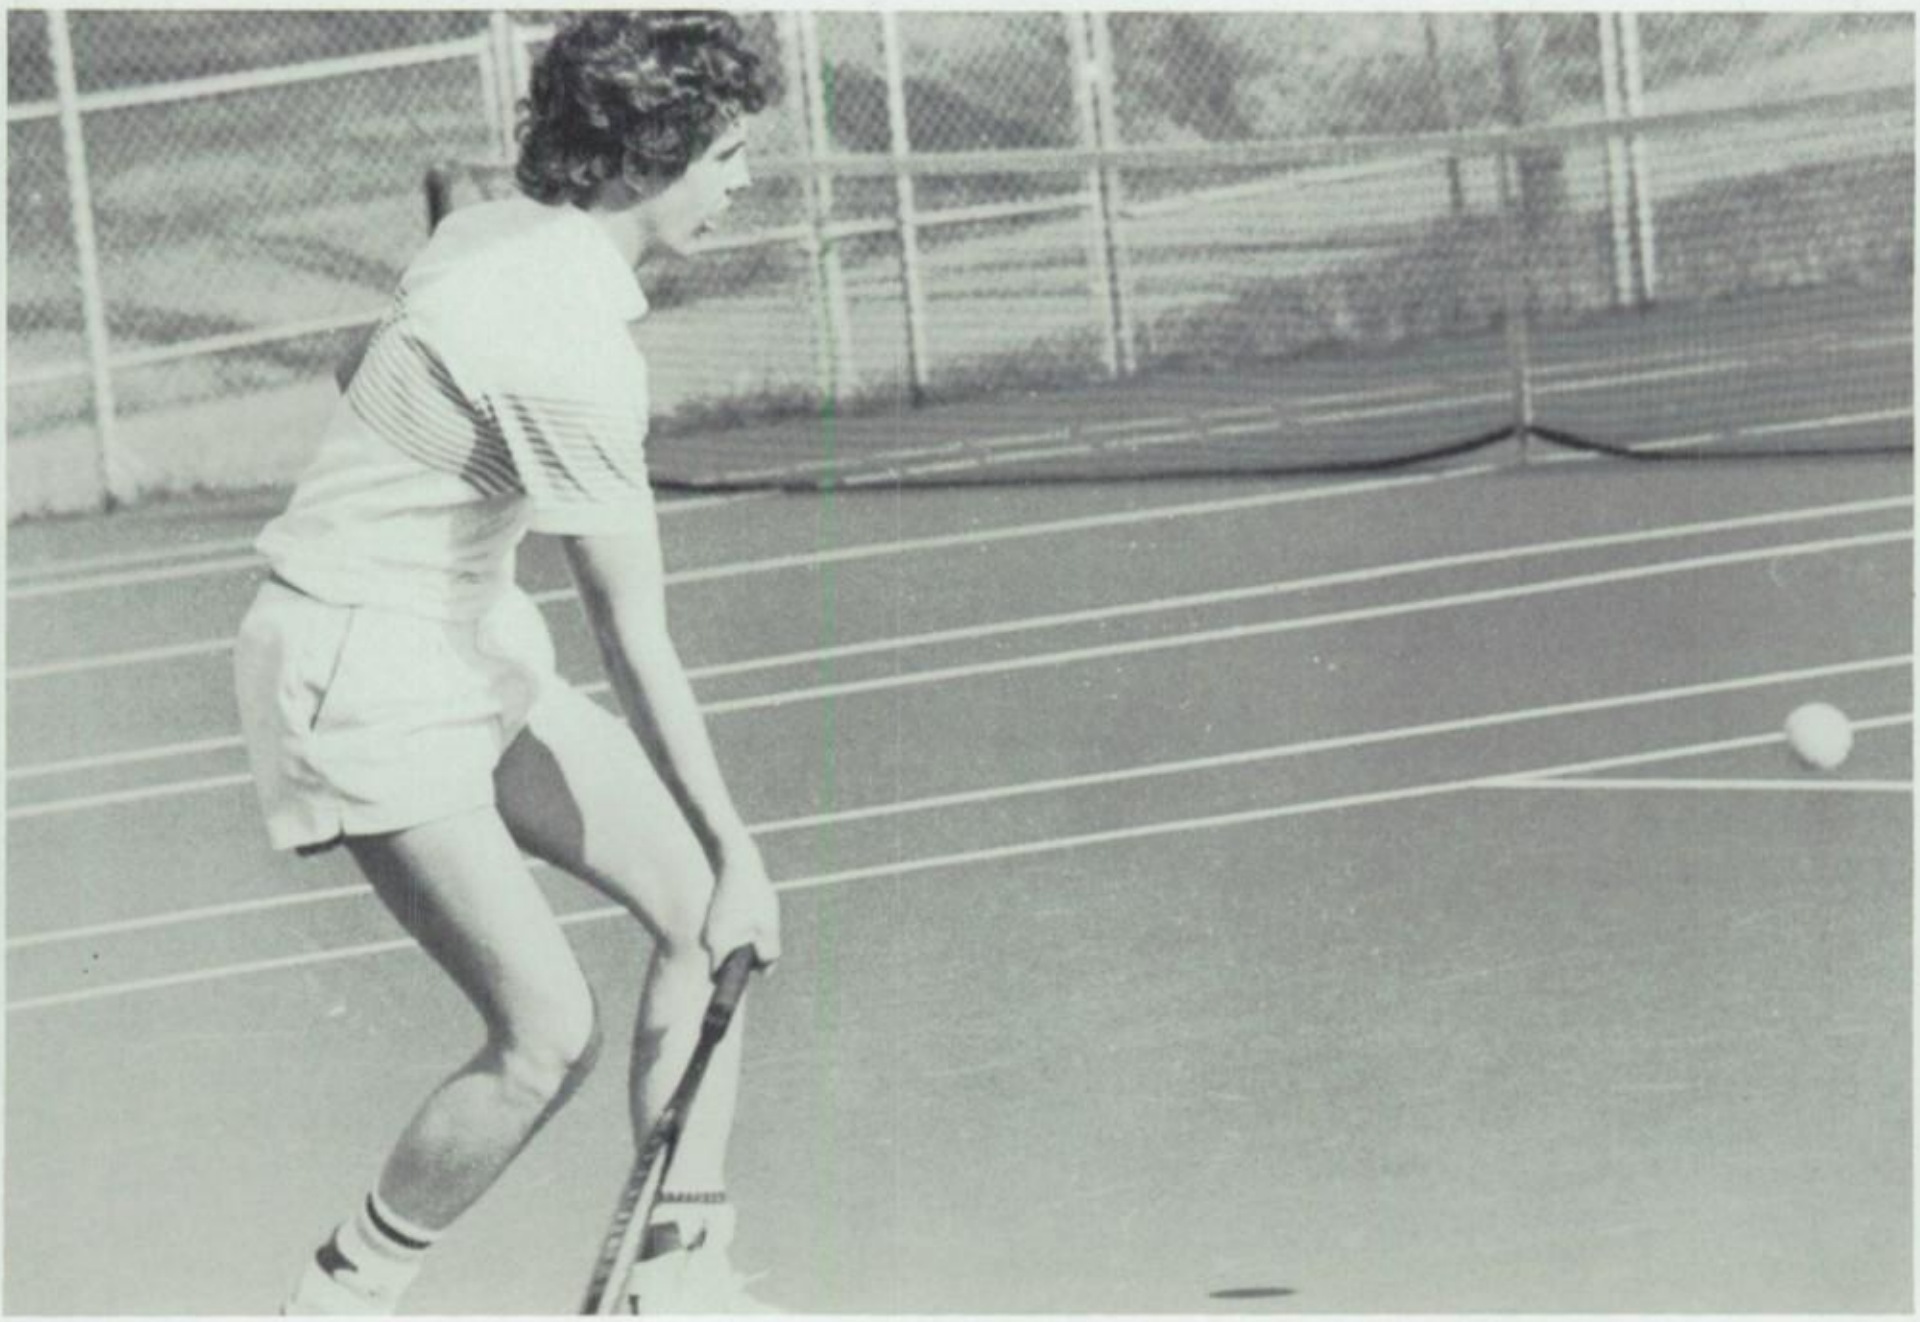


Once again the MBA netters had another successful tennis year. The team was led by seniors Hunt Warner and Mike Wood, junior Vivek Sahota, sophomore Tommy Frist, and freshmen Sterling Price and Arthur Henderson. The team had extemely good depth once again. Players not at the top, but who saw considerable action and contributed to the teams overall success were Bud Henderson, Chip Blaufuss, Beau Wilson, and Sandy McLeod. The 1985 team compiled a 15-3 season record. Highlights of the season were a 3rd place finish at the prestigious Carter Invitational at MBA and a 5th place finish at the Rotary Tennis Invitational in Chattanooga.



In the Carter Invitational Tournament played April 27th-28th, Hunt Warner captured the second place trophy in the Boys #1 singles and Tommy Frist gained 2nd place in the #3 division. In the district, MBA seized the crown, dominating the other foes with ease. Hunt Warner won the district by defeating Hillwood's Loy Cales. Tommy Frist finished 3rd ousting Fellow MBA player Vivek Sahota. Hunt Warner and Mike Wood placed 1st in the doubles division, outdueling the other MBA duo of Tommy Frist and Vivek Sahota 0-6, 6-1, 6-4. In the Region, Hunt Warner reluctantly accepted the 2nd place trophy while Tommy Frist finished #3 in the singles division, beating Ronnie Holmes of Whites Creek. The doubles team of Warner and Wood, in the midst of a previous turmoil with the coach, rose to the occasion and seized the region championship. Being down 6-1, 5-3, with the match game at 40-love, the seniors saved 8 match points and took control, winning the region for Montgomery Bell. Hunt Warner and Tommy Frist qualified for the state along with the doubles team of Warner/Wood, who were one of eight double teams to go. Despite Tommy Frist's impressive showing with a quarterfinal finish in singles, the MBA netters finished the season with a disappointing 5th in the state.





Mike Wood slams home an overhead.

Oooh, check that body extension.

McLeod leans into a backhand.

Microbe Tennis

Front row: L. Thomas, N. Sewell, C. Mcnabb, C. Cigarran, C. Petrie; Back row: S. Calloway, J. Cheek, A. Coulam, C. Perry

The 1985 microbe tennis team had fun and won in the process. This team was composed of seven players—seven talented players who proudly represented their school with a 6-2 record. Eighth graders Cheek, Robison, and Treadway proved to be strong leaders while seventh graders Thomas, Sewell, McNabb, and Coulam were, no doubt, powerful followers. The remaining nine of ten 16-player squad gave the needed support. These were Finn, McGee, Galloway, Cigarran, Namath, Perry, Petrie, Sloan, and Gilliland. The team's "claim to fame" was the victory over both McCallie in a triangular match at Baylor and an undefeated FRA squad. Though coming in a close 2nd in the HVAC tournament, the team displayed above-average progess—and still had fun.

Varsity Track

Front row: J. Joe, P. Bowers, R. Fakhruddin, J. Campbell, B. Martin, B. Crants, J. Thompson, J. Gardner, T. Cassetty, A. Davis, J. Cole, J. Jenkins, W. Meyers, B. Donnell, T. Carney, T. Owen; 2nd row: S. Malkani, J. Tacogue, R. Reddy, C. Hastings, B. Carothers, T. Humphreys, J. Rawlings, T. Bottorff, J. Owen, H. Reynolds, C. Brandon, D. Dillon, C. Trabue, P. Paris, M. Inman, C. Gayden, J. Mclaren, P. Soper; 3rd row: R. Baker, T. Jackson, D. Henry, J. Ryu, R. Po, R. Reed, P. Bond, F. Wilk, R. Alley, B. Mangrum, S. Rollins, W. Smithwick, S. Gilleland, D. Farrar, R. Page, G. Moon, J. Brothers, T. Scales, S. Burke, L. McDonald, D. Fish, F. Crowell

Bowers paces with the best.

The 1985 varsity track team will certainly go down in the record books as one of the school's most successful teams in several years. Although some suffered from the inevitable trackster's shin splints, this year's team was not plagued by the many crucial injuries for which the previous year's team was noted. The start of the season was enormously successful as the Big Red proceeded to blow away its first four opponents: Hillsboro, Hendersonville, Brentwood High School, and Franklin. The team also had to face Overton who has not been beaten in a regular dual meet in countless years. We could not overcome this powerful opponent but did hold them to a close 74-63 loss. The team, however, was able to rebound the very same week by placing second out of 16 teams in the Triangle Relays held at Brentwood Academy. Paul Bond, undefeated at this point, was able to pull off another victory in the 400. Johnny Thompson and Steve Rollins placed second in the 110 high hurdles and the 330 intermediate hurdles respectively.

4 X 200 school record holding relay team—Way to go, guys.

Coach Owen at the MBA track.

Coach Drake supervising at the Regional track meet at McGavock.

The Big Red upped its season record by beating Hillwood 88-49 before traveling to McCallie in the Tornado Classic. Although McCallie placed higher than us in their invitational, MBA came back to defeat them along with Glenncliff the following week in a triagnular meet. The Optimist Track Meet proved to be rather uneventful for the Big Red except for a school record breaking leap of 21' 4 ¾" by Gavin Moon in the long jump. At the Banner Relays, the team was more successful placing fifth overall. Paul Soper's vault of 12' 6" contributed to this favorable placing. In the Regional Track Meet, the team did well overall placing sixth but Paul Soper was the only member able to qualify for the State Meet. Three out of the four relay teams placed in the top five showing the exceptional team depth. Paul Soper went on to place second with an impressive jump of 13' in the pole vault at the state held at A. Steve Rollins and Johnny Thompson went on to compete in the Decathalon and placed 12th and 14th respectively.

Teachers, Supervisors, Involved Spectator

"How many seconds was the official time different from your watch, Coach."

Many of our tracksters contributed to our successful season with their outstanding and consistent performances. John Jenkins consistently threw in the 130' range in the discus. Peter Paris did well placing at least third or fourth in every big meet. Gavin Moon will be looking to break his own record in the long jump next year. The 4 X 200 relay team of Thompson, Wilk, Paris, and Moon established a new school record in that event. The 4 X 800 team of Alley, Gardner, Smithwick, and Reynolds came through to finish well in the Banner and the Regional meet. Paul Bond in the 400 meters and Steve Rollins in the 300 meter hurdles placed well throughout the year in their events. With only seven seniors leaving this year's team, next year's team should be able to continue MBA's tradition of success.

"Yes, Coach, we're mentally stretching."

Paul Bond begins his 50 second trek.

Freshman Track

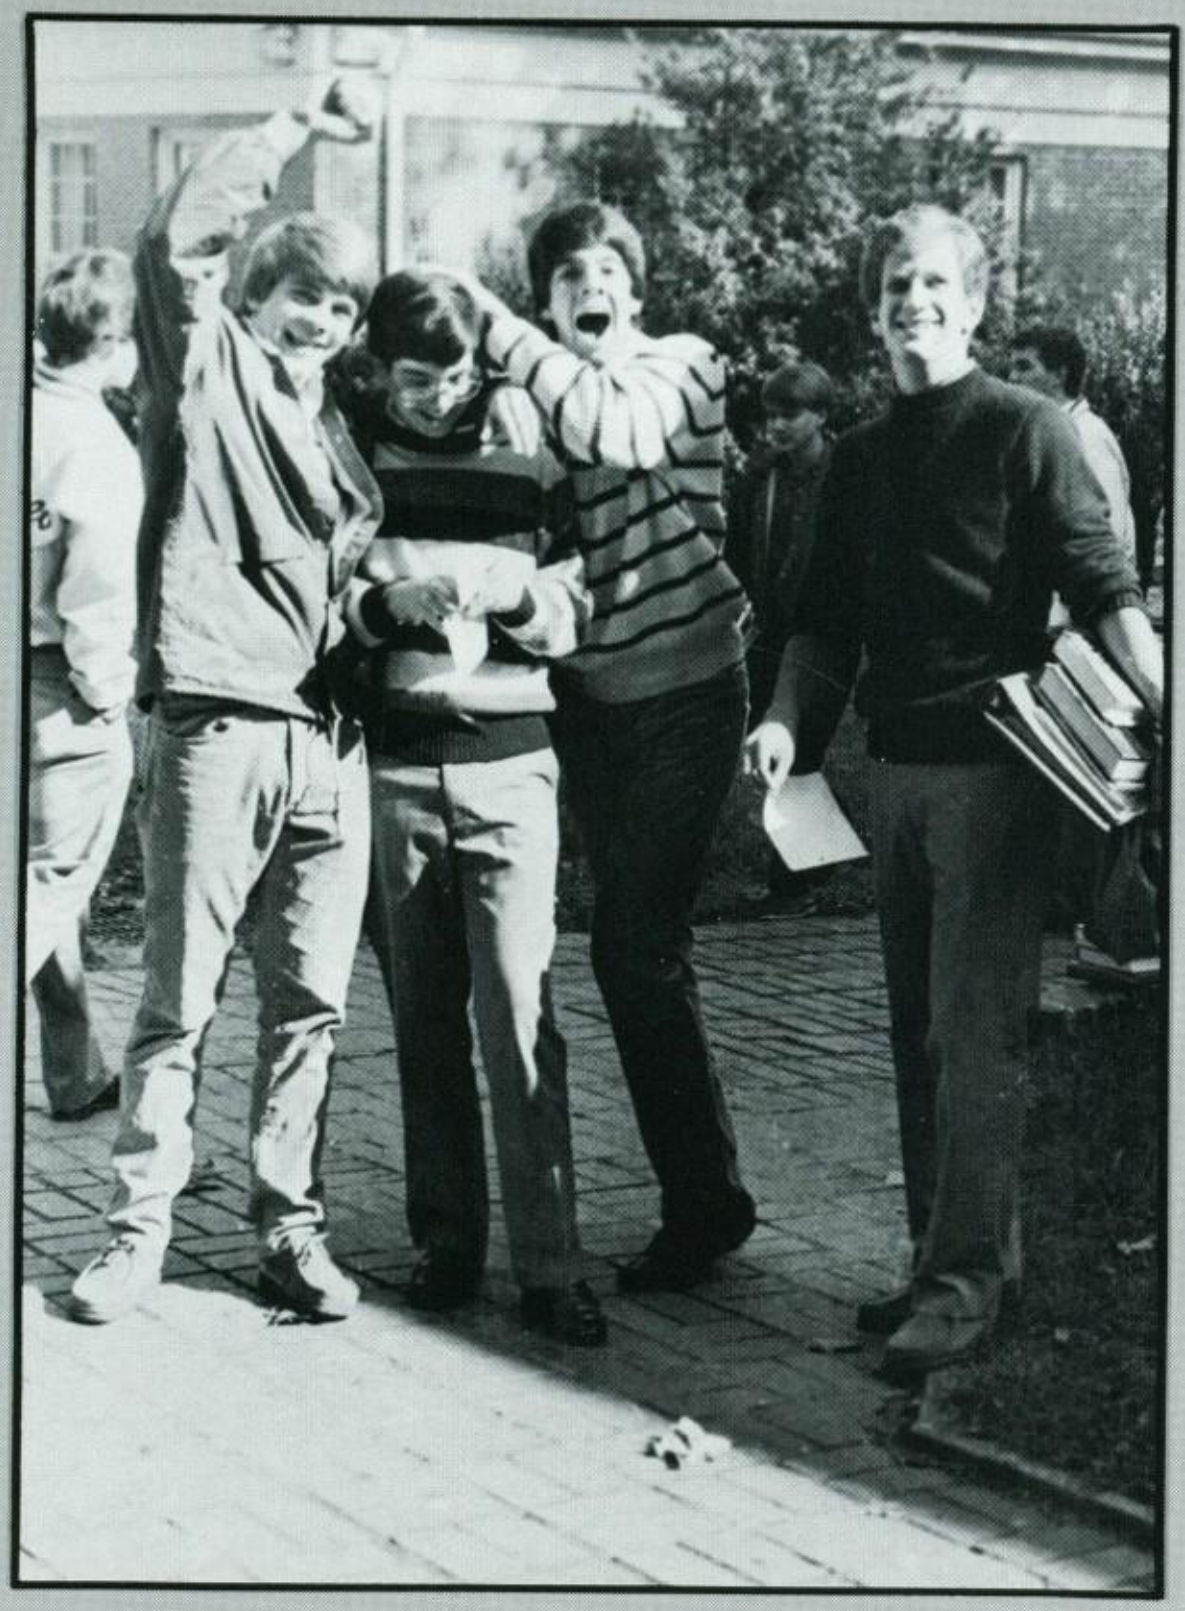
This year under the leadership of Coach Compton, aided by Coach Caldwell, Coach Owen, and Coach Pruitt, the freshman track team achieved a record of 4-1 in duel meets and placed 5th out of thirteen teams in the Olympic Trophy Meet at Overton. In duel meets, freshman soundly defeated Knox Doss, Hillwood, Apollo, and Franklin. Their only loss during the regular season was to Overton in a meet which came down to the final race. Leading the Freshmen in points this year were Michael McNally with 66.5, Steve Jobe with 57.25, and Trey Everett with 43. The Frosh had several city champions. Steve Zibas won the 1600 meter run with a time of 4:49. Although he did not win Zibas ran a 2:12.6 in the 800. McNally won the pole vault. Demetri Patikas won the shot put, and Everett won the discus. There were many other outstanding members of the team. Emmet Russell jumped nineteen feet, the third best Freshman leap in MBA history. The 3200 relay of Zibas, Knowles, Overfield, and Jobe set a new freshman school record of 9:1-.2. McNally vaulted to the 2nd best freshman height of 11 feet. The 400 meter relay team composed of Rice, Barrett, Spickard, and McNally ran a 48.6 in the Olympic Trophy, a mere tenth of a second off the freshman record. The coachs felt that the team was strong because it had individuals who did well in big meets and yet it had good depth all around too.

Front row: J. Hippe, B. Hitt, B. Penuel, C. Enders, J. Overfield, R. Westermann; (kneeling) M. McNally, E.Bueno, S. Zibas, J. Knowles, R. Speight, R. Barrett, S. Smith, B. Napier; (standing) D. Patikas, T. Everett, P. Keeble, K. Gilliland, D. Head, S. Jobe, E. Russell, D. Spickard, R. Archer, B. Link

Microbe Track

The 1985 Microbe Track team was best described by its sapient coach Anderson Gaither: "They are weak in numbers but strong in spirit." The Microbes gathered in early spring to be met by premature heat and a challenging schedule. The ardent spirit emerged from a courageous elite. The team demonstrated its talent in Lansdon Hyde's 5:00 minute mile, Bo Healy's 8'6" pole vault, and Rabin Nimmo's 5' mark in the discus. The team made steady improvement in other events as the season progressed, with the bright spot being the 4X100 relay team of Dan Brooks, John Hays, Jay Binkley, and Chris Jones. Unfortunately, the sport of track is scored on ability in all events and the microbes were unable to achieve a flawless season. The conclusion of the microbe season saw the great potential of many athletes arise but it was only enough for a dissatisfying sixth in the HVAC.

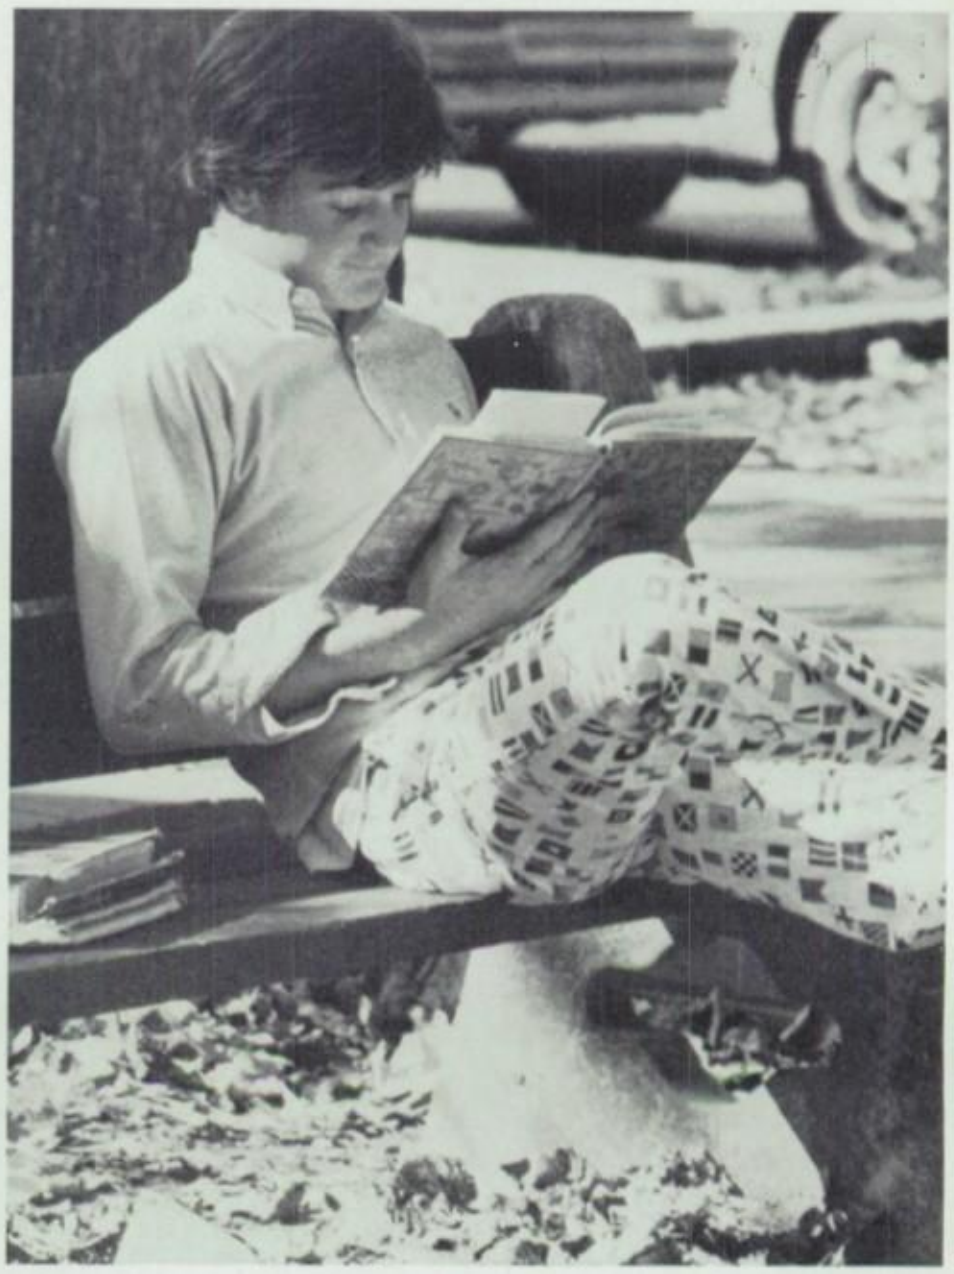
Life



Fall

There is a time to be born, and a time to die, and a time for war, and a time for peace, and a time to return to school: Fall. As the temperature remained warm and seasonable, and the pools remained open, the students returned to their alma mater in anticipation of the coming year. Though it soon turned cool, the season was a good one, and school seemed routine again. For the Friday nights of football, to the switch from short to long sleeves, to the changing of the leaves, it was clear that fall was a season to remember. It will probably happen next year, too.

"There's something about an Aqua Velva Man"



Nice Shirt, Mason.

Homecoming

Left to right: C. Holbrook, J. Brothers, D. Hagewood, B. Bainbridge, T. Stevens, S. Saperstein, K. Sanders, M. Hardcastle, S. Morris, H. Paine, K. Kirby, B. Francis, S. Young, C. Topply

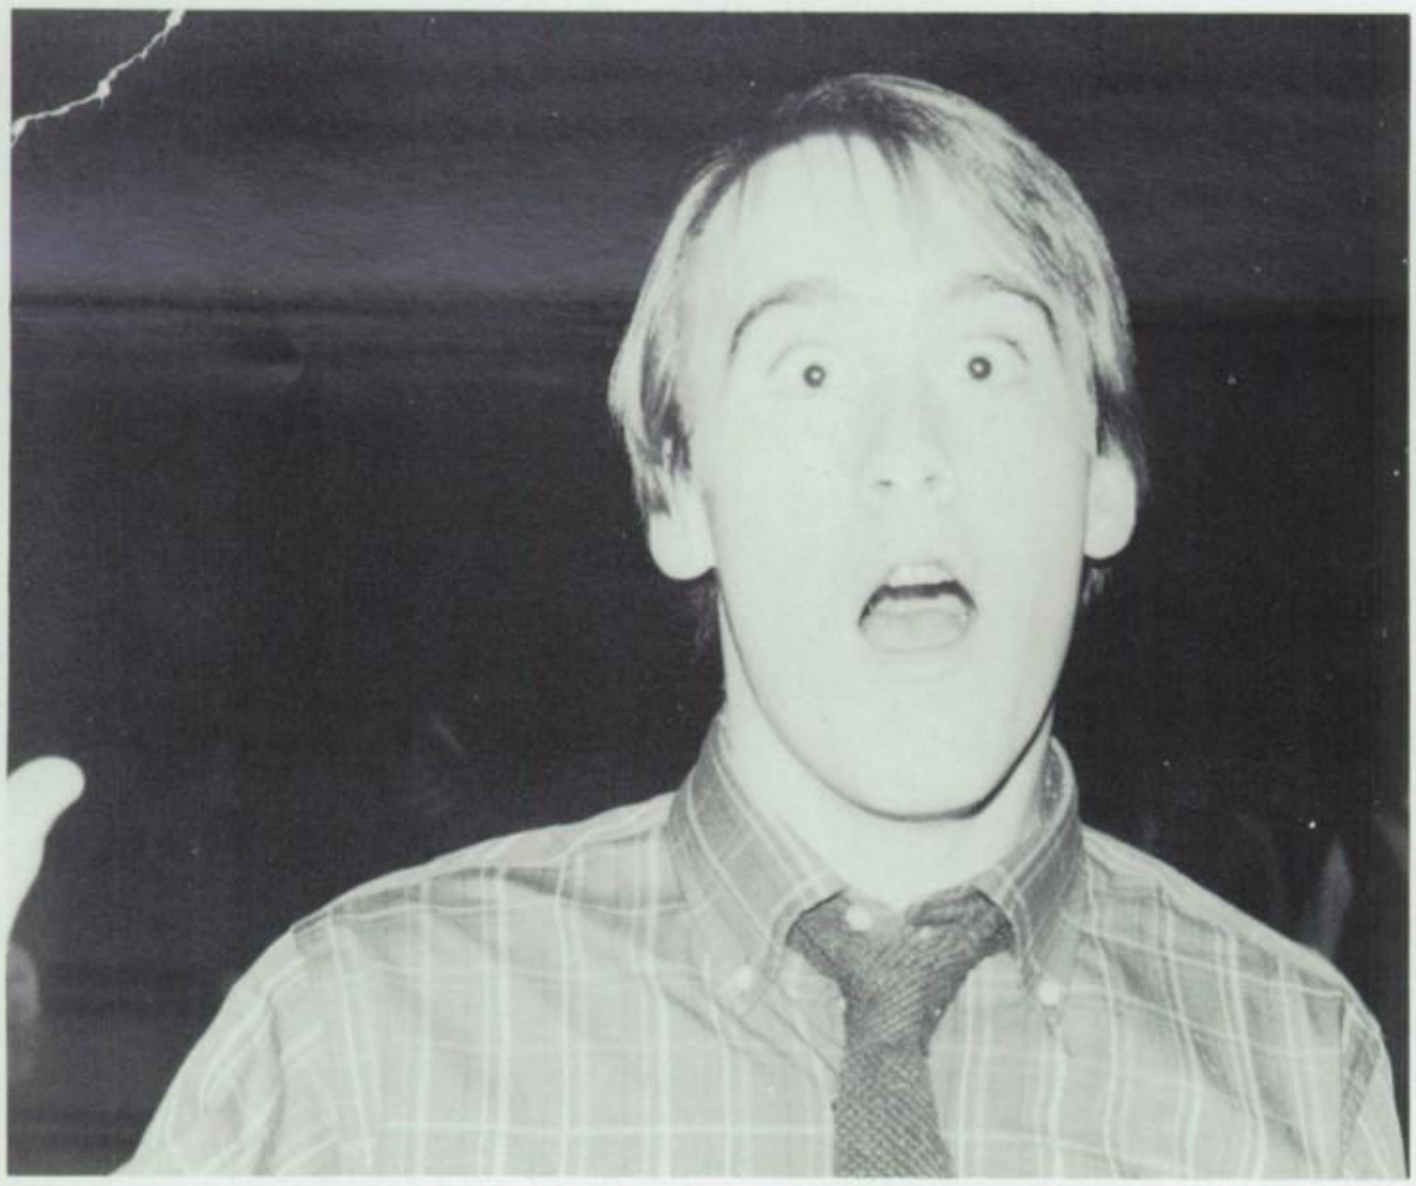
It was that time of year when the leaves were turning yellow, orange, and red, and the Mothers Auxillary were beginning the preparations for the grand feast which would feed almost three thousand. It was time for interesting assemblies to encourage the students against procrastination. It was time for Spaghetti Supper and Homecoming and everyone was ready with an anxious anticipation of the events to come. People from all over the Nashville area came to eat the famed spaghetti on which the mothers had worked so diligently. During the football game that followed, many festivities occurred including the presentation of the homecoming court and the drawing of the raffle tickets for lucky prize winners. After these dramatic happenings, the football team was allowed to continue its thrashing of Pearl-Cohn.

Ever-cheery freshman waitresses sacrificing their time.

Riotous crowd

DANCES

Dave Wood dishes out scintillating tunes as a post-football game D.J.



"Geez, maybe I shouldn't have danced next to the speaker all night."

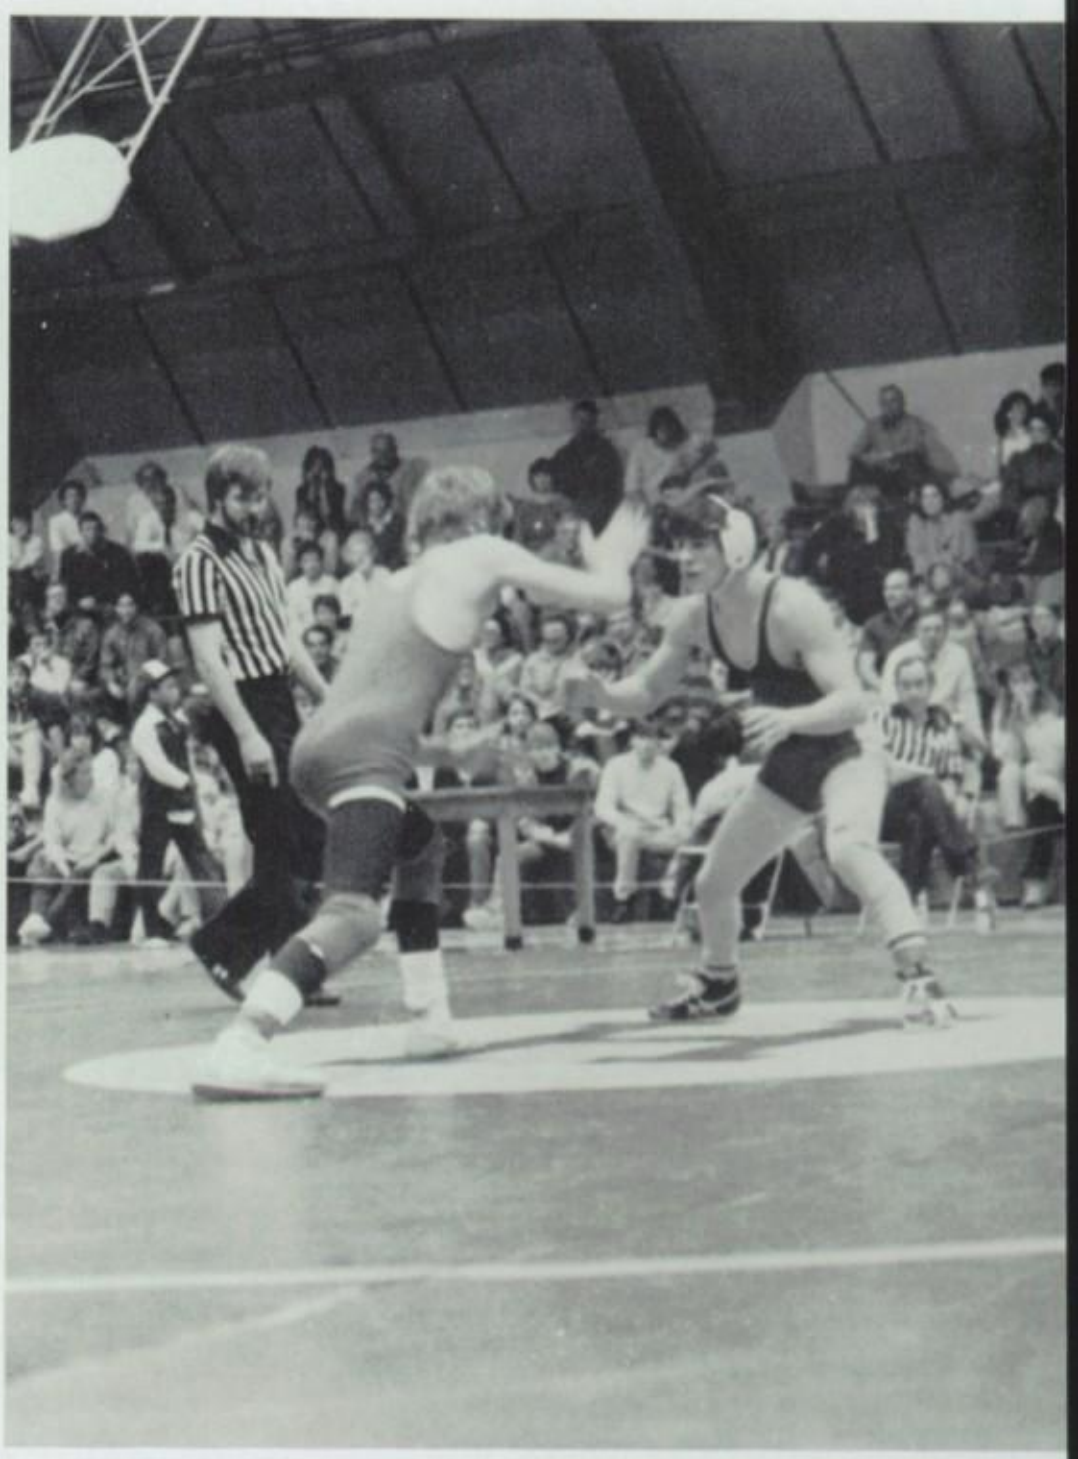
"Uhh—excuse me. No parking on the dance floor, please."

"1, 2, 3, 4, 5, 6 . . . 7?!? Hey, Jim, maybe you should take it easy on the Cokes, bud."

Winter

School soon became routine and accepted once again. The temperatures remained mild and seasonable, and football games were soon replaced by basketball. Then Old Man Winter came in a fury, seventeen below zero on the day of the first exam. Continuing cold insued. And SNOW. More snow than ever before was unleashed upon the exam weary and unsuspecting students. Nevertheless, MBA remained gallantly open, not willing to yield to Mother Nature's futile attempts to halt the ongoing quest for knowledge. But it did SNOW a lot, and the temptation to go sledding and playing in the snow off campus during school was only surmounted by the ingenious students who compromised and rode their sleds and rolled mamouth snowballs on campus.

"Of course not; real men don't get cold."



SENIORS #1

Assemblies

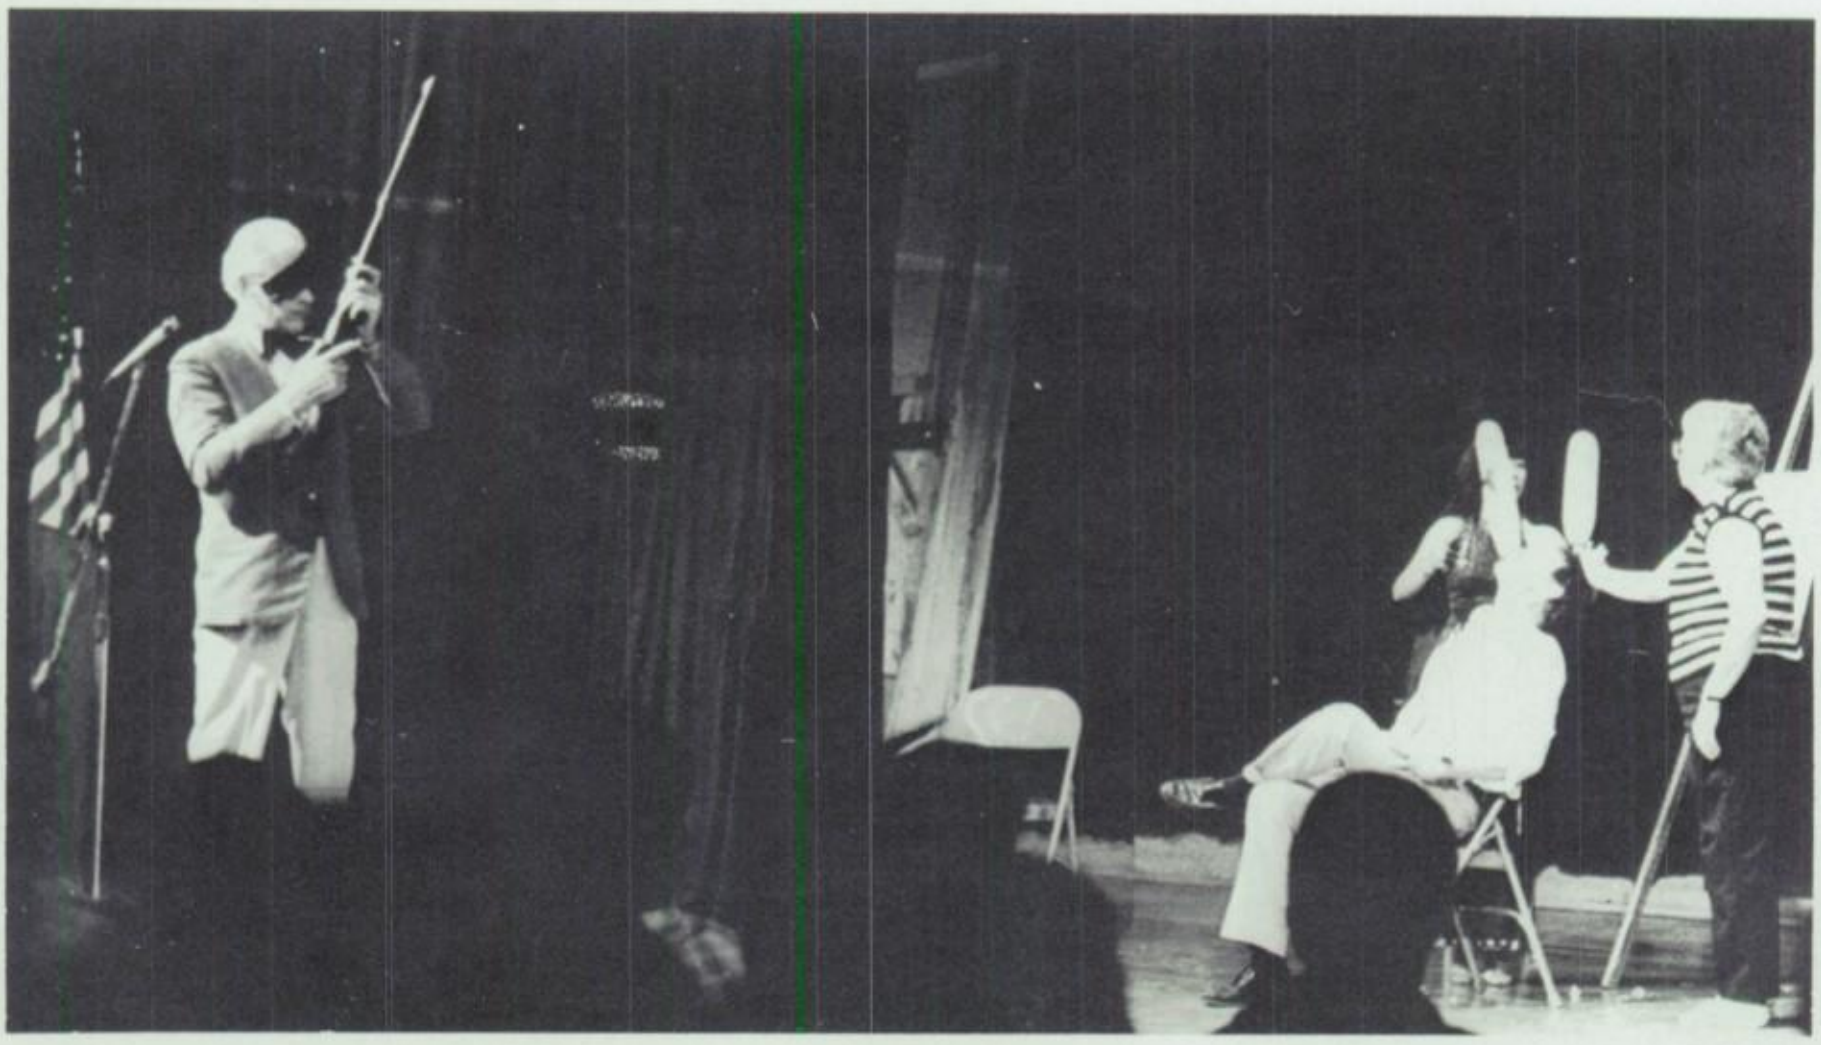
Throughout the 1984-85 school year, the words "Special Assembly" made many students and teachers alike cringe at the thought that the forever changing schedule would be further manipulated, cutting out time for a possible in-class theme?!, major test, or simply extra knowledge that could be absorbed. In several cases this year, however, the assemblies were interesting and enjoyable. During the few weeks before Homecoming, as usual there are some quite amusing spectacles of self-humiliation. The "Sell Those Tickets" pitch was greatly aided by the mop headed "Blues Brothers" with furry legs that sang and actually did look like spaghetti supper meatballs. Another of the "Oh my, we got to go to what!" assemblies turned out to be an interesting talk on drug abuse by a rehabilitated drug user who could relate to everyone on a student level.

Drake and Hardcastle grovel for laughs.

Speaker gives informative talk on alcohol and drug abuse.

The next event which boggled even the quick mind of senior Steve Stroman was the magnificent Calvert. Magic was never more illusive. Then, there was the group from where else but Oklahoma. "A Chorus! Friday eighth period and Everyone is required to come!"—MBA students learned that there are choruses that sound good (and even have a rock band). As tedious as some assemblies can be there are some exceptions to the rule as these examples past year show.

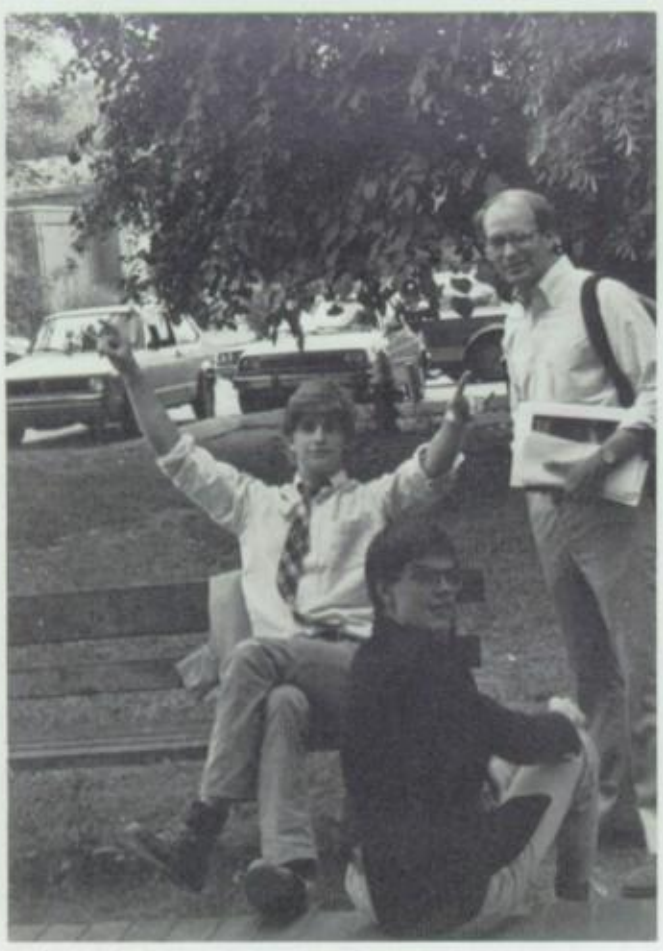
Bad Boys from Oklahoma rock students at MBA.



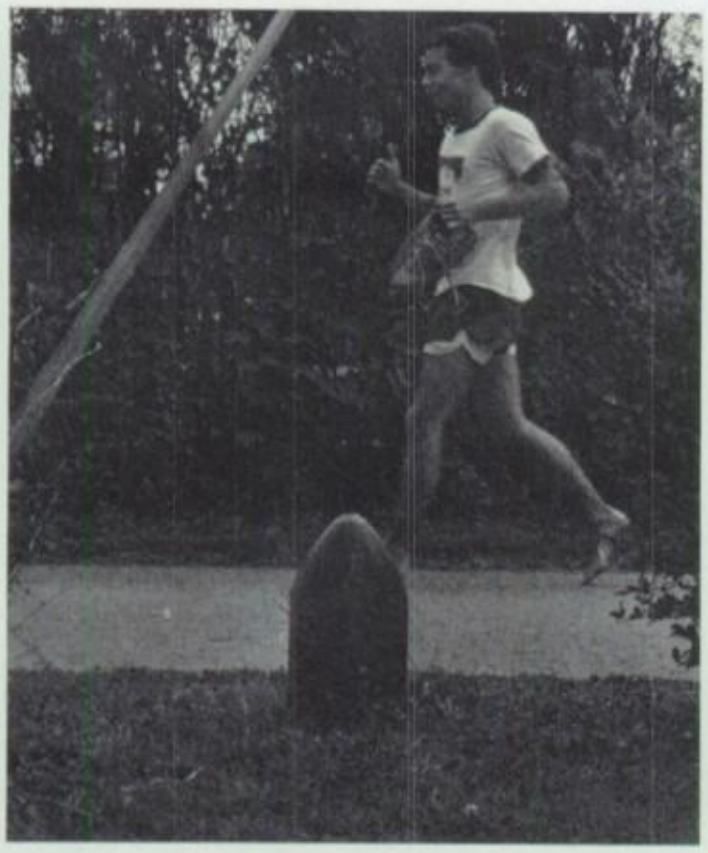
Calvert pits his magician's skills against Andy "Nerves of Steel" Gaither as Dr. T looks on.

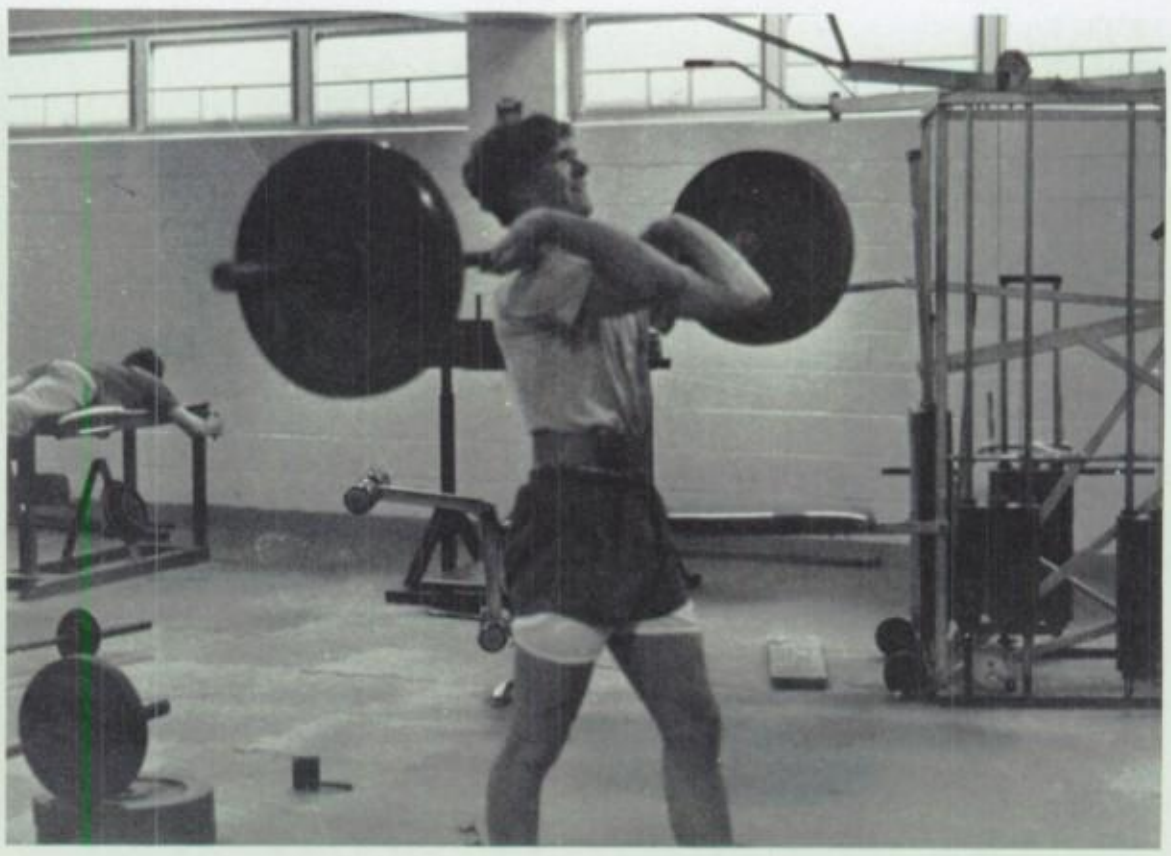
Spring

As the snow slowly melted into slush, attention turned to the matters at hand; the state of Florida and the sunshine above. Classes continued, oblivious to the heat outside; and soon, after the southward pilgrims had returned, the powers-that-be commanded a plague of locusts to punish the wayward students. Afterwards, seniors began disappearing at high rates of speed; then came exams; and then it was over . . . Spring was fun.



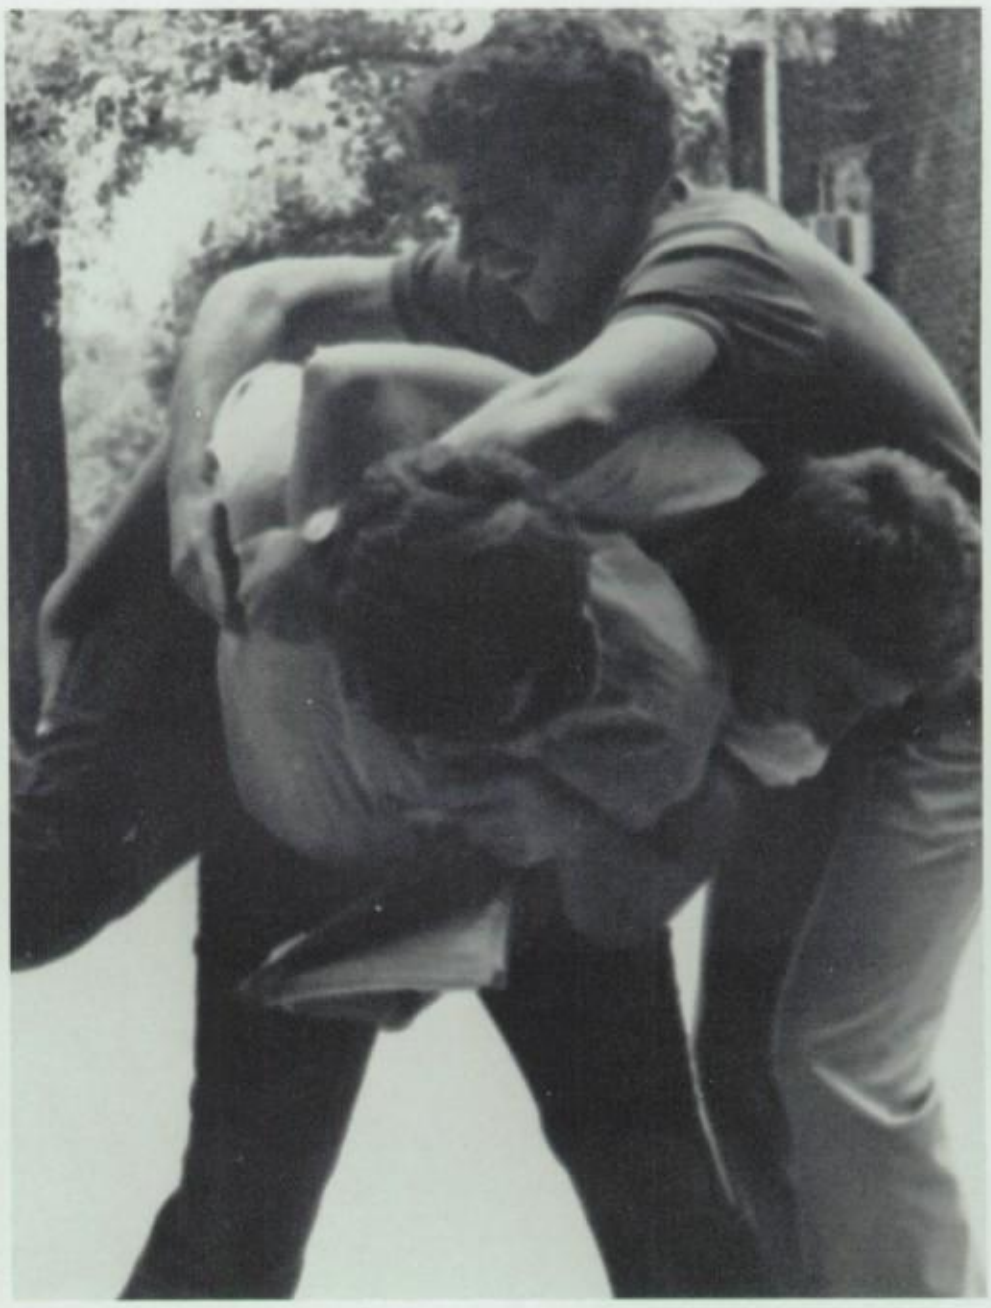
Avid track supporter sits in awe of her company and all the miraculous feats being performed.





Nice shorts, men.

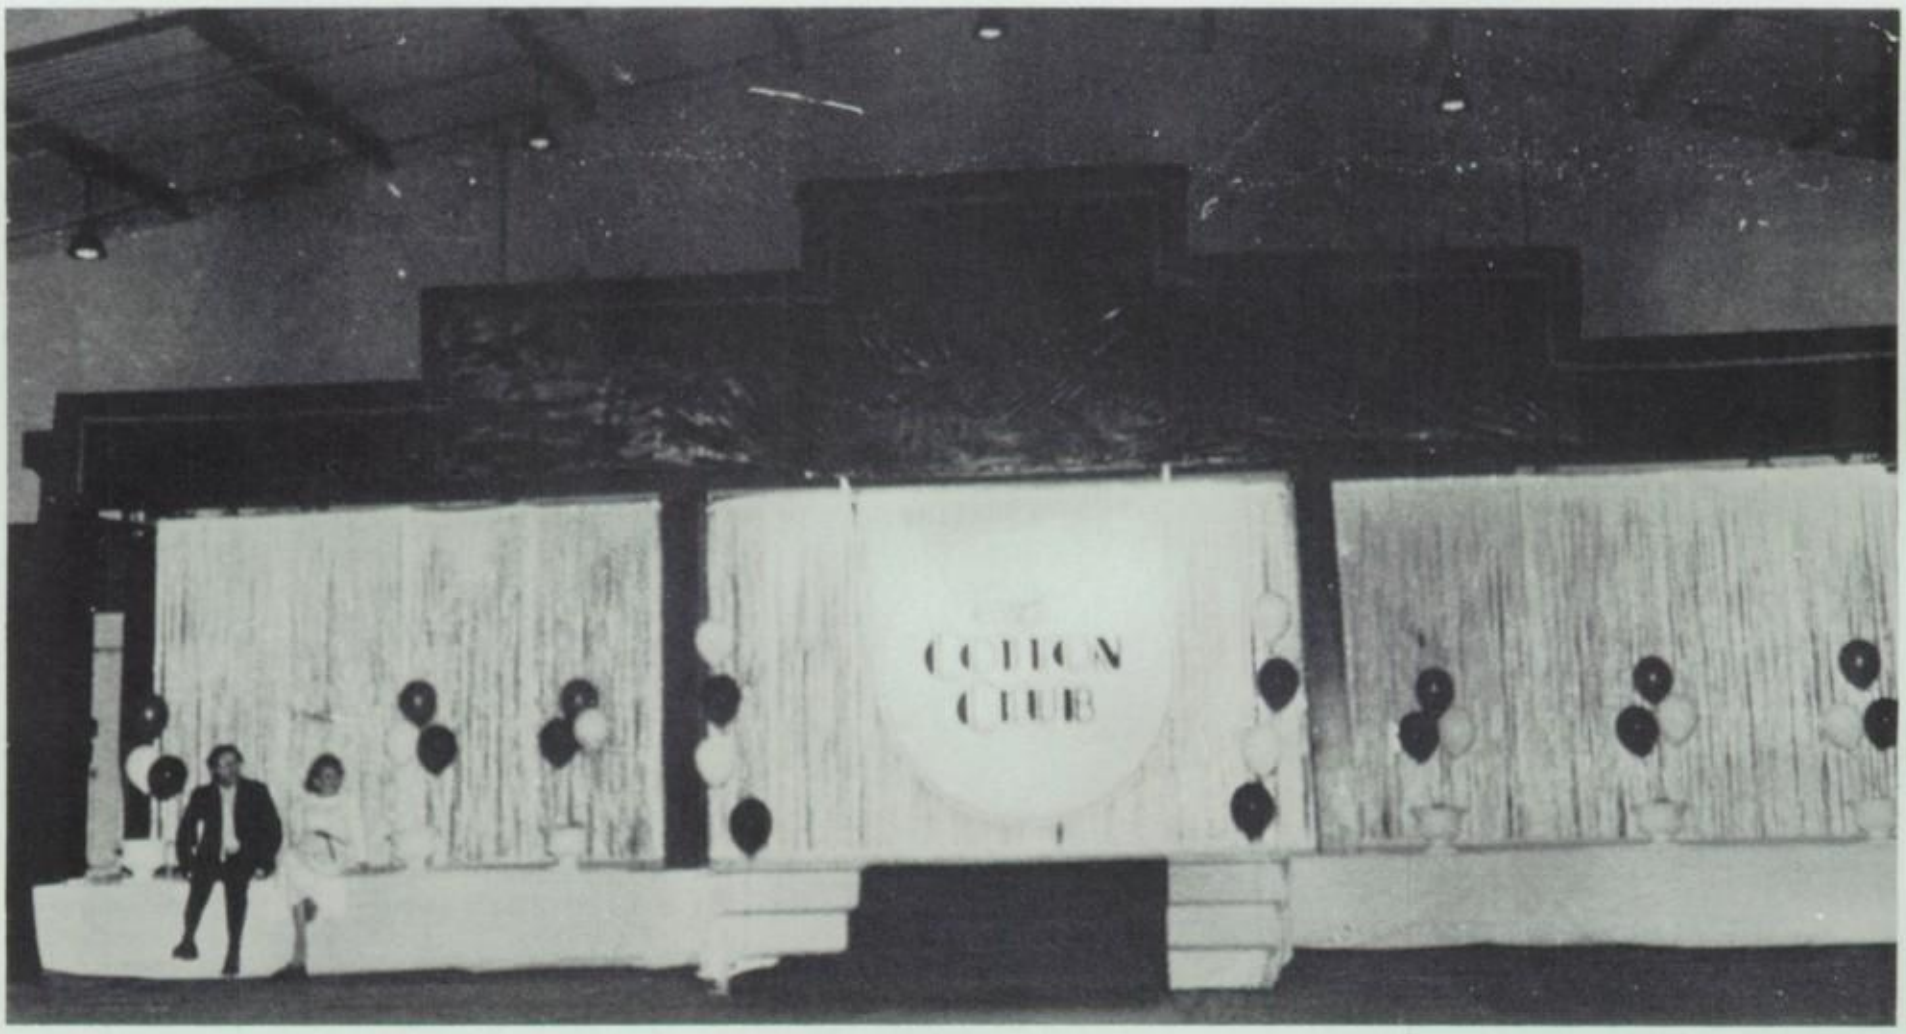
Big Brother lives!



"More weight."

"It'll hold something else, don't you think."

Prom '85



"Yes . . . the columns are black."

"Let's Boogie"

At the beginning of May for the last eight consecutive years, the concern of almost every senior on the hill was how good the Prom is going to be. As May approached in 1985, the seniors had a lot of new questions for the juniors: "Will there be a Prom?!?" The insulted juniors took up the challenge, and with the leadership of construction chairman Jimbo Hunt and student council members Rob Ikard and Don Fish, the Prom turned out to be a true success; some might think the best ever.

The packed house didn't look concerned, though, for the agony which the juniors went through to set up the two hand painted backdrops, the inside fountain, and the presentation backdrop. The Little Saints took away any pessimistic thoughts of the Prom being a flop as they rocked the Brownlee O. Curry gym with "I'll Stop the World and Melt With You", "Rosalita", and other songs from such well-known groups as The Police, U2, and The Talking Heads. Paul Richards and Robin Henderson took top honors for the most interesting tuxedos as they dazzled any onlooker. The "Cotton Club" theme worked well, and except for the infamous "black columns" the Juniors should be congratulated on a job well done.

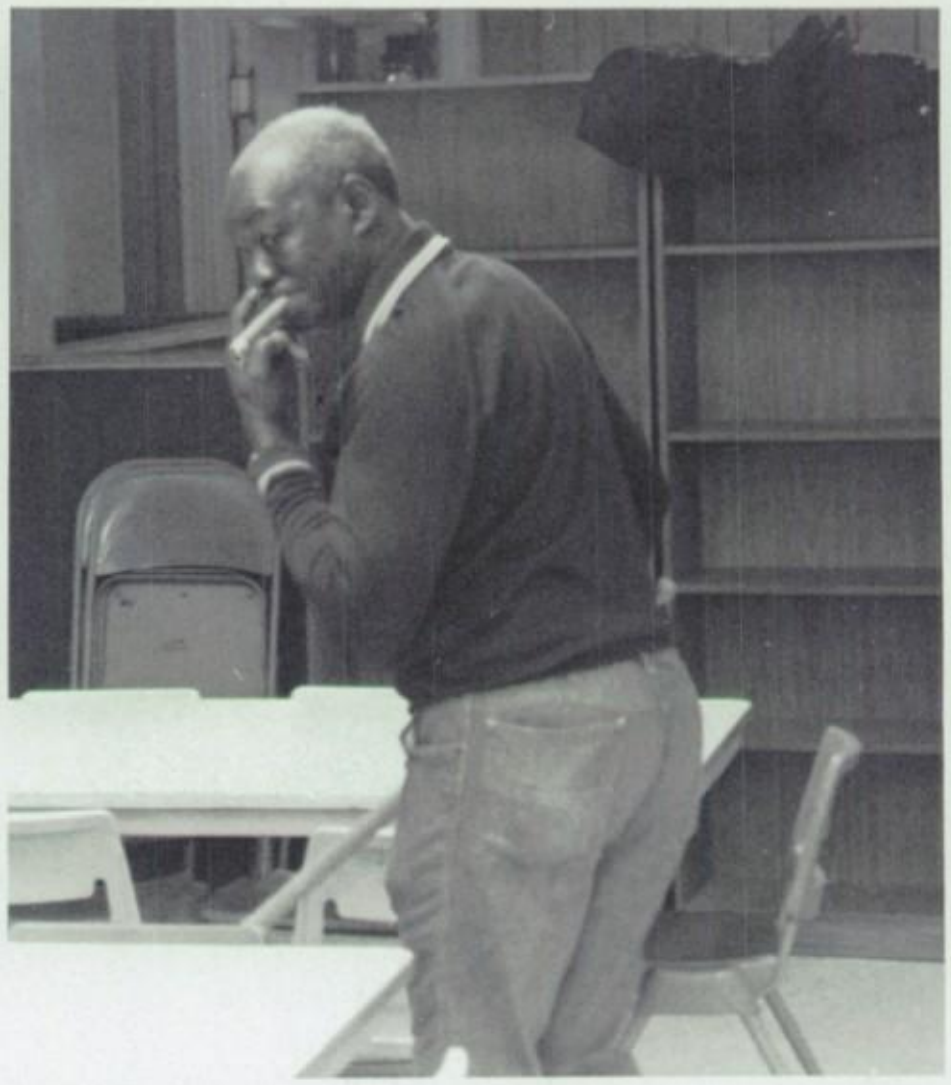
"Gee . . . aren't these flowers pretty?"

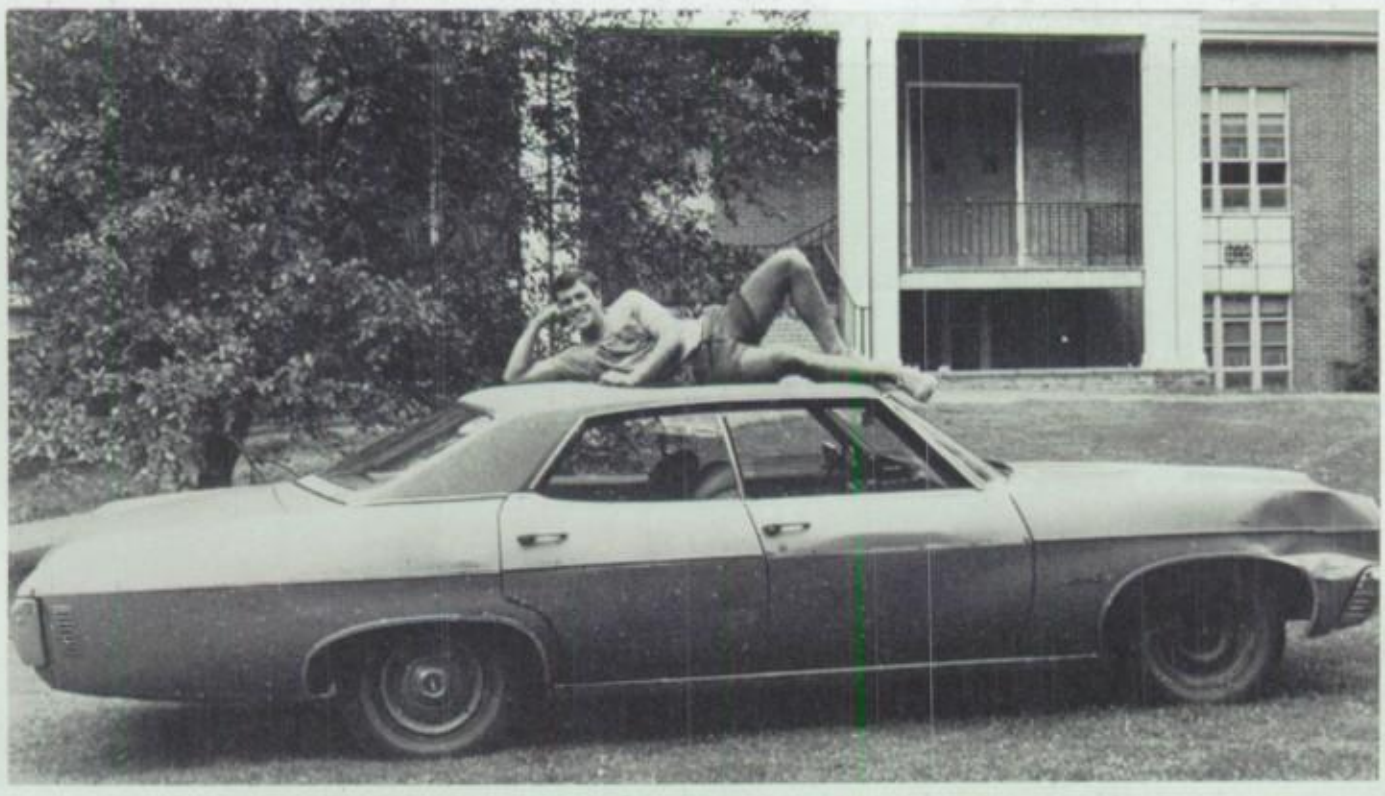
Jeff Frace' hard at work

"Isn't that a dress code violation?"

"Who are these masked men?"

" . . . Well, mister, uhh—umm . . . yeah, I'm gonna' . . . mmhmm—yeah . . . "





"Impala—there is no substitute."

too small point size - cut text

The 1984/85 Student Council met with a magnitude of zealousness every Tuesday night in the physics lab. The Student Council was involved in three areas of pursuit. First, in the area of student activities, the Student Council sponsored many dances after football games. Also, the council sponsored a "Lame Duck" dance starring Tyrone Smith toward the end of the year, and the junior class officers are, of course, responsible for the prom. Second, in the area of administrative decisions, the Student Council worked very closely with Mr. Bondurant and the administration to represent the students' views about changes in policy and other problems. The S.C. was responsible for initiating a proposal to let the students begin to use the popular Roberts' Room during different study halls. Finally, the Student Council was involved in community service projects. Seniors were involved in a YMCA project where they would tutor Cambodian refugees two days a week after school during their season off. The council also sponsored programs for the Second Harvest Food Bank, the Heart Association, the Tennessee Special Olympics, and a prison art show. The Student Council's most involved contribution to the community was the soup kitchen, sponsored the first Saturday of every month. Overall, the Student Council is a very important part of the total MBA experience and has helped MBA gain its superb reputation in our community. The 1984/85 council worked especially hard and should receive great acclaim.

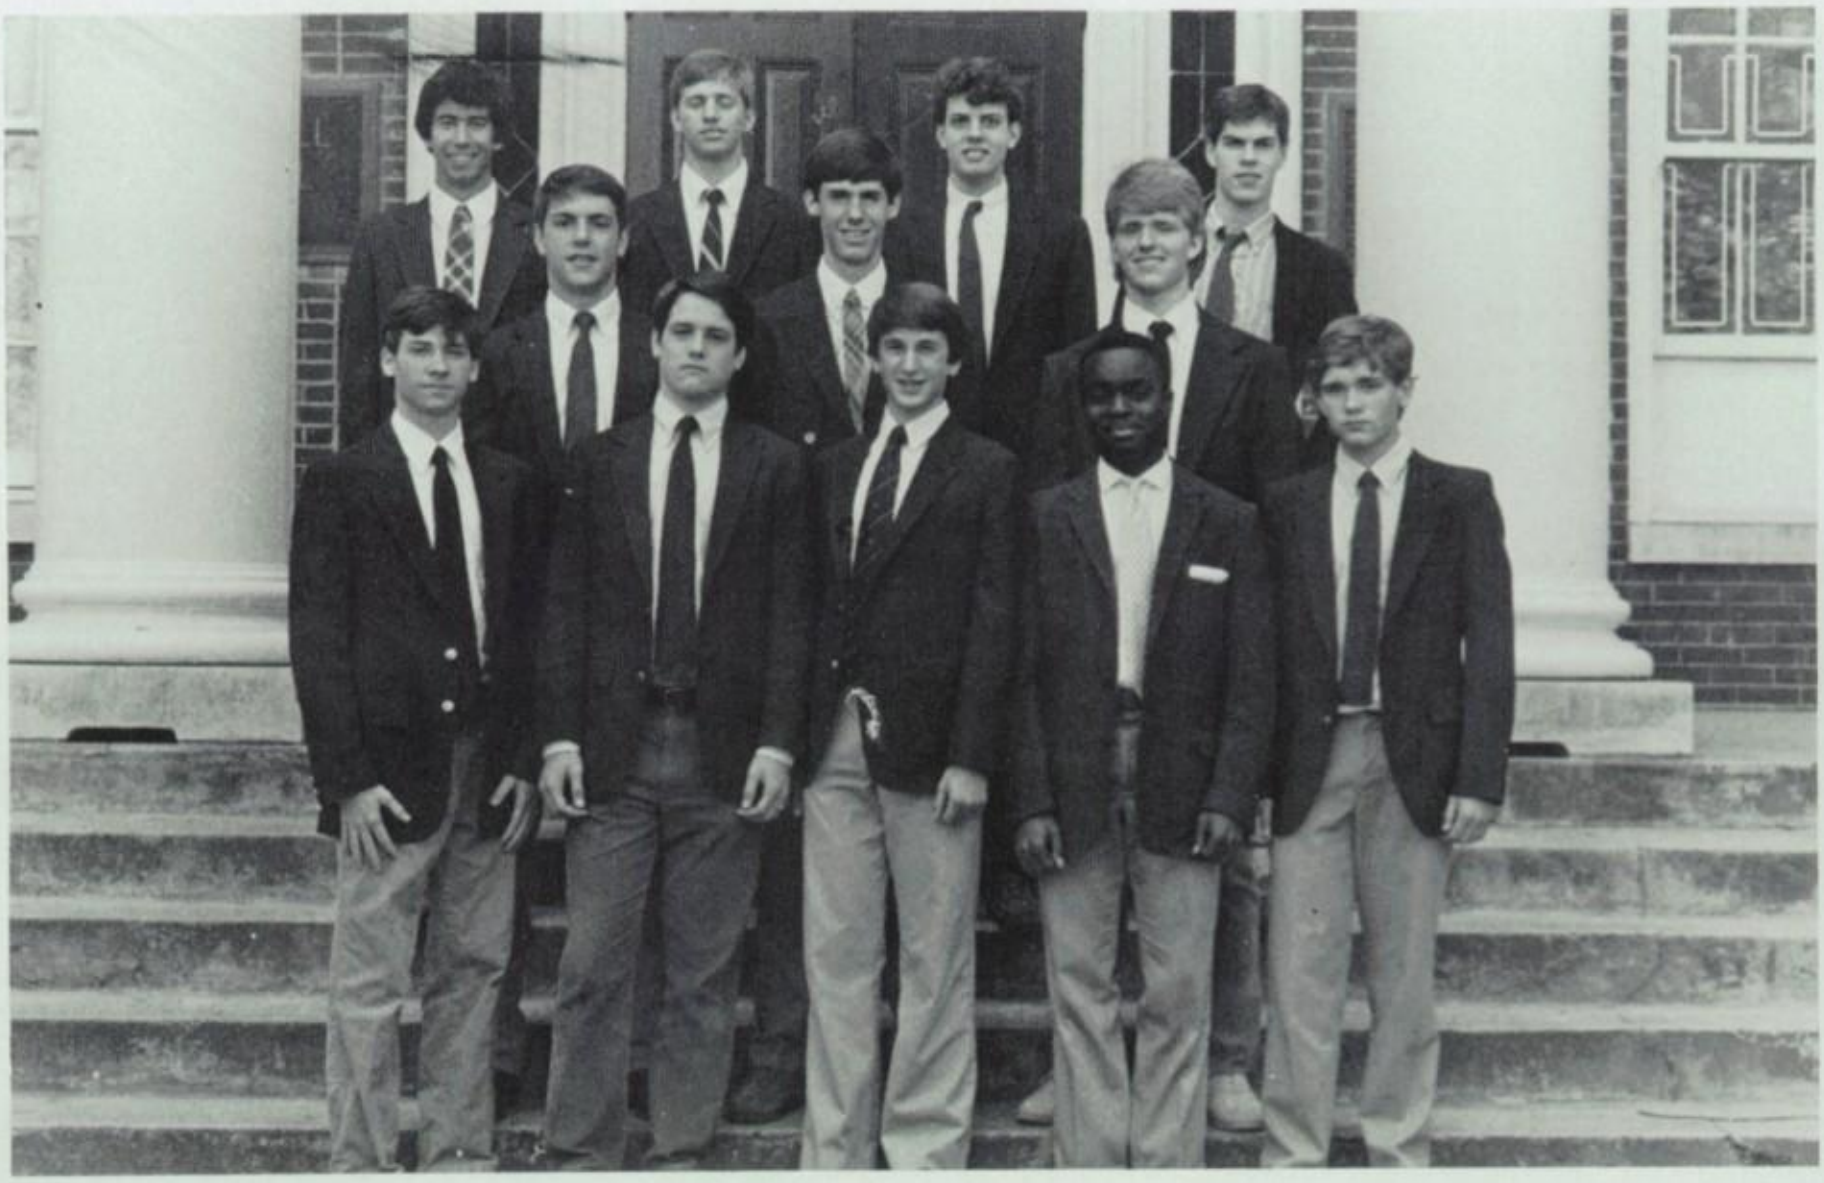
The Soup Kitchen

The Student Council sponsored a Soup Kitchen every first Saturday of the month that was held at Holy Name Catholic Church down town. The Council would take up money to fund the event during class meetings prior to that Saturday. The meals would then be planned and bought in order to be ready for anyone who might pass by and need a good hot meal for the day.

At 8:30 Saturday morning, about twelve students would meet at MBA and then carpool to Holy Name. Once there they would cook the food, serve the hot meal to street-people, and stay till around 1:30 to help clean up.

Dr. Crowell and Mrs. Margeret Don should be commended for their excessive amount of work to make the entire Soup Kitchen program, as well as MBA's, a heart-warming success.

Honor Council



Front Row: Jim Campbell, Bill Cochran, Jay Riven, Travis Jackson, Peter Dudley; Second Row: Johnny Thompson, Steve Jobe, Brian Donnell; Back Row: Rob Alley, David Smith, David Chickey, Scott Thompson

This year's Honor Council, headed by Senior officers David Chickey, Rob Alley, Scott Thompson, and David Smith, continued its sometimes difficult task of upholding the honor code at MBA. Created in 1945 by Dr. R.L. Sager, the Honor Council is designed to promote honesty, integrity, and self-respect among the students by discouraging them from lying, cheating, stealing, and deceiving. The Honor Council is composed of a small body of students elected from each class: 4 senior representatives, 3 juniors, 2 sophomores, 2 freshmen and 1 Junior School student. It hears cases involving any violation of the Honor Code and determines a punishment suitable for that violation. In addition to carrying out its customary duties, this year's Honor Council finally completed the almost two-year-old project, initiated by former Pres. John Harrison, of amending the original, now obsolete charter. After innumerable meetings and mishaps, and, finally, an ultimatum from Dr. Crowell, the saga of the "New Constitution" came to its climax. In the end, there was Honor Council President David Chickey dictating the new charter from memory because the only copy had been lost on the night before it was to be put to a vote before the student body. Luckily, nobody noticed. It was obvious that the old document, which acted as an outline and guide for the council's actions, was very outdated in a number of areas, particularly in the election procedure, the interpretation of "an act of deceiving", and the details of procedure and punishment. Under the new constitution, the election procedure used in recent years has been put in accordance with the charter. In addition, the punishments are now more clearly defined. A first time minor offense merits a warning. More serious (first degree) offenses would be put on permanent file. The second degree punishment for the next offense implies a probation of up to three days. Any further violation will result in expulsion. It is hoped that these changes will facilitate the more efficient use of the Honor Code at MBA.

Junior Honor Society

Front Row: K. Kono, D. Chen, C. Geddie, R. Westermann; Second Row: E. Sundell, C. Fly, K. Gilleland, B. Martin, D. Spickard, S. Malkani; (not pictured): R. Archer, C. Hailey, C. Handee, B. Hassler, J. Haynes, C. Jones, J. Norris, J. Rice, W. Strayhorn

National Merit Semifinalists and Finalists

Each year the National Merit Corporation honors high school students across the nation as a result of their scores on the Preliminary Scholastic Aptitude Test (PSAT). A student is selected as a Semifinalist if his or her score is above a certain cutoff point set each year by the Corporation. Another cutoff point is set to honor commended students. Those Semifinalists who have upheld high academic standards and had continued success are usually later selected as Finalists. Many colleges and universities around the nation honor Semifinalists and Finalists with scholarships if they choose to attend their school. Congratulations to these MBA students.

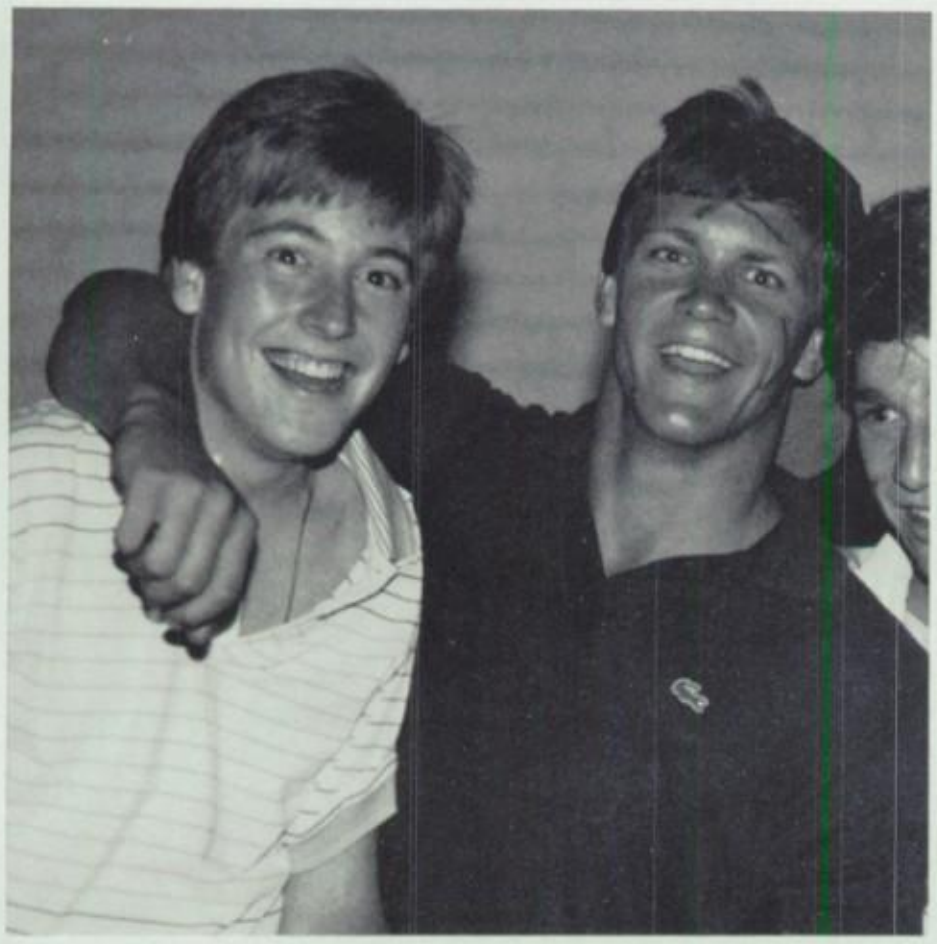
FCA

Front row: J. Griffith, B. Martin, R. Henderson, S. Stroman, B. Whitson, G. Bumstead, F. Downey, P. Lilly; 2nd row: B. Henderson, T. Humphreys, T. Owen, C. Schaefer, B. Mangrum, C. Blaufuss, B. Fitzpatrick, C. Sanders; In the back: A. Davis, J. Cole, T. Cassetty, J. Thompson, C. Mayes, J. Stroman, J. Owen, D. Smith, B. Fuson, B. Hannon, S. Thompson, B. Cochran, B. Donnell, Campbell, T. Patkias

This year the Fellowship of Christian Athletes began with a tremendously successful organizational meeting at Bill Cochran's house in which the group of fifty ate, planned, and played "frisbee football" at Percy Warner Park. The success carried on into the regular meetings, which attracted many different people from the student body because of a relaxed atmosphere in which anyone could freely express their views. The exciting and diverse meetings included a joint meeting with Harpeth Hall's Christian Fellowship on November 19th to hear Scott Rolley sing; different discussions based on the scriptures about the Prodigal Son, David and Goliath, and letters to Timothy from Paul; discussions on Christian and Rock music and their effect on us; speakers such as Doug Pollack and the talented Joe Bias. Before most meetings the Fellowship ate together, and throughout the year enjoyed some "recreation nights". One of the most significant accomplishments of the fellowship was the beginning of a Prayer List and the open prayers at the start and conclusion of each meeting. Through the leadership of Scott Thompson, Steve Stroman, David Smith, Bill Cochran, and Coach Mark Elliott as sponsor, the FCA grew in members, and the members grew spiritually. President Scott Thompson expressed his satisfaction with the year by saying that the group was " . . . literally a 'fellowship' of Christian athletes."

Service Club



This year the Service Club enjoyed magnanimous success under the leadership of President Harry Peffen. Among the greatest accomplishments of this year were the raising of over two hundred dollars for the Chilren's Hospital on Palm Sunday and helping TOTT (Taste of the Town) at the Belle Meade Mansion. Aside from community services, the MBA service Club devoted itself to many services here on the Hill. The Club was responsible for ushering at football games, cleaning up the gym after the Spaghetti Supper, and after many basketball games (a task not to be taken lightly). According to Mr. Bennett, the Service Club sponsor, "This year's Service Club did the best job after basketball games that I have ever seen." Once again, the 1984-85 Service Club fulfilled its responsibility to the school in a high-minded fashion.

Front: G. Bumstead, F. Downey, R. Henderson, M. Hardcastle, D. Muddiman, B. Whitson, J. Stroman, B. Cochran, C. Sanders, J. Hunt, J. Robbins; Middle: J. Griffith, S. Stroman, T. Patikus, T. Maston, B. Frahn, H. Peffen, R. Black, C. Brandon, S. Thompson; Back: J. Thompson, C. Mayes, C. Fridrich, D. Malone, T. Brothers, H. Walker, D. Smith, R. Bueno, L. Vaughn, D. Wood

Chorus

Front row: B. Stahlman, M. Ross, E. Falk, V. Morehead, J. Lamb; 2nd row: C. Fawcett, C. Geddie, C. Lutz, J. Dillon, M. Starr; 3rd row: D. Wood, J. Huddleston, T. Hsueh; Top: P. Richards, B. Mangrum

During the Christmas season, the chorus sang at many schools such as St. Cecelia, Harpeth Hall, and finally ending their festive tour at MBA. The chorus also frequented the special occasions as they enlightened the Father-Son Banquet. The chorus' year ended with a spring tour and, of course, a performance at Commencement. The arduous and enduring practices of singing hour after hour in the early morning and during eighth period have paid off this year with fabulous appearances all over Nashville.

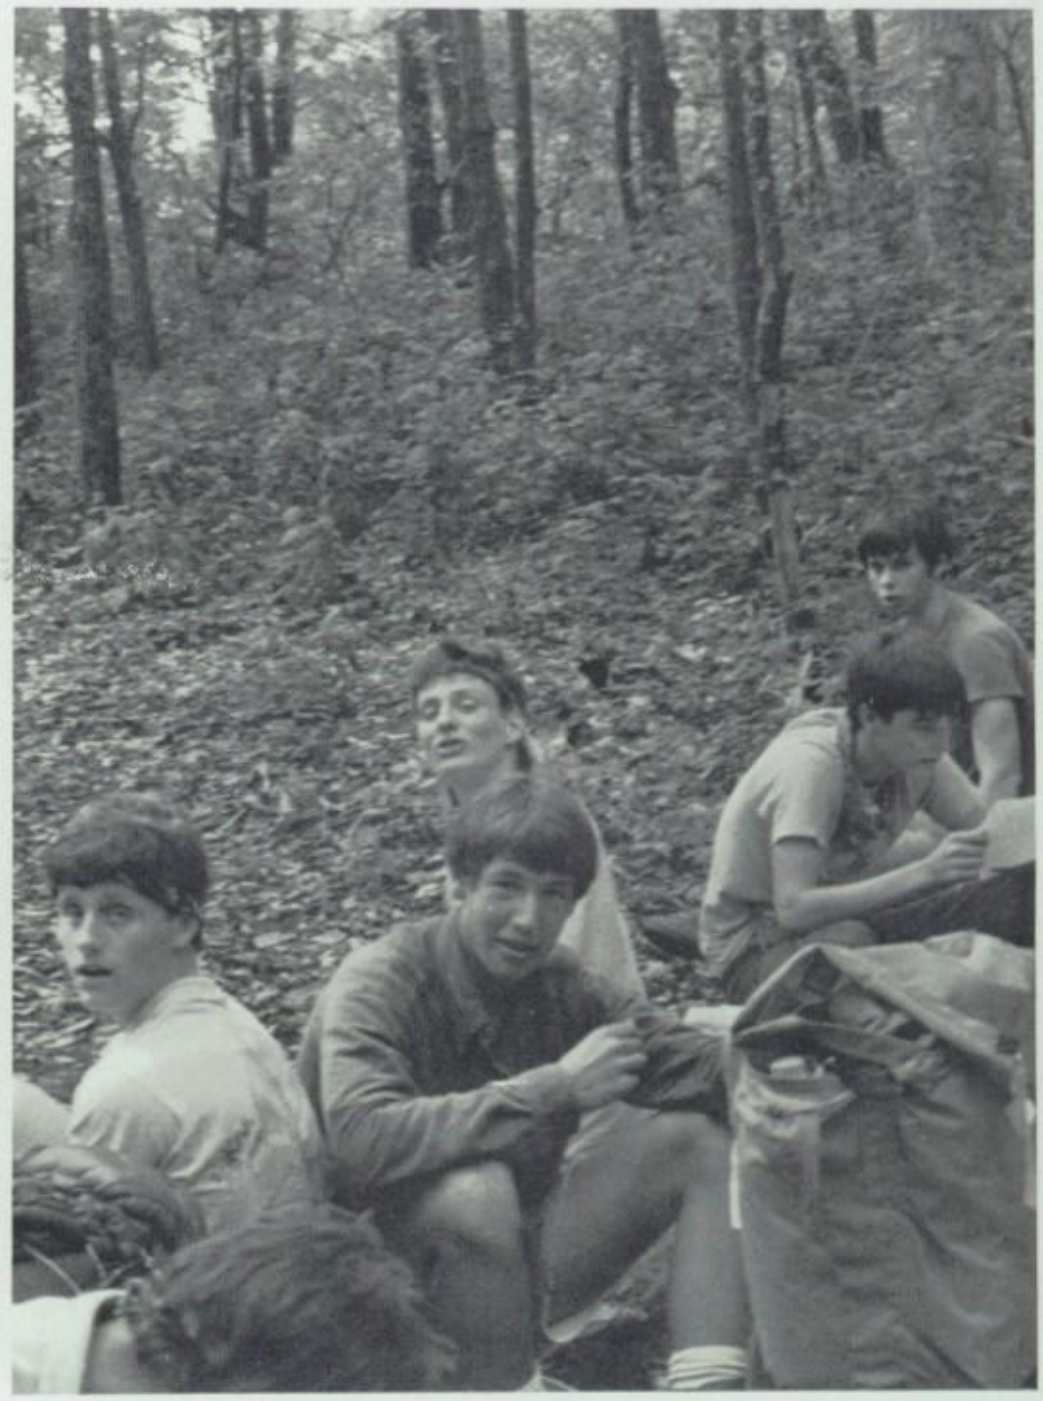
Cheerleaders

Front row: A. Dale, S. Morris, M. Goodrum, J. Amacher, R. Goodrum, K. Sanders, K. Kirby; Back row: S. Gilleland, R. Ikard, M. Hardcastle, H. Payne, D. Fish, B. Francis, S. Saperstein

The football season got off to an early start for the cheerleaders with their annual retreat to MTSU, home of the summer Cheerleader Training Camp. Upon their return, the cheerleaders continued to work hard in preparation for a hopeful season. Dr. Thomas led the cheerleading force to a high level of expertise. The cheerleaders motivated the Big Red Spirit by their traditional pep rallies and their unique and personal enthusiasm. Along with the football players and great speakers, the cheerleaders fired up the student body with their grunts, shouts, and original cheers. All in all, the cheerleaders, aided by a winning season and a journey to the Pioneer Bowl, led a resurgence of Big Red Spirit.

Outing Club

The 1984-85 school year was the sixth consecutive year of the Outing Club's existence under the fearless and unwavering guidance of Jim Womack. This year was sparse on trips but high on spirits for the challenge of the great outdoors. The Outing Club completed two exhilirarting adventures by December, and planned a final trip in May. The first trip was to Max Patch, North Carolina where the "motley crew" encountered mind-boggling scenery and visions of their own. Hot Springs was at the end of this eighteen mile trek, and for all who made it, all physically and a few mentally, the view of the French Broad River was quite rewarding. The second Outing Club journey was to Lost Creek Cave in Sparta, Tennessee where all encountered the plague of the modern day litter bug. The group joined the bats in total darkness and cooled off in the majestic waterfalls. The Outing Club is looking forward to the backpacking adventure this Spring, and the members of the future can look for definite re-organization in the agenda for next year. The Outing Club is expanding its endeavors to a wide scope of outdoor activities (backpacking, caving, bicycling, canoeing, skiing, African safaris, the search for the Ark of the Covenant, etc.) with the ever present excitement of God's wonderful world.



Big Red Club

Members: Too numerous to mention.

This year's Big Red Club, under the guidance of officers Jack Brown, Steve Saperstein, Bill Bainbridge, and Stephen Young, maintained its reputation as one of the most popular organizations on campus. Thanks to stalwart recruiting methods of President Jack Brown, approximately 97% of the student body joined this elite group.

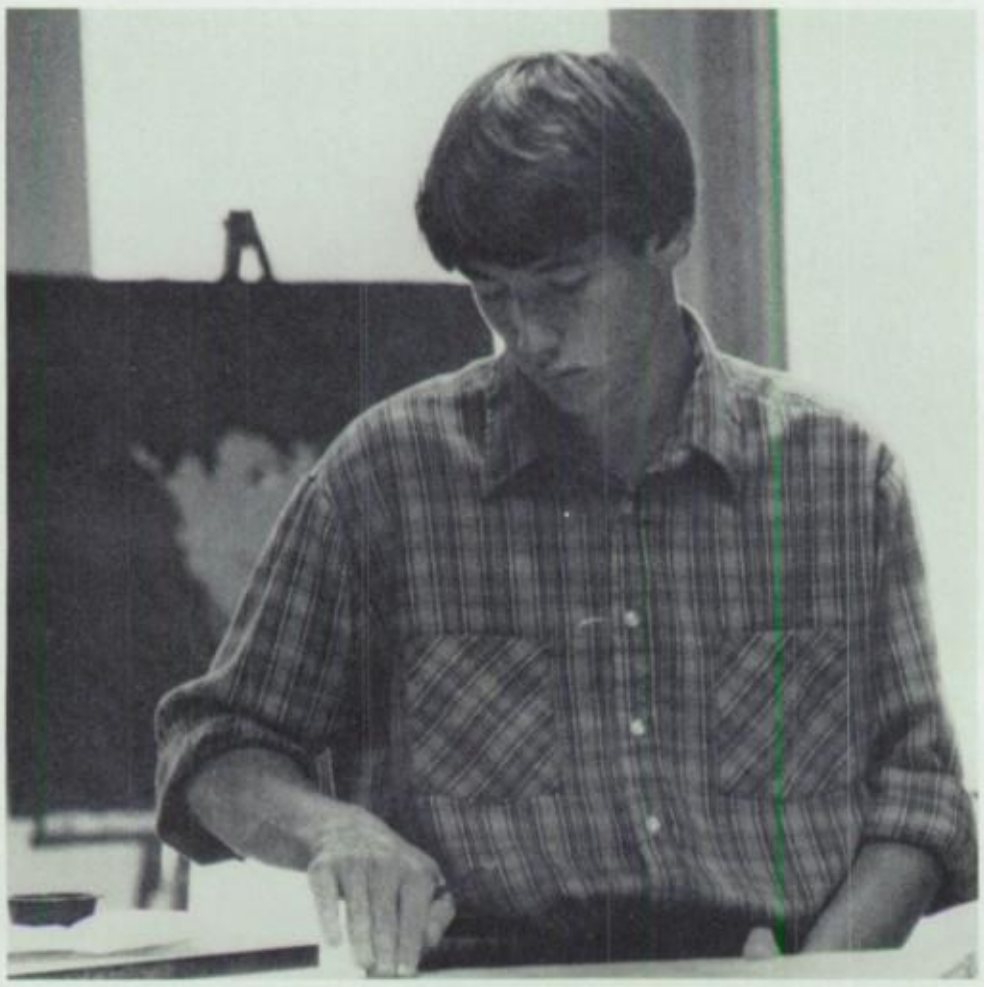
The Big Red Club helped again this year to sustain high school spirit and to promote the "rebel yell" experienced at all sporting events which MBA took part. The presence of this extra man on the field was truely felt by the athletes. The Varsity Crowd rose to the occasion just as often as the players on the field. More students were seen cheering and enjoying the games than have been in several years. The culmination to the new enthusiasm was the emergence of the "Right Field Rowdies" which brought a new meaning to the words high school baseball fans.

Debate

Success and accolades once again proved to be the rewards of the Montgomery Bell Academy Debate and Forensics Team, led by the grandmaster Billy Tate. The season opened on a most prosperous note with the team of Madison Laird and team captain Tommy Outlaw capturing first place in the Faulkner Invitational at Ole Miss. The same team enjoyed similar success at the Homewood, Alabama Tournament. Two other MBA debate teams, Paul Kahlon/Niku Wasudev and Doug Johnson/Warren Sprouse, helped out in the early going of the year. By midseason, the team of Outlaw and Laird had distinguished themselves enough to be invited to the highly prestigious Glenbrook Round Robin, where they finished fifth overall. Somewhat later at the highly acclaimed Barkley Forum at Emory University, MBA once again proved outstanding, with the Laird/Outlaw and Johnson/Wasudev teams both reaching elimination rounds and beyond. At the state tournament at Rhodes College, three Big Red teams successfully cleared elimination rounds. These teams included Kyle Hardin and John Joe, Doug Johnson and Tommy Outlaw, and Madison Laird and Warren Sprouse. The latter team laid claim to the state title and Madison won first place speaker award. The win qualified Sprouse and Laird for the national tournament. All told, the 1984-85 season was indeed an outstanding year for the MBA debaters and their director, Billy Tate.

Front row: S. Bennett, N. Wasudev, K. Hardin, M. Laird, J. Fracé, G. Logan; 2nd row: T. Outlaw, B. Hassler, J. Joe, T.A. McKinney, J. Pfeffer, J. Boone, D. Chen, W. Sprouse; 3rd row: T. Gutow, T. Rogers, C. Ptomey, D. Johnson, R. Page, M. Seshul, J. Springer; 4th row: S. Dudley, B. Perkins, P. Kahlon, W. Lin

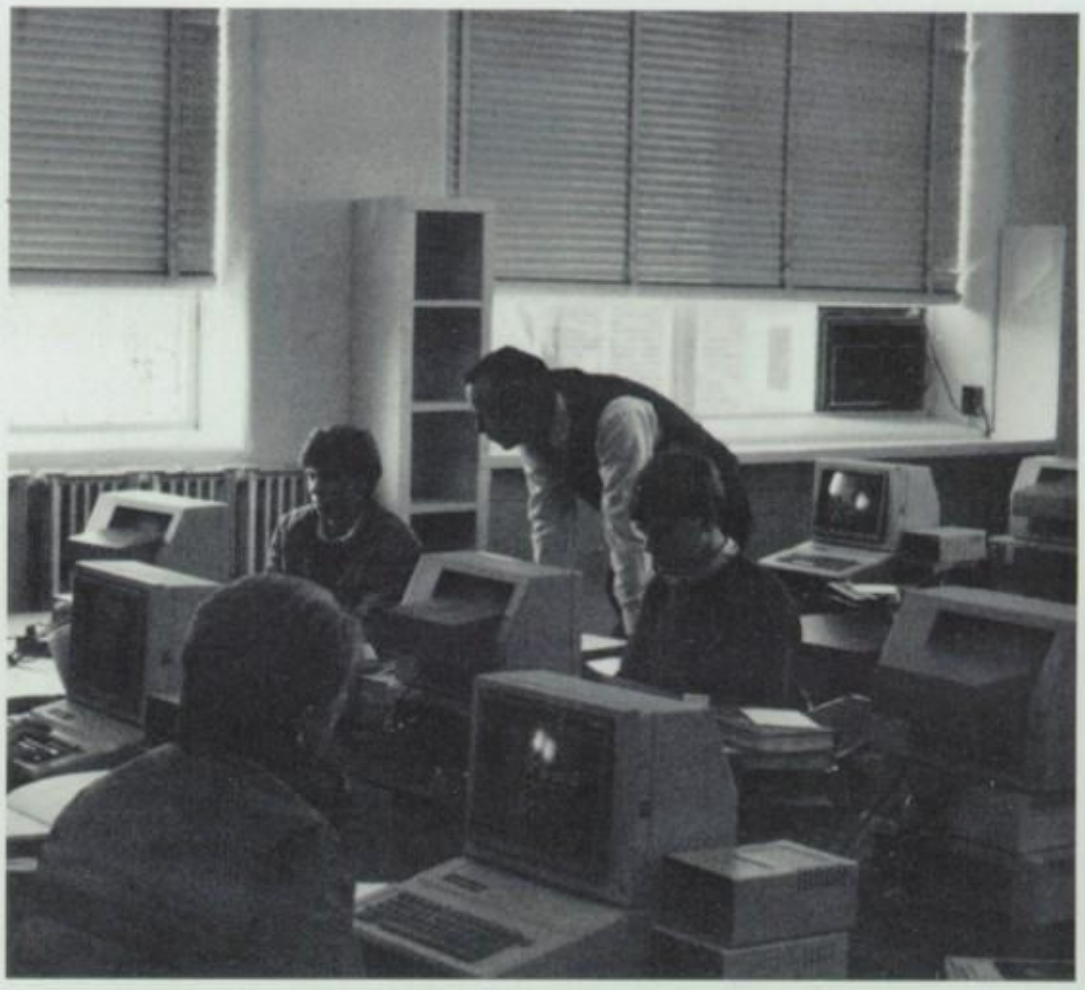
Art

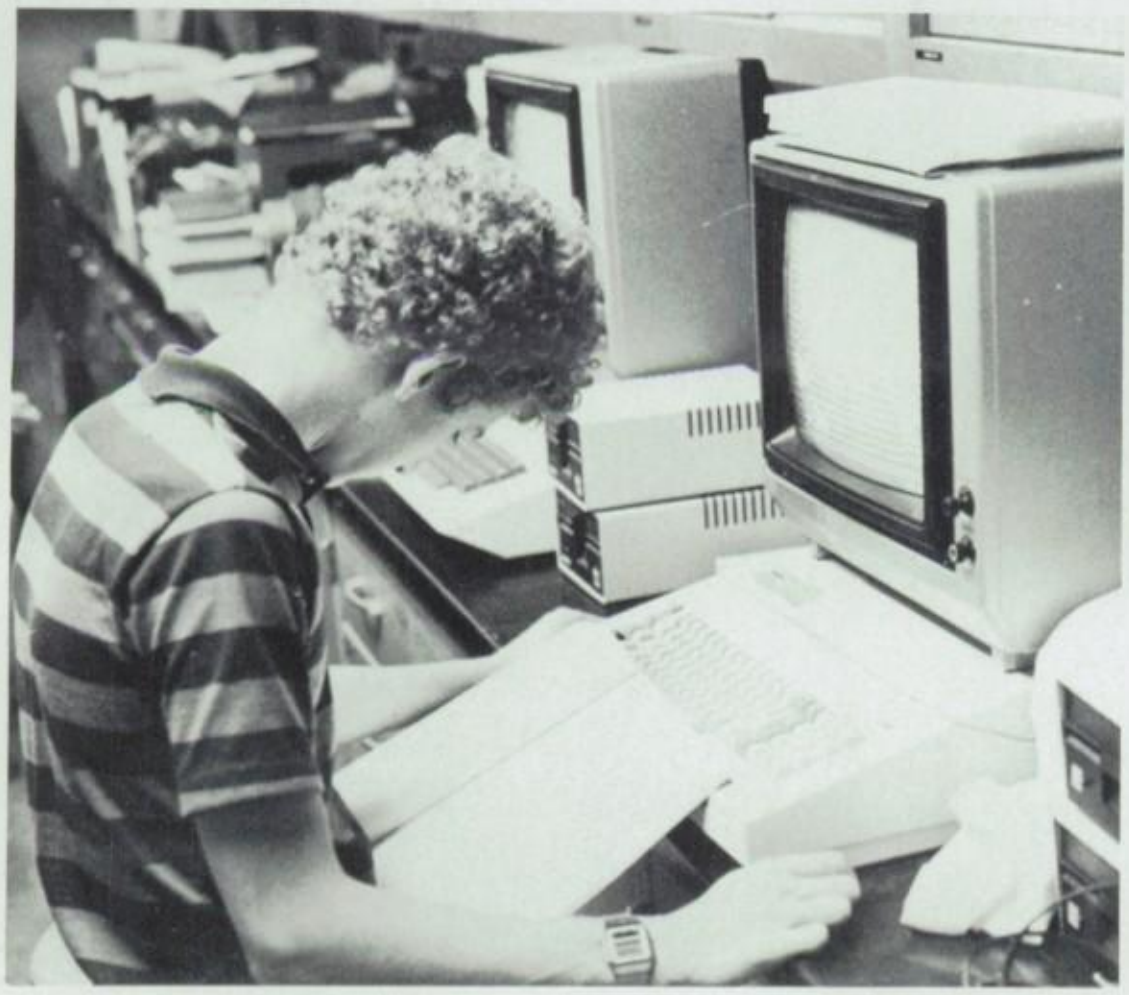


This past year, student art showed marked development and growth over the preceeding ones. The difference between this year and last year's student art is best illustrated by the two student art shows. Last year's art show was a versitable potpourri of art of every kind; whereas, this year's art was more selective with a more qualitative than quantitative assortment. Students at the forefront of the development were Brian Donnell, Garth Nash, Hunt Adams, and John Mahoney. Much of the improvement in the quality of the art can be attributed to the growth in "theories" about art, color, and form generated by the students themselves. Overall, if last year was promising, and if this year could be called developmental, one can look forward to an exciting and even more specialized student showing next year.

Computers

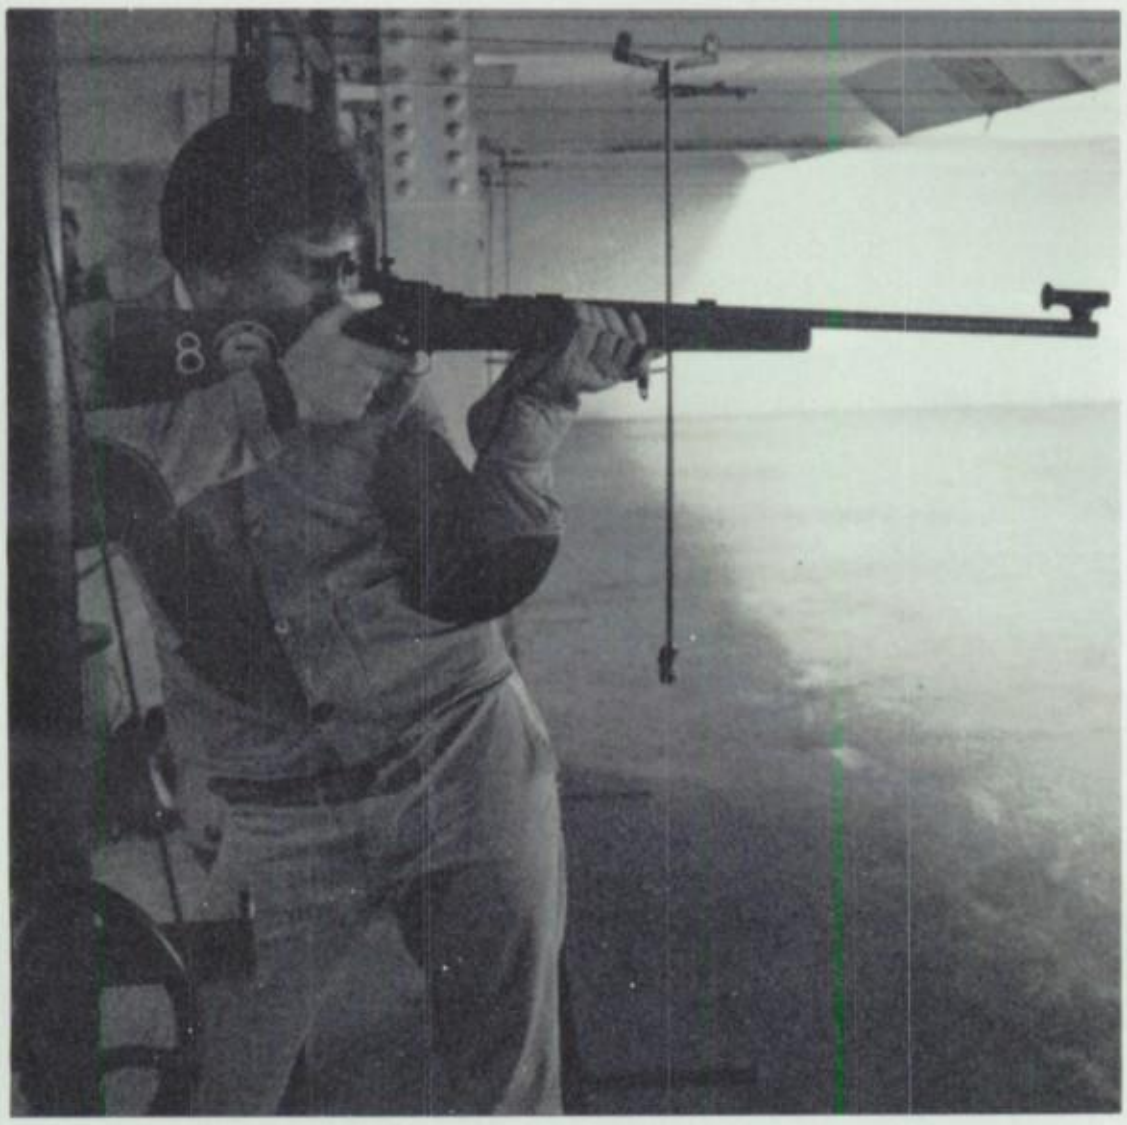
In this age of technology, MGA has not fallen to the wayside in the onrush of using the computer. An incredible amount of information is stored in the MBA data banks. Besides the beneficial business aspects of the computer, there is also the application of the computer to teaching. The science department is already using programs run by the computer to teach the student about different ideas in the separate fields of study, for example: the relations of pressure, temperature, and volume on a gas. The Physics honors class prepared science fair projects on the interfacing of computers to temperature and light detectors. Furthermore, because of the interesting teaching subject matter of Mr. Bostick, Mr. Caldwell, and Mr. Compton, the computer course has grown in popularity and size. With the addition of a hard disk drive, the capabilities of the MBA computer system has been augmented many times over.





Student use of the computers has been monumental. So far, because of the addition of the new computers, there has been a copious amount of computers to satisfy the need of the invigorated students. There are several areas of student life where a computer has been advantageous. First, in making creative and eye catching announcements to be placed on the Ball building doors. Second, in the writing of themes and other papers for school a word processor helps to save time rewriting corrected work. The annual and literary magazine copy staffs also took advantage of the aid of the word processing ability of the computer in order to facilitate their work. The computer know-how of today has become an important part of the MBA routine.

Rifle Team



In the dead of winter, 1984, the rifle team led by senior co-captains, Mangrum and Hendrick, braved the swirling snow and freezing rain to gather once again in the basement of the Vanderbilt Engineering building which housed the riflery range. The underlings, Nichols, Rawlings, Albrecht, Fitzpatrick, Sullivan, Cheek, Elder, and Amond directed by Coach Jim Stevens helped to create a strong firing line along side six year veterans Mangrum and Hendrick. Performance during the season was always consistent, but somehow seemed to fall a little bit short. The first four position match yielded a loss to archrival Lipscomb (Lipscomb—1792, MBA—1680). As the season progressed, however, the margin between the two quickly closed. The next match was a five point loss to Lipscomb, 1763 to 1758. Brennon Fitzpatrick was first place shooter with a 362 out of a possible 400. The final regular season match saw MBA suffer a highly discouraging one point defeat by Lipscomb, 1744 to 1743. Hendrick captured second place shooter honors with a 362. In the State Tournament, MBA had its high hopes for a championship crushed. MBA's first place team shot a 25. Two Junior ROTC teams came and knocked MBA into a disheartening but impressive fourth place.

Front Row: S. Elder, M. Amond, B. Link, H. Nichols, J. Rawlings; 2nd row: J. Stevens (coach), R. Cheek, J. Albrecht, B. Mangrum, R. Hendrick, B. Fitzpatrick, T. Sullivan, W. Amond

The Newspaper

B. Cochran, R. Po, G. Petznick, J. Bauman, B. Vance, D. Chickey, R. Bueno

The 1984-85 Bell Ringer editors choose to go by the motto "quality not quantity." Indeed, if a person was looking for six or seven newspaper editions, he must have been terribly disappointed. If he was looking for excellent journalism and new insight into controversial topics, however, he found this year's three editions of the Bell Ringer to be significant journalistic achievements.

David Chickey was editor-in-chief while Grey Petznick and Scott Carey were assistant editors. Other editors were John Bauman, Copy Editor; Bill Cochran, Robby Bueno, Sports Editors; Ben Vance, Entertainment Editor; Ronnie Po, Photography Editor. Next year's editors hope to increase the number of publications as well as maintain the high excellence of journalism.

Totomoi

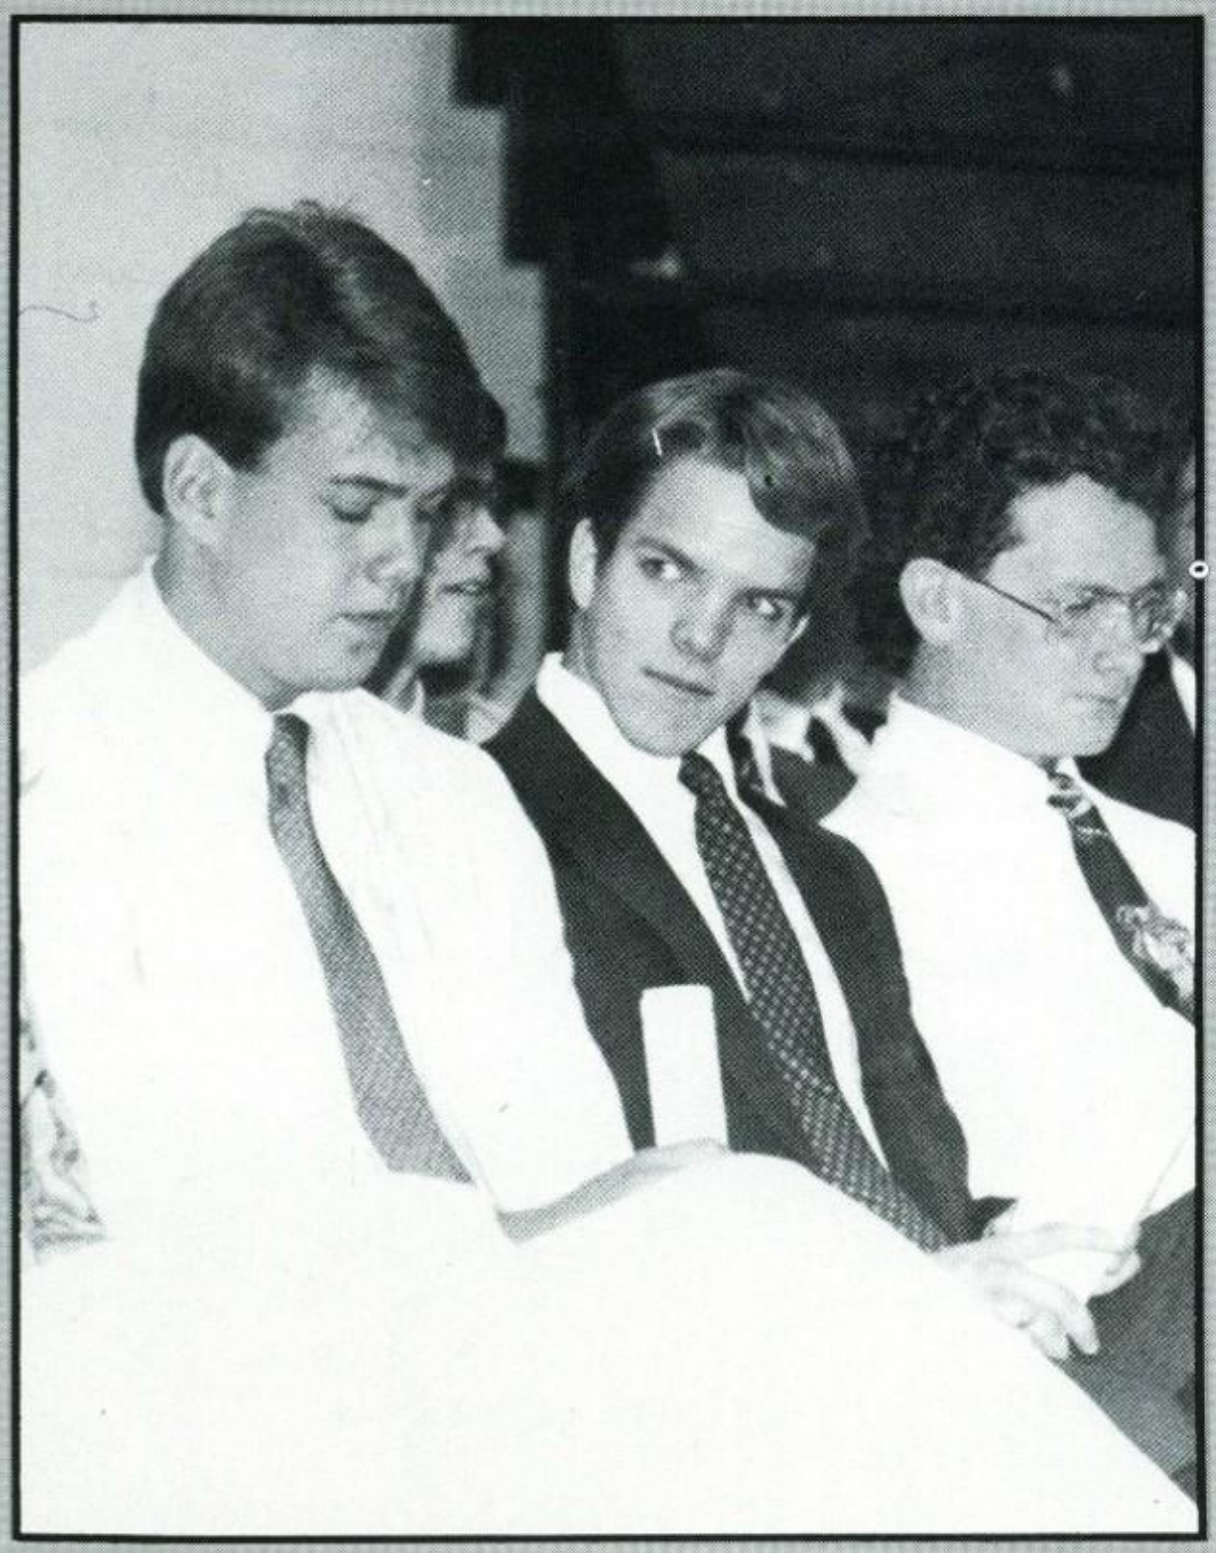
On the night of February 8th, 7th and 8th grade students went home to dream of ways of improving themselves all-around in order that they too might have a chance of being inducted to the honorary fraternity of MBA: Totomoi. Some might have even dreamt of being at the very first induction in 1954, when Dr. Sager founded the fraternity with the intent to recognize those students with outstanding participation in three of the following areas: athletics, citizenship, dramatics, forensics, organizations, publications, scholarship, and student government. In the winter tapping, David Chickey, who was inducted in the spring of 1984, showed everyone the true meaning of the word endurance as he consecutively tapped and presented four seniors; Rob Alley, Buzz Frahn, Scott Garfinkel, and Walter Smithwick. In return in the spring, these seniors came back, while David Chickey rested at the podium this time, and warmed the backs of juniors Robby Bueno and Bill Cochran and faculty member Mr. Laird Smith. It is because of the high standards that the Totomoi fraternity sets on individual students and others in the MBA community that the school has a reputation of such tremendous esteem in the Nashville area today.

Front row: D. Chickey, P. Bond, H. Andrews, J. Bauman, G. Petznick, J. Tate; Back row: B. Donnell, R. Po, N. Wasudev, B. Crants, R. Buleno, M. Wills; (not pictured) B. Frahn, S. Garfinkel, W. Lin, P. Rau, J. Robbins, W. Smithwick, C. Zanone

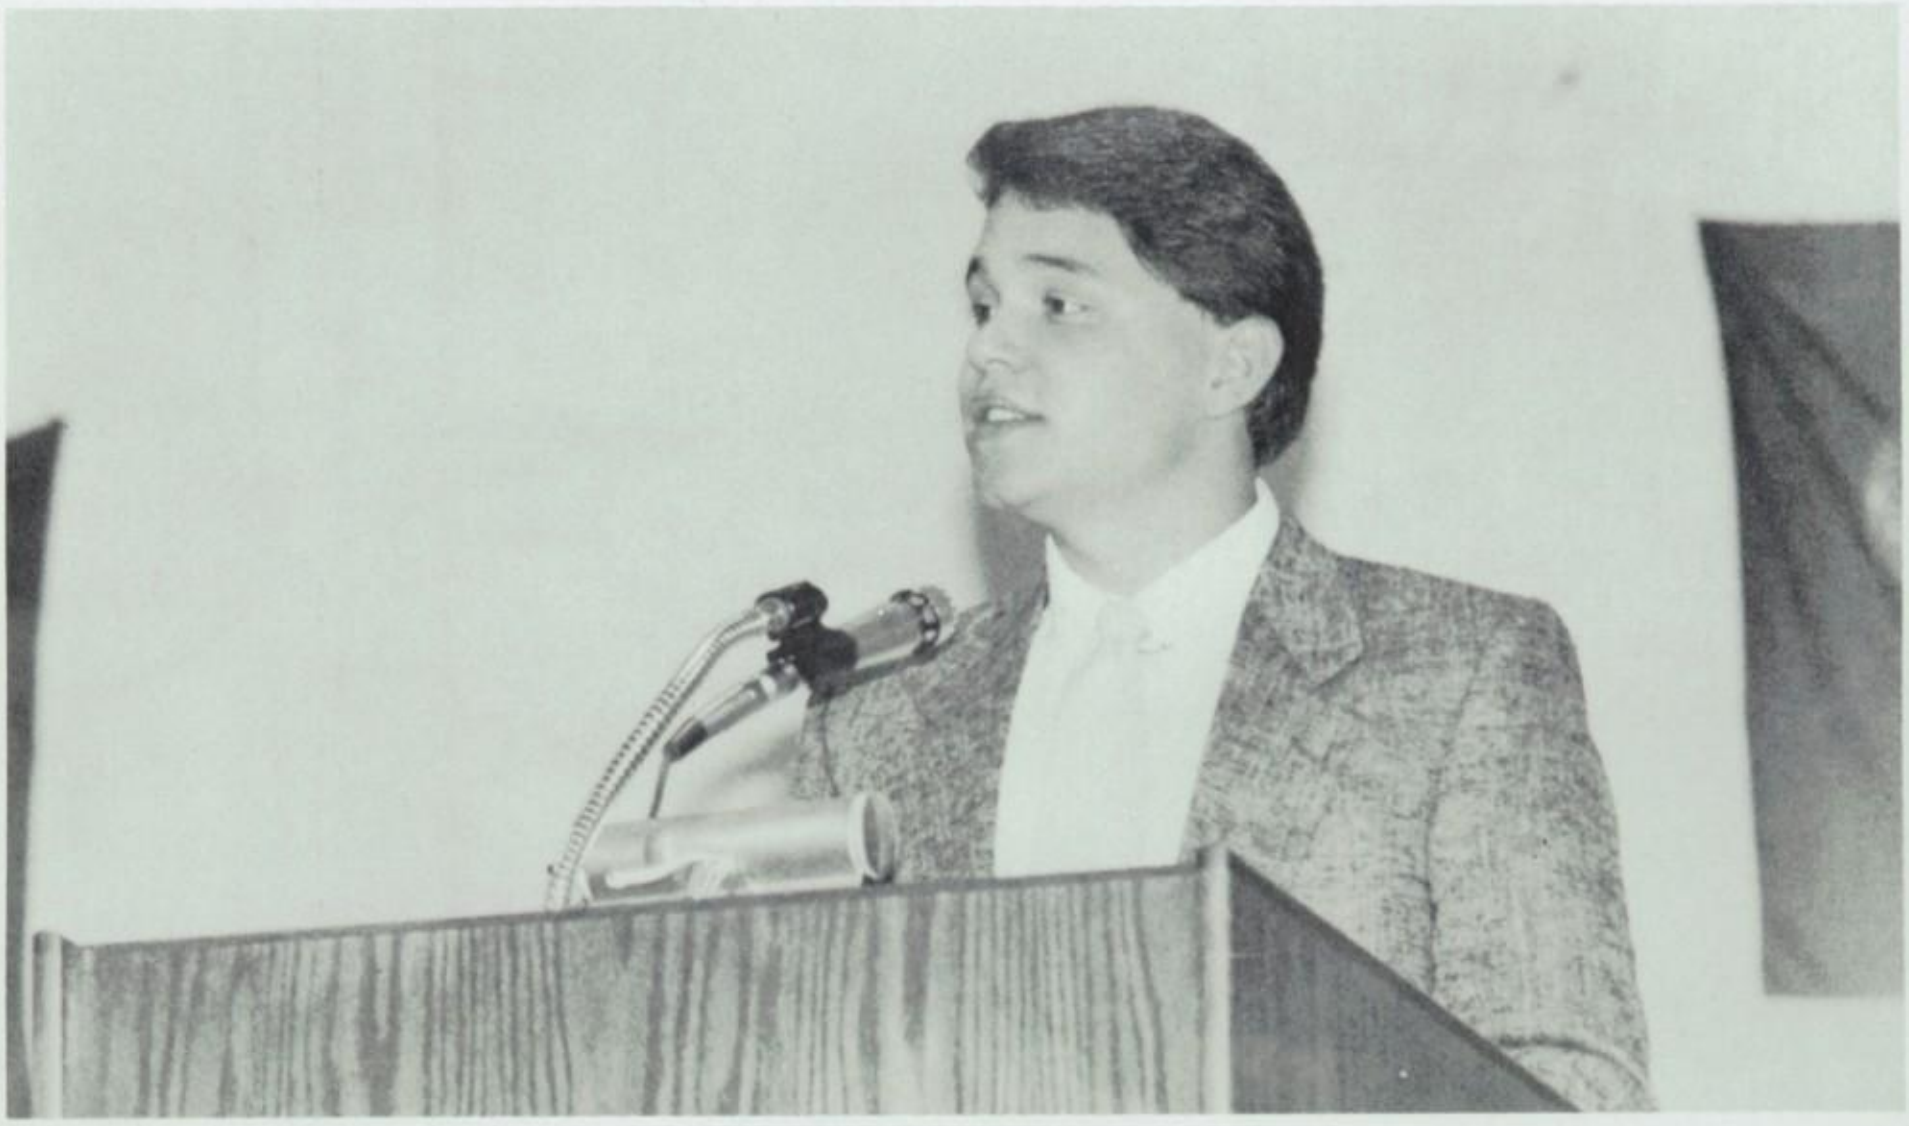
Cum Laude

Founded in 1906 as an honorary society to recognize those students who have achieved academic excellence in high school, the Cum Laude Society is quickly becoming an MBA standard. In 1981, MBA received its chapter of the national fraternity which is the high school equivalent of Phi Beta Kappa in college. The motto of the Cum Laude Society, Areté, Diké, Timé, stands for "Excellence, Justice, Honor." Originally, all department heads and faculty members who were members of Phi Beta Kappa were automatically inducted. Every year since, up to seven percent of the junior class and fifteen percent of the senior class along with selected faculty or members of the community have been admitted. On May 2, six seniors, seven juniors, and two honorary members, Mrs. Francis E. Carter and Dr. Thomas F. Frist, were recognized.

Commencement



Commencement



John Bauman delivers the valedictory speech.

Anxious onlookers

As summer rolled across the MBA campus, interest in most school activities diminished except one: commencement. For many, commencement is the fulfillment of a six year stay on "the hill." For all seniors commencement is the festive finish to their high school careers. Yet, just as June starts a new season, commencement heralds the beginning of a new phase for our seniors.

This year's graduation began in the Brownlee O. Curry Gymnasium at 9:00 on Saturday June first with the customary march of the Headmaster followed by Chairman of the Board Joe C. Davis, the faculty and the graduating seniors. The invocation by class president Mac Hardcastle welcomed these in attendance and gave thanks to the Lord for allowing the ceremony. Salutatorian Chris Zanone followed with a speech recounting life for him and other seniors while at MBA. Next, various students were recognized for their academic achievement in individual courses. John Bauman presented the valedictory, emphasizing the importance of a strong liberal arts education as a basis for future careers. After a strong chorus presentation, Mr. Bondurant with help from various faculty members presented specific awards to individual students, one of which was the new P.M. Estes award. Dr. Gaffney, along with many Junior school teachers awarded the certificates to the eighth graders. Finally, it was time to hand out the diplomas to the jubilant graduating class of 1985. The singing of the Alma Mater brought everyone to his feet, and when David Chickey delivered the benediction, MBA's one hundred and eighteenth commencement for the class of 85 was officially over.

A congratulatory Mrs. Carter

The Year at a Glance

Aug. 30	REGISTRATION—many seniors remember that they are a unique class (the first and last summer projects on Sam Davis are due)
Aug. 31	REGISTRATION (cont.)—Seniors wake up early for the second day in a row to welcome the new seventh graders to the hill at 8:00 am.
Sept. 4	CLASSES BEGIN—memories of the summer help pass the time during the seemingly endless fifty minute periods.
Sept. 25	FIRST THEME—the Krystal theme party tradition begins; students remember how much fun themes can be.
Oct. 12	COLUMBUS DAY!/HOMECOMING—the football team wins homecoming for the first time in two years
Oct. ?	HIDDEN TREASURE HUNT—a new craze sweeps the hill; there is a remarkable increase in the sale of orange sherbert because the thirst for knowing the unknown is too great for those during fifth period lunch
Dec. 19	CHRISTMAS HOLIDAYS BEGIN!
Jan. 3	CLASSES RESUME—students find out how easy it is to forget everything in two weeks
Jan. 18	LAST MID-TERM EXAM—"it's FRIDAY" becomes a celebrated phrase while students get out of the house for the first time in a week
Jan. 22	SECOND SEMESTER BEGINS—and with this seniors turn to more urgent matters: college applications; the next four years; future jobs; life . . . but this can wait till next week
Feb. 1	DRAKE'S FOLLIES—snow, sleet, ice, and school (no casualties in student body and no comment from administration)
Feb. 24	SCIENCE FAIR—"Honey, look what little Johnnie has done with your expensive rare exotic tropical fish collection."
March 8	SPRING BREAK— . . . and on the eighth day spring break was created, and there was much rejoicing; delirious Paul Bond takes it upon himself to evict the hotel guests in room 312
March 17	NUDE FOR FOOD—gentlemanly competition at its finest
April 11	LAST THEME—A Farewell To Themes
April 15	COLLEGE REPLIES—and there was much mourning
April 20	Flesh piling is outlawed.
May 15	POWER FEEDING—Congratulations, Jack Brown,—6 ½ K's at one time.
May 23	FINAL EXAMS—#@$!!&%!!
June 1	COMMENCEMENT—school is officially over; the annual continues . . .

Editor's Note

At the beginning of the year, the outlook for the 85 BELL started on the wrong note as the 84 BELL had been delayed and did not arrive on campus until sometime in October because of problems encountered the year before. As I began to see Mr. Benson, the brave new project took flight like a plane with neither a radar nor a navigation system. The ascent was slow and easy in the beginning, and we glided along oblivious of the grand enterprise ahead. Near the beginning of February and the first deadline, things began to accelerate from 30 mph to 150 mph in a little under five seconds. From the first deadline on, it was a continuous struggle with getting articles turned in, making sure pictures got taken, finding people to type articles, and trying to get a grasp on our financial status. At times, I found out how difficult it is to organize, advise, direct, and delegate work all at the same time while dealing with ten different arising problems. To end on a positive thought though, I would like to think that this year's annual will help everyone save the many happy memories of the past year that will make it unique.

Many thanks to

—Dr. Crowell for his encouraging advice, his understanding during the days when things weren't so bright, and his help in organizing things.
—Greg Walker and Arthur Bond for accepting the role of business editors at the last minute and working to get articles typed up when they came in. Special thanks to Arthur for his help with senior bios and Greg for his help after the school year was over.
—Scott Garfinkel for getting sports articles in when the respective seasons were over.
—Ben Vance for helping in the early stages, writing miscellaneous articles that are interesting to read, and getting all the feature articles in.
—Bill Cochran, Scott Thompson, and Steve Stroman—the FCA crew—for the late nights spent doing all kinds of necessary work.
—Jimbo Hunt and Rob Cheek for their work in the darkroom and around campus taking pictures.
—Morgan Wills for his work beyond the call of duty in preparation for next year's editorship.
—Every one else on a staff who gave a hand when it was needed.

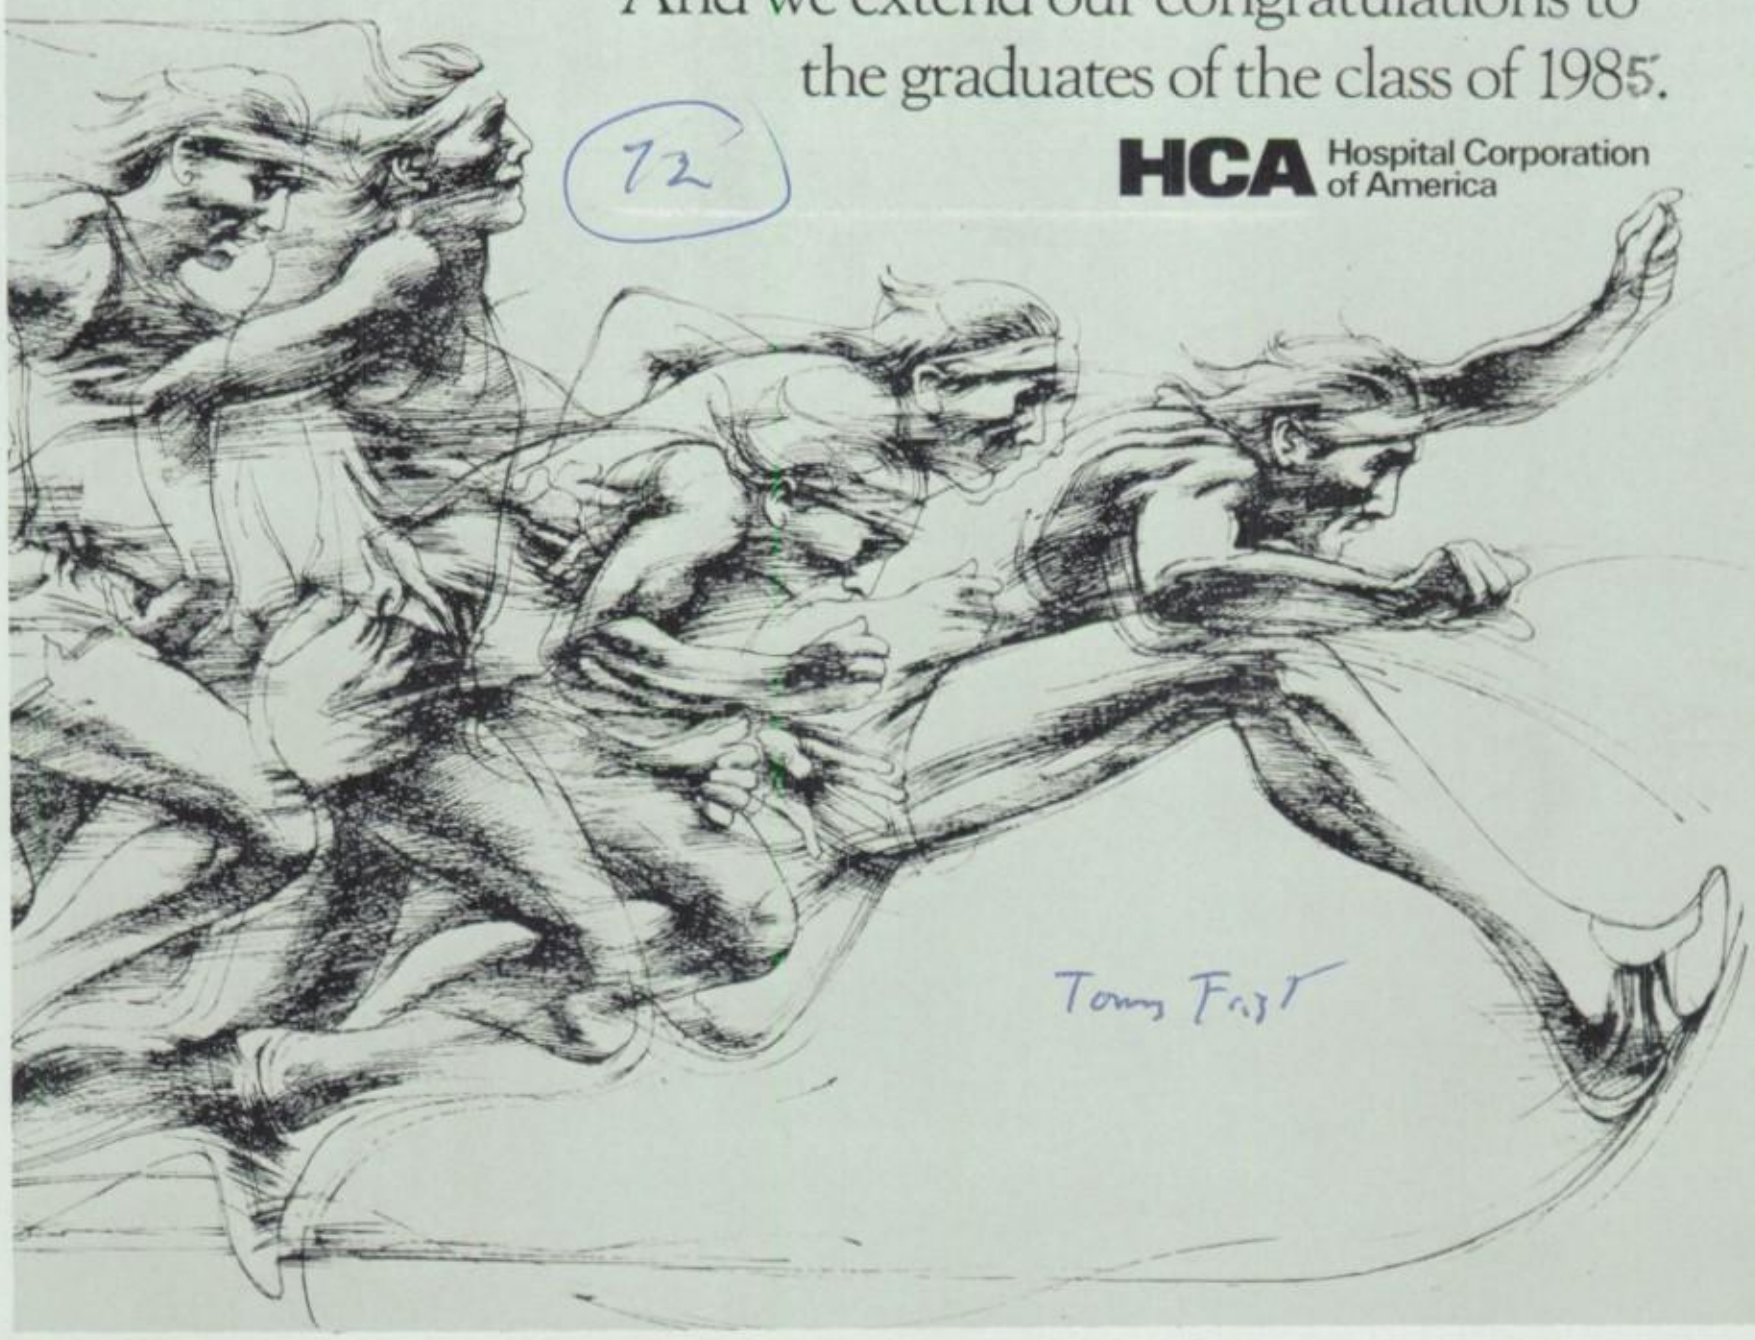
Fit for the Future.

Perseverance. Striving for what is better. Challenging the status quo. **H**ospital Corporation of America is committed to improving health care. Trying what hasn't been tried. Doing what hasn't been done. All to find new ways of providing quality care at a reasonable cost. Because, in the long run, bettering the human condition is the greatest good any individual or group can achieve. **H**ospital Corporation of America salutes Montgomery Bell Academy for its commitment to excellence in shaping the future of its students.

And we extend our congratulations to the graduates of the class of 1985.

HCA Hospital Corporation of America



We can help.

At The Computer Shoppe, we can help you make the right decision regarding computers. Our consultants are great at answering questions and providing information concerning your needs and expectations. Our objective is to match you with the right computer system.

Which computer is the right computer?

We sell the top names in the industry like IBM, Apple, Compaq and Hewlett-Packard. After talking with you, we can recommend the computer system that best fits your needs at the price that best fits your budget.

The latest software and peripherals.

At The Computer Shoppe, we sell tested and proven software from the most trusted names in the industry, like Lotus, Microsoft and Ashton-Tate.

We also carry a full line of peripherals, disk drives, modems, printers and other accessories.

Training classes that help.

If you are new to computing or just want to learn about new software programs, you will find our classes very helpful. We can help you get the most out of your program in the shortest amount of time.

Maintenance and service.

We have a fully trained staff of technicians who can service your computers either in-house or on-site.

Computers for the home.

One of the best places for a computer is in the home and whether it's for education, home finances or home management, we have everything you need at the Computer Shoppe.

For more information.

We would like to help you. Feel free to come by or call any of our stores and talk with one of our computer consultants. Remember, the more information you have, the easier decisions become.

NFIB Speaks for America's Biggest Business...

Small Business.

NFIB—the National Federation of Independent Business—brings the concerns and opinions of small and independent business owners to Congress, the federal agencies, the White House and all 50 state capitals.

NFIB is one of America's largest membership organizations...nearly 600,000 strong.

We don't take our positions lightly. Members are polled regularly on issues affecting their businesses. The majority response is the position NFIB lobbyists carry from the grass-roots membership directly to federal and state lawmakers.

And we don't stop there. NFIB is a research organization too. NFIB Quarterly Economic Reports accurately predict trends in the nation's employment, Gross National Product and inflation.

In recent months, we've published special studies on small business banking and credit, the major problems and priorities of the small and independent business owner, the special concerns of small business people in urban areas, and more.

Small business *is* America's biggest business, employing more than half the non-government workforce and producing almost half the GNP.

Small business owners are active in civic and political affairs. And we represent more of them than any other organization.

That is why...*when America's lawmakers hear from NFIB, they know they've heard from American business.*

A Very Fitting Solution

That very handsome garment you select at the Oxford Shop may be the exact cut, fabric and color to suit you. And it may be a perfect fit as is.

If not, it soon will be, at the hands of our expert tailoring staff. Their expertise in alterations can make your selection look as though it was made for you. But there's more. Later if you lose or gain a few pounds, fabric permitting, we'll alter the garment to fit again.

And all alterations are included in the original price of the garment.

You'll find a very fitting solution to any alterations problem at

2308 West End Avenue and
4001 Hillsboro Road in Green Hills
Visit our Lady Oxford Shop, West End Store Only.
